Records of Elections and Town Meetings During the Year 1958

TOWN WARRANT

THE COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To the Constables of the Town of Arlington, in said County:

GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, qualified to vote in elections, to meet at the polling places designated for the several precincts in said Town on

MONDAY, THE THIRD DAY OF MARCH, 1958

at seven o'clock in the forenoon, to act on the following Articles, namely:

Article 1. To elect by ballot the following Town Officers: Two Selectmen for three years; one Assessor for three years; three members of the School Committee for three years, and one member of the Arlington Housing Authority for five years; also, in accordance with the provisions of Chapter 43A of the General Laws, in each precinct the number of Town Meeting Members as hereinafter specified: in Precinct 1, one such member for one year, one such member for two years and five such members for three years; in Precinct 2, one such member for one year and six such members for three years; in Precinct 3, four such members for three years; in Precinct 4, six such members for three years; in Precinct 5, six such members for three years; in Precinct 6, one such member for two years and five such members for three years; in Precinct 7, one such member for one year, one such member for two years and five such members for three years; in Precinct 8, six such members for three years; in Precinct 9, one such member for one year and six such members for three years; in Precinct 10, one such member for one year, one such member for two years and six such

members for three years; in Precinct 11, one such member for one year, one such member for two years and six such members for three years; in Precinct 12, six such members for three years; in Precinct 13, six such members for three years; in Precinct 14, eight such members for three years.

For these purposes, the polls will be open at seven o'clock A.M. and remain open until eight o'clock P.M., at each of the polling places designated, viz: Precinct One, in the East Arlington Branch Library, entrance on Massachusetts Avenue; Precincts Two and Four, in the Hardy School Building, entrance on Lake Street; Precinct 3, in the Junior High School Building East, entrance on Tufts Street; Precinct 5, in the Thompson School Building, entrance on North Union Street; Precincts Six and Eight, in the Town Hall; Precincts Seven and Nine, in the St. Agnes Parochial School Building; Precinct 7, side entrance on Medford Street; Precinct 9, entrance on Compton Street; Precincts 10A and 12A, in the Cutter School Building, entrance on Robbins Road, Precincts 10B and 12B, in the Brackett School Building, entrance on Eastern Avenue; Precinct Eleven, in the Highland Hose House, entrance on Massachusetts Avenue; Precinct Thirteen, in the Peirce School Building, entrance on Park Avenue North, Heights; Precinct Fourteen A, Park Avenue Congregational Church; entrance on Paul Revere Road; Precinct Fourteen B, in the Dallin School Building, entrance on Florence Avenue.

You are, also, required to notify and warn the said inhabitants to meet at the Town Hall, in said Town on Monday, the seventeenth day of March, 1958 at eight o'clock in the evening, at which time and place the following articles are to be acted upon and determined exclusively by town meeting members, in accordance with, and subject to, the referenda provided for by Chapter 43A of the General Laws.

Article 2. To choose and appoint all other usual Town officers not herein-before mentioned, in such manner as the Town may determine.

Article 3. To hear and act on the reports of the committee under vote of the Town passed March 24, 1944, on Advanced Programming and Budgeting; of the committee under vote of the Town passed March 28, 1951, to investigate and consider the matter of a Fire Prevention Code for the Town of Arlington; of the committee under vote of the Town passed March 26, 1952, to investigate, consider and make recommendations for the purchase or taking by eminent domain, or otherwise, of a suitable site and for the construction of a new building or reconstruction of an existing building to be used for garaging Town-owned vehicles; of the committee under votes of the Town passed March 20, 1953, and March 24, 1954, to investigate, consider and make recommendations to the Town relative to the construction and operation of refuse disposal incinerators; of the Joint Planning Committee under vote of the Town passed March 23, 1953; of the committee under vote of the Town passed March 15, 1954, to investigate and study the adequacy of the present school buildings within the Town and the future locations of new school buildings; of the committee under vote of the Town passed March 22, 1954, to procure plans and estimates for the construction of a school building in the area of

North Union Street; of the committee under vote of the Town passed March 24, 1954, to procure plans and estimates for the construction of a school building in the area of Florence Avenue, George and Renfrew Streets; of the committee under vote of the Town passed March 24, 1954, to investigate, study and consider various entrances at the Arlington Heights Reservoir Beach and Playground; of the committee under vote of the Town passed March 24, 1954, to investigate, consider and make recommendations as to the swimming conditions at the Arlington Heights Reservoir Beach; of the Peirce School Playground Improvement Committee under vote of the Town passed March 25, 1955; of the Arlington Brotherhood Committee under vote of the Town passed March 28, 1955; of the committee on the 150th Anniversary of the Incorporation of the Town of Arlington under vote of the Town passed April 2, 1956; of the committee on quarters for organizations now occupying the Old Town Hall under vote of the Town passed April 2, 1956; of the committee on the improvement of the acoustics in the Robbins Memorial Town Hall auditorium under vote of the Town passed April 2, 1956; of the High School additions and reconstruction committee under vote of the Town passed April 4, 1956; of the Arlington Development Commission under vote of the Town passed March 25, 1957; of the committee under vote of the Town passed March 25, 1957, to study, investigate, consider and make recommendations relative to the use of the area in the rear of the Junior High School West for the parking or passage of motor vehicles for the relief of traffic congestion; of the committee under vote of the Town passed March 27, 1957, to investigate and make a study of the land owned by the Town of Arlington in the Town of Lexington, known as the Great Meadows; and of other Town Boards and officers and of the Finance and other committees heretofore appointed.

Article 4. To see if the Town will authorize, ratify and confirm the payment to the County of Middlesex of amounts assessed upon or otherwise payable by the Town under Warrant issued by the County Commissioners in accordance with Chapter 500, Section 1, of the Acts of 1943, for: (A) the Town's share of the maintenance, operation and repair of Middlesex County Tuberculosis Hospital during the last preceding calendar year, including interest on temporary notes issued therefor in accordance with Sections of Chapter III of the General Laws applicable thereto; (B) the Town's share of any and all other expenses in connection with said Hospital including expenses under Section 25G (6) (a) of Chapter 32 of the General Laws, inserted by Chapter 400 of the Acts of 1936; or take any action relating to said Hospital or any other thing therein mentioned.

Article 5. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1959, and to issue a note or notes therefor, payable within one year, and to renew any note or notes that may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 6. To see if the Town will make an appropriation or appropriations to pay the claims or charges of Symmes Arlington Hospital including such claims and charges for aid relief or care furnished prior to January 1, 1958, to persons falling into distress and standing in need of immediate relief; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 7. To see if the Town will amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C of the By-Laws, by increasing all money figures contained therein by approximately four percent (4%) to the nearest even dollar or $178.00. whichever is the greater, in the annual salary schedule, excepting the money figures contained in Grades PF 2, PF 3, PF 4, PF 5, and PF 6, and $3.40 or approximately four percent (4%) to the nearest even daily rate, whichever is the greater, in the weekly salary schedule, and by increasing the compensation of regularly employed part-time employees by approximately four percent (4%) to the nearest dollar; and by striking out the words and figures "Minimum — $3944.00", "Step 1 — $4262.00", and "Maximum—$4606.00", where they appear in Grade PF 2 of said Schedules and inserting in place thereof the words and figures "Minimum — $4102.00", "Step 1 — $4432.00", and "Maximum—$4790.00"; and by striking out the words and figures "Maximum — $5046.00" where they appear in Grade PF 3 of said Schedules and inserting in place thereof the words and figures "Maximum $5248.00"; and by striking out the words and figures "Maximum — $5386.00" where they appear in Grade PF 4 of said Schedules and inserting in place thereof the words and figures "Maximum — $5602.00"; and by striking out the words and figures "Maximum — $5866.00" where they appear in Grade PF 5 of said Schedules and inserting in place thereof the words and figures "Maximum — $6100.00"; and by striking out the words and figures "Maximum — $7122.00" where they appear in Grade PF 6 of said Schedules and inserting in place thereof the words and figures "Maximum — $7406.00"; said amendment to become effective April 1, 1958; appropriate the sum of $78,000.00 to be expended by the various departments affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 8. To see if the Town will amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C, of the By-Laws, by striking out the words and figures "Minimum — $6456.00", "Step 1 — $6702.00", "Step 2 — $6944.00", "Step 3 — $7184.00", and "Maximum — $7488.00" where they appear in Grade AG 14 of said Schedules and inserting in place thereof the words and figures "Minimum — $7300.00", "Step 1 — $7600.00", "Step 2 — $7900.00", "Step 3 — $8200.00", and "Maximum — $8500.00"; said amendment to be effective April 1, 1958; appropriate the sum of $534.00 to be expended by the department affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 9. To see if the Town will amend the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws, by reallocating Supervisor of Custodians and Maintenance, from Grade AG 12 to Grade AG 13; said amendment to be effective April 1, 1958; appropriate the sum of $234.00 to be expended by the department affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 10. To see if the Town will amend the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws, by reallocating Assistant Supervisor of Custodians, from Grade AG 7 to Grade AG 8; said amendment to be effective April 1, 1958; appropriate the sum of $255.00 to be expended by the department affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 11. To see if the Town will amend the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws, by reallocating Executive Secretary, Personnel Board, from Grade AG 10 to Grade AG 11; said amendment to be effective April 1, 1958; appropriate the sum of $252.00 to be expended by the department affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 12. To see if the Town will amend the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws, by reallocating Assistant Librarian, from Grade AG 6 to Grade AG 7; said amendment to be effective April 1, 1958; appropriate the sum of $139.50 to be expended by the department affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 13. To see if the Town will amend the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws, by reallocating Secretary and Head Clerk, Public Works Department, from Grade AG 9 to Grade AG 11; said amendment to be effective April 1, 1958; appropriate the sum of $127.50 to be expended by the department affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 14. To see if the Town will amend the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws, by reallocating Motor Equipment and Radio Repairman, from Grade MC 5 to Grade MC 6; said amendment to be effective April 1, 1958; appropriate the sum of $156.60 to be expended by the department affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 15. To see if the Town will amend the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws, by reallocating Agent, Board of Health, from Grade AG 8 to Grade AG 9; said amendment to be effective April 1, 1958; appropriate the sum of $123.00 to be expended by the department affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 16. To see if the Town will amend the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws, by reallocating Water Registrar, from Grade AG 8 to Grade AG 9; said amendment to be effective April 1, 1958; appropriate the sum of $123.00 to be expended by the department affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 17. To see if the Town will amend the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws, by reallocating Superintendent of Parks and Recreation, from Grade AG 10 to Grade AG 11; said amendment to be effective April 1, 1958; appropriate the sum of $72.00 to be expended by the department affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 18. To see if the Town will amend the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws, by reallocating Assistant Superintendent of Public Works, from Grade AG 10 to Grade AG 11; said amendment to be effective April 1, 1958.

(Inserted at the request of the Personnel Board)

Article 19. To see if the Town will amend the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws, by adding the following classifications:

Supervisor of Children's Library Activities, Grade AG 6
Superintendent of Cemeteries, Grade AG 10

(Inserted at the request of the Personnel Board)

Article 20. To see if the Town will vote to amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C, of the By-Laws, by striking out the words and figures "Minimum — $3944.00", "Step 1 — $4262.00", and "Maximum — $4606.00" where they appear in Grade PF 2 of said Schedules and inserting in place thereof the words and figures "Minimum — $4200.00", "Step 1 — $4500.00", and "Maximum — $4800.00"; and by striking out the words and figures "Maximum — $5046.00" where they appear in Grade PF 3 of said Schedules and inserting in place thereof the words and figures "Maximum — $5300.00"; and by striking out the words and figures "Maximum — $5386.00" where they appear in Grade PF 4 of said Schedules and inserting in place thereof the words and figures "Maximum — $5800.00"; and by striking out the words and figures "Maximum — $5866.00" where they appear in Grade PF 5 of said Schedules

and inserting in place thereof the words and figures "Maximum — $6300.00"; and by striking out the words and figures "Maximum — $7122.00" where they appear in Grade PF 6 of said Schedules and inserting in place thereof the words and figures "Maximum — $7700.00"; said amendment to become effective April 1, 1958; appropriate the sum of $5300.00 to be expended by the various departments affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 21. To see if the Town will amend Schedule A, of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C, of the By-Laws, by increasing all money figures contained therein by $312.00 in the annual salary schedule and $6.00 in the weekly salary schedule, and by increasing the compensation of part-time employees, whose hours of work follow a regular schedule, proportionally as their actual part-time service bears to a full-time service; will appropriate a sum or sums of money therefor to be expended by the various departments affected; determine in what manner the money shall be raised; or take any action relating to any or all of the foregoing.

(Inserted at the request of ten (10) registered voters)

Article 22. To see if the Town will acquire by purchase, eminent domain or otherwise for municipal purposes, all or any portion of the land within the Town hereinafter described and which was originally acquired by the Town by gift allegedly subject to certain trusts, terms and conditions, any interests or easements therein, and any rights or easements of way or otherwise as appurtenant thereto and subject to or with any reservations of any rights or easements therein; determine in what manner the money shall be raised and expended; or take any action relating to all or any of the foregoing.

Said land is bounded and described as follows:

Beginning at a stone bound at the point of intersection of the southeasterly side line of Mystic Street and the southwesterly side line of Chestnut Street, thence southeasterly on said southwesterly side line of Chestnut Street, a distance of 245.76 ft. to a point at land of the Roman Catholic Archbishop of Boston, thence southwesterly by land of the Roman Catholic Archbishop of Boston a distance of 370 ft. more or less to land now or formerly of Goode, thence northwesterly by said land now or formerly of Goode, known as Park Terrace, a distance of 193.76 ft. to a point on the southeasterly side line of Mystic Street, thence northeasterly on said southeasterly side line of Mystic Street, a distance of 285.35 ft. to the point of beginning and containing approximately 67,075 sq. ft.:

(Inserted at the request of the Personnel Board)

Article 23. To see if the Town will acquire by purchase, eminent domain or otherwise for municipal purposes, all or any portion of the land within the Town hereinafter described, any interests or easements therein, and any rights or easements of way or otherwise as appurtenant thereto and subject to or with any reservations of any rights or easements therein, determine in what manner the money shall be raised and expended; or take any action relating to any or all of the foregoing.

Said land is bounded and described as follows:

First Section — Beginning at a point on the northwesterly side line of Medford Street, said point being 138.0 feet northeasterly of the point of intersection of the northeasterly side line of Mass. Avenue and the northwesterly side line of Medford Street, thence northwesterly through land now or formerly of Myerson and now or formerly of Webb on a line 10 feet southwesterly of the northeasterly boundary line of said properties a distance of 145.09 feet to a point of curve, thence northwesterly and northerly through said land of Webb on a curve to the right with a radius of 44.5 feet a distance of 30.42 feet to the northerly corner of said land now or formerly of Webb, thence southeasterly on the northeasterly boundary line of said properties of Webb and Myerson a distance of 173.20 feet to a point on the northwesterly side line of Medford Street, thence southwesterly on said northwesterly side line of Medford Street, a distance of 10.0 feet to the point of beginning and containing 1246 square feet from land of Myerson and 397 square feet from land of Webb.

Second Section — Beginning at a point on the division line between land now or formerly of Goode and the Russell Common at the Russell School property, thence southwesterly by said land now or formerly of Goode a distance of 18 feet more or less to the northerly corner of land now or formerly of Webb, thence northerly and northeasterly through said land of Goode on a curve to the right with a radius of 44.5 feet a distance of 20 feet more or less to a point on the division line between said land of Goode and the Russell Common, thence southeasterly on said division line a distance of 12 feet more or less to the point of beginning and containing approximately 110 square feet.

(Inserted at the request of the Arlington Development Commission)

Article 24. To see if the Town will authorize the Board of Selectmen to relocate a portion of Mystic Street, from a point opposite Pleasant Street to Chestnut Street and to abandon the present public portion of Mystic Street, between Massachusetts Avenue and Chestnut Street; and to widen Chestnut Street, from Mystic Street to Medford Street by laying out and altering the lines of these ways or by petition to the proper departments of the Commonwealth of Massachusetts and the County of Middlesex, or both, and to take any and all such action as may be required, in order that such land, as may be necessary, may be taken and the streets altered, relocated or constructed for the improvement and control of traffic flow in said area; or take any action relating to all or any of the foregoing.

(Inserted at the request of the Arlington Development Commission)

Article 25. To see if the Town will acquire by purchase, eminent domain or otherwise for the purpose of relocating a portion of Mystic Street and of providing off-street parking, all or any portion of the land within the Town (with or without the buildings thereon) hereinafter described, any interests or easements therein, and any rights or easements of way or otherwise as appurtenant thereto, and subject to or with any reservations of any rights, or easements therein; determine in what manner the money shall be raised and expended; or take any action relating to all or any of the foregoing.

Said land is bounded and described as follows:

Beginning at a point on the northwesterly side line of Mystic Street, at the northeasterly boundary line of premises #44 Mystic Street, thence southwesterly on said northwesterly side line of Mystic Street, distances of 86 feet more or less and 56 feet more or less to a point on the northwesterly side line of Mystic Street, at the southwesterly boundary line of premises #40 Mystic Street, thence northwesterly by said southwesterly boundary line of premises #40 Mystic Street, a distance of 140.81 feet to an angle point, thence northeasterly by Lot A, a distance of 39.27 feet to an angle point, thence southeasterly by Lot 8 and Parts 9 & 10 a distance of 59.19 feet to an angle point, thence northeasterly by said Lot 8 and Parts 9 & 10, a distance of 70.29 feet to an angle point, thence southeasterly on the northeasterly boundary line of premises #44 Mystic Street, a distance of 95.18 feet to the point of beginning and containing approximately 14,869 sq. ft. and being the remaining portion of land owned now or formerly by Annie D. Holbrook and Charlotte H. Page and recorded in the Registry of Deeds, Book 7002.199, and land owned now or formerly by Harold P. and Esther I. Nickerson, and recorded in the Registry of Deeds Book 7858-551.

(Inserted at the request of the Arlington Development Commission)

Article 26. To see if the Town will authorize the Board of Selectmen to alter the plan of Winslow Street, from Mystic Street to Russell Terrace, by taking the necessary legal procedure to approve the widening of said way as recommended by the Arlington Development Commission; to lay out such way in preparation for its acceptance and construction contingent upon such widening and to take any and all such action as may be required, in order that such land as may be necessary, may be taken and the street altered or constructed for the improvement and control of traffic flow in said area; or take any action relating thereto.

(Inserted at the request of the Arlington Development Commission)

Article 27. To see if the Town will authorize the Board of Selectmen to establish Board of Survey lines for a new way from Russell Terrace to Mill Street, said way being an extension of Winslow Street and recommended by the Arlington Development Commission; to lay out such way in preparation for its acceptance and construction and to take any and all such actions as may be expedient in order that such land and buildings as may be necessary, may be taken and the street constructed for the improvement and control of traffic flow in said area; or take any action relating thereto.

(Inserted at the request of the Arlington Development Commission)

Article 28. To see if the town will amend its zoning by-law by altering the zoning map therein referred to so as to include in the Business "A" District all or any part of the area now included in land owned by the Town of Arlington for Park purposes and located on Summer Street, bounded and described as follows:

Beginning at a point on the southerly side line of Summer Street, at the division line between land now or formerly of Malcolm G. Stevens, Trustee, and land now of the Town of Arlington, thence easterly on said southerly side line of Summer Street, by various courses and curves a distance of 497 feet, more or less, to a point, thence south-

westerly on a curve with a radius of 560 feet a distance of 298 feet more or less, to a point on the northerly corner of property now or formerly of R. Wendell Wood, thence westerly, a distance of 40 feet along property now or formerly of R. Wendell Wood to an angle point, thence northwesterly a distance of 95.15 feet along property now or formerly of the Boston & Maine Railroad to an angle point, thence northerly a distance of 61.58 feet to an angle point along property now or formerly of Boston & Maine Railroad, thence northwesterly a distance of 68.20 feet to an angle point along property now or formerly of Boston & Maine Railroad, thence westerly a distance of 71.33 feet along property now or formerly of Boston & Maine Railroad, thence northwesterly a distance of 213 feet to an angle point along property now or formerly of Boston & Maine Railroad, thence northerly a distance of 51.40 feet to an angle point along property now or formerly of the Boston & Maine Railroad, thence northeasterly a distance of 152.5 feet to an angle point along property now or formerly of Malcolm G. Stevens, Trustee, thence northerly a distance of 100 feet along property of said Malcolm G. Stevens, Trustee, to the point of beginning and containing about 150,000 square feet, more or less, as shown on two plans on file in the office of the Town Engineer, Arlington, Massachusetts; one entitled "Plan of Land in Arlington, Massachusetts, Taken for Park Purposes, Scale 1″=40′, April, 1933, James M. Keane, Town Engineer", and another entitled "Copy of Plan of Fowles Pond, Arlington, Massachusetts, Scale 1″=40′, January, 1930, James M. Keane, Town Engineer".

(Inserted at the request of the Arlington Development Commission)

Article 29. To see if the Town will petition the General Court for authority to sell, convey, or otherwise dispose of the parcel of land hereinafter described, which is now part of the public parks within the Town; or take any action relating thereto.

Said land is bounded and described as follows:

Beginning at a point on the southerly side line of Summer Street, at the division line between land now or formerly of Malcolm G. Stevens, Trustee, and land now of the Town of Arlington, thence easterly on said southerly side line of Summer Street, by various courses and curves a distance of 497 feet, more or less, to a point, thence southwesterly on a curve with a radius of 560 feet a distance of 298 feet more or less, to a point on the northerly corner of property now or formerly of R. Wendell Wood, thence westerly, a distance of 40 feet along property now or formerly of R. Wendell Wood to an angle point, thence northwesterly a distance of 95.15 feet along property now or formerly of the Boston & Maine Railroad to an angle point, thence northerly a distance of 61.58 feet to an angle point along property now or formerly of Boston & Maine Railroad, thence northwesterly a distance of 68.20 feet to an angle point along property now or formerly of Boston & Maine Railroad, thence westerly a distance of 71.33 feet along property now or formerly of Boston & Maine Railroad, thence northwesterly a distance of 213 feet to an angle point along property now or formerly of Boston & Maine Railroad, thence northerly a distance of 51.40 feet to an angle point along property now or formerly of the Boston & Maine Railroad, thence northeasterly a distance of 152.5 feet to an angle point along property now or formerly of Malcolm G. Stevens, Trustee, thence northerly a distance of 100 feet along property of said Malcolm G. Stevens,

Trustee, to the point of beginning and containing about 150,000 square feet, more or less, as shown on two plans on file in the office of the Town Engineer, Arlington, Massachusetts; one entitled "Plan of Land in Arlington, Massachusetts, Taken for Park Purposes, Scale 1"=40', April, 1933, James M. Keane, Town Engineer", and another entitled "Copy of Plan of Fowles Pond, Arlington, Massachusetts, Scale 1"=40', January, 1930, James M. Keane, Town Engineer".

(Inserted at the request of the Arlington Development Commission)

Article 30. To see if the Town will amend its Zoning By-Law by altering the zoning map therein referred to so as to include in the Industrial District all or any part of the area now included in land owned by the Town of Arlington for Park purposes and located on summer Street, bounded and described, as follows:

Beginning at the point of intersection of the southwesterly side line of Summer Street and the northwesterly side line of Washington Street, thence southeasterly and southerly on said northwesterly side line of Washington Street, on a curve to the right with a radius of 24.9 feet a distance of 28.86 feet to a point of tangency, thence southerly on said northwesterly side line of Washington Street, a distance of 225 feet more or less to a point on said northwesterly side line of Washington Street, at land now or formerly of Henrietta F. Hill, thence westerly by said land now or formerly of Henrietta F. Hill, a distance of 240.0 feet to an angle point, thence southerly by said land now or formerly of Henrietta F. Hill, a distance of 128 feet more or less to the northeasterly side line of the Boston and Maine Railroad, thence northwesterly on said northeasterly side line of the Boston and Maine Railroad a distance of 730 feet to a point, thence northeasterly through land of Town of Arlington, a distance of 300 feet more or less to a point on the southwesterly side line of Summer Street, thence southeasterly on said southwesterly side line of Summer Street, on a curve to the left with a radius of 1663.56 feet a distance of 537.4 feet to a point of tangency, thence southeasterly on said southwesterly side line of Summer Street, a distance of 172.34 feet to the point of beginning and containing approximately 6 acres, as shown on a plan on file in the office of the Town Engineer, Arlington, Massachusetts, entitled "Plan of Land in Arlington, Mass., Scale 1 inch=60 feet, Jan. 11, 1945, James M. Keane, Town Engineer."

(Inserted at the request of the Arlington Development Commission)

Article 31. To see if the Town will petition the General Court for authority to sell, convey or otherwise dispose of the parcel of land hereinafter described, which is now part of the public parks within the town; or take any action relating thereto.

Said parcel is bounded and described as follows:

Beginning at the point of intersection of the southwesterly side line of Summer Street and the northwesterly side line of Washington Street, thence southeasterly and southerly on said northwesterly side line of Washington Street, on a curve to the right with a radius of 24.9 feet a distance of 28.86 feet to a point of tangency, thence southerly on said northwesterly side line of Washington Street, a distance of 225 feet more or less to a point on said northwesterly side line of Washington Street, at land now or formerly of Henrietta

F. Hill, thence westerly by said land now or formerly of Henrietta F. Hill, a distance of 240.0 feet to an angle point, thence southerly by said land now or formerly of Henrietta F. Hill, a distance of 128 feet more or less to the northeasterly side line of the Boston and Maine Railroad, thence northwesterly on said northeasterly side line of the Boston and Maine Railroad a distance of 730 feet to a point, thence northeasterly through land of Town of Arlington, a distance of 300 feet more or less to a point on the southwesterly side line of Summer Street, thence southeasterly on said southwesterly side line of Summer Street, on a curve to the left with a radius of 1663.56 feet a distance of 537.4 feet to a point of tangency, thence southeasterly on said southwesterly side line of Summer Street, a distance of 172.34 feet to the point of beginning and containing approximately 6 acres, as shown on a plan on file in the office of the Town Engineer, Arlington, Massachusetts, entitled "Plan of Land in Arlington, Mass., Scale 1 inch=60 feet, Jan. 11, 1945, James M. Keane, Town Engineer."

(Inserted at the request of the Arlington Development Commission)

Article 32. To see if the Town will make an appropriation to pave the Municipal Parking Area; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 33. To see if the Town will make an appropriation for the construction of islands, bumpers or other protective devices necessary for the parking of motor vehicles in the Municipal Parking Area; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 34. To see if the Town will vote to amend Section 9 of Article 2 of the By-Laws by adding the following sentence at the end of said Section:

> "provided, however, that a majority vote of the Town Meeting Members present and voting at a Town Meeting duly called, a quorum being present, shall be sufficient to adopt, amend, modify or repeal a Town By-Law, excepting in instances where a vote greater than a majority is required by the General Laws of Massachusetts" so that said Section 9 of Article 2 of the By-Laws will read as follows:

Section 9. The duties of the Moderator, and the government of the Town Meeting, not specially provided for by law, or by the foregoing rules, shall be determined by the rules of practice contained in Robert's Rules of Order revised, (Seventy-Fifth Anniversary Edition), so far as they are adapted to the condition and powers of the Town, provided, however, that a majority vote of the Town Meeting Members present and voting at a Town Meeting duly called, a quorum being present, shall be sufficient to adopt, amend, modify or repeal a Town By-Law, excepting in instances where a vote greater than a majority is required by the General Laws of Massachusetts.

Article 35. To make appropriations to defray Town obligations, liabilities, outlay and expenses and especially for or relating to all or any of the boards, departments, purposes and matters hereinafter mentioned, and to provide for the disposal of motor vehicles and other personal property belonging to the Town; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Finance Committee; Board of Selectmen; Town Manager; Purchasing Agent; Maintenance Department; Accountant; Town Treasurer and Collector of Taxes Department; Assessors' Department; Legal Department; Claims; Town Clerk's Department; Vital Statistics; Public Works Department; Engineering Department; Elections and Town Meetings; Planning Board; Board of Survey; Robbins Memorial Town Hall; Town House Grounds Department; Police Department; Parking Meters; Fire Department; Fire and Police Signal System; Building, Plumbing and Gas Inspection; Boards of Appeals (Building and Zoning); Wire Department; Sealer of Weights and Measures; Gypsy and Brown Tail Moth Suppression; Tree Warden's Department; Health Department; Inspector of Animals; Sewerage System Maintenance; Removal of Ashes, Offal and Rubbish; Highway Division; Snow and Ice Removal; Lighting of Streets and Ways; Traffic Signals; Public Welfare Department; Aid to Dependent Children; Old Age Assistance; Disability Assistance; District or Other Nurses; Veterans' Benefits; Schools; Robbins Library and Branches; Parks; Playgrounds; Pensions (non-contributory); Contributory Retirement System; Memorial Day; Patriots' Day; Printing Town Reports; Insurance; Workmen's Compensation Insurance Funds; Municipal Insurance Fund; Reserve Fund; Maintenance of Menotomy Hall and Houses Owned by the Town; Water Department Maintenance; Cemeteries; Interest; Debt; Sinking Fund; Personnel Board; Civil Defense.

Article 36. To see if the Town will make an appropriation for the construction of an overpass to provide ingress and egress to and from Reservoir Field, from and to Massachusetts Avenue; determine in what manner the money shall be raised and expended; or take any action relating to any or all of the foregoing.

(Inserted at the request of the Committee to study entrances at the Arlington Heights Reservoir Beach and Playground)

Article 37. To see if the Town will petition the General Court for authority to sell, convey or otherwise dispose of the parcel of land hereinafter described, which is now part of the public parks within the Town, to the Arlington Housing Authority for the use of the said Housing Authority to erect buildings for housing for aged citizens of Arlington; and will vote to authorize and direct the Board of Selectmen to sell, convey or otherwise dispose of said parcel to the Arlington Housing Authority for said use as above described; or take any action relating thereto.

Said parcel of land is bounded and described as follows:

Beginning at a point on northerly boundary of land belonging to the Boston & Maine Railroad at the intersection of land in Lexington and land of the Town of Arlington; thence easterly on said northerly side line of land belonging to the Boston & Maine Railroad a distance of 400 feet more or less to an angle point; then northeasterly a dis-

tance of 160 feet more or less to a point; thence northeasterly again a distance of 160 feet more or less to an angle point; thence northwesterly 50 feet more or less to a point; thence northwesterly 120 feet more or less to a point on the south bank of Mill Brook; thence northwesterly again 190 feet more or less to an angle point on the Lexington line; thence southwesterly along said Lexington Town Line 620 feet to the point of beginning and containing about 155,100 square feet more or less as shown on plan of land on file with the office of the Town Engineer, Arlington, Mass., and entitled, "Study Plan — Reservoir, Playground & Vicinity — Scale 1″=80′ — January 1955 — James M. Keane, Town Engineer."

(Inserted at the request of the Arlington Housing Authority)

Article 38. To see if the Town will amend its zoning by-laws by altering the zoning map therein referred to so as to include in the Residence C District all or any part of the area now included in land owned by the Town of Arlington for park purposes and located between Mill Brook, Boston & Maine Railroad and the Lexington Town Line, bounded and described as follows:

Beginning at a point on northerly boundary of land belonging to the Boston & Maine Railroad at the intersection of land in Lexington and land of the Town of Arlington; thence easterly on said northerly side line of land belonging to the Boston & Maine Railroad a distance of 400 feet more or less to an angle point; then northeasterly a distance of 160 feet more or less to a point; thence northeasterly again a distance of 160 feet more or less to an angle point; thence northwesterly 50 feet more or less to a point; thence northwesterly 120 feet more or less to a point on the south bank of Mill Brook; thence northwesterly again 190 feet more or less to an angle point on the Lexington Line; thence southwesterly along said Lexington Town Line 620 feet to the point of beginning and containing about 155,100 square feet more or less as shown on plan of land on file with the office of the Town Engineer, Arlington, Mass., and entitled, "Study Plan — Reservoir Playground & Vicinity — Scale 1″=80′ — January 1955 — James M. Keane, Town Engineer."

(Inserted at the request of the Arlington Housing Authority)

Article 39. To see if the Town will make an appropriation for the Extension of the Sewerage System; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 40. To see if the Town will make an appropriation for the Extension of Water Mains; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 41. To see if the Town will make an appropriation for the Extension of Storm Drains; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 42. To see if the Town will make an appropriation for Improvement of Volume and Pressure — Water System; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 43. To see if the Town will make an appropriation for the construction and installation of sidewalks and edgestones; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 44. To see if the Town will make an appropriation for the reconstruction and maintenance of permanent sidewalks and resetting of edgestones upon the public ways of the Town; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 45. To see if the Town will make an appropriation for the extension of a surface drain in Cemetery Street, Town-owned land, and Garden Street; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 46. To see if the Town will make an appropriation for paving a portion of Town-owned land adjacent to the Old Town Hall for off-street parking purposes; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 47. To see if the Town will make an appropriation for the installation of pedestrian actuated traffic signals on Massachusetts Avenue at Appleton Street; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 48. To see if the Town will make an appropriation for the relocation, alteration and widening, construction of, specific repairs upon and improvement of all or any parts of Pleasant Street and Park Avenue, within the town as now existing or hereafter relocated, altered and widened, including land damages, if any, under the provisions of law authorizing the assessment of betterments or otherwise; said appropriation to be used with any sum or sums which may be allotted by the Commonwealth or County of Middlesex, or both, for such purpose or purposes; determine in what manner the money shall be raised and expended; or take any action in any way relative to all or any of the foregoing.

Article 49. To see if the Town will accept the laying out of a Town way from Massachusetts Avenue to Hobbs Court, substantially in the location of the private way known as Quinn Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at point of intersection of the northeasterly side line of Massachusetts Avenue, and the northwesterly side line of Quinn Road, thence northeasterly on said northwesterly side line of Quinn Road, a distance of 306.23 feet to an angle point, thence southeasterly on the northeasterly side line of Quinn Road, a distance of 192.95 feet to an angle point, thence southeasterly on said northeasterly side line of Quinn Road, a distance of 104.51 feet to a point of curve, thence southeasterly, easterly and northeasterly on said northeasterly side

line of Quinn Road, on a curve to the left with a radius of 20 feet, a distance of 28.53 feet to the point of intersection of said northeasterly side line of Quinn Road, and the northwesterly side line of Hobbs Court, thence southwesterly on said northwesterly side line of Hobbs Court, a distance of 65.68 feet to the point of intersection of said northwesterly side line of Hobbs Court, and the southwesterly side line of Quinn Road, thence northeasterly, northerly and northwesterly on said southwesterly side line of Quinn Road, on a curve to the left with a radius of 20 feet a distance of 34.29 feet to a point of tangency, thence northwesterly on said southwesterly side line of Quinn Road, a distance of 94.90 feet to an angle point, thence northwesterly on said southwesterly side line of Quinn Road, a distance of 156.40 feet to an angle point, thence southwesterly on the southeasterly side line of Quinn Road, a distance of 266.33 feet to a point of curve, thence southwesterly, southerly and southeasterly on said southeasterly side line of Quinn Road, on a curve to the left with a radius of 20 feet a distance of 32.19 feet to the point of intersection of said southeasterly side line of Quinn Road, and the northeasterly side line of Massachusetts Avenue, thence northwesterly on said northeasterly side line of Massachusetts Avenue, a distance of 60.82 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled "Board of Survey Plan & Profile of Quinn Road, Arlington, Mass., Scales Hor. 1″=40′, Vert. 1″=6′, December, 1956, C. S. Prince, Eng., Arlington".

Article 50. To see if the Town will accept the laying out of a Town way from Washington Street to Gorham Street, substantially in the location of the private way known as Crawford Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of the law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the westerly side line of Washington Street, and the southerly side line of Crawford Street, thence northerly, northwesterly and westerly on said southerly side line of Crawford Street, on a curve to the left with a radius of 15.10 feet a distance of 20.82 feet to a point of tangency, thence westerly on said southerly side line of Crawford Street, a distance of 305.99 feet to a point of curve, thence westerly and southwesterly on said southerly side line of Crawford Street, on a curve to the left with a radius of 39.57 feet a distance of 37.04 feet to the point of intersection of said southerly side line of Crawford Street, and the southeasterly side line of Gorham Street, thence northeasterly on said southeasterly side line of Gorham Street, a distance of 103.67 feet to the point of intersection of said southeasterly side line of Gorham Street, and the northerly side line of Crawford Street, thence southwesterly, southerly and southeasterly on said northerly side line of Crawford Street, on a curve to the left with a radius of 17.18 feet a distance of 37.89 feet to a point of tangency, thence southeasterly on said northerly side line of Crawford Street, a distance of 246.58 feet to a point of curve, thence easterly and northeasterly on said northerly side line of Crawford Street, on a curve to the left with a radius of 15.28 feet a distance of 28.07 feet to the point of intersection of

said northerly side line of Crawford Street, and the westerly side line of Washington Street, thence southerly on said westerly side line of Washington Street, on a curve to the right with a radius of 817.41 feet a distance of 74.50 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Crawford Street, Brattle Heights, Arlington, Horizontal Scale 40 ft. = 1 inch, Verticle Scale 6 ft. = 1 inch, May 1917, Ernest W. Branch, Civil Engineer, Boston, Quincy."

Article 51. To see if the Town will accept the laying out of a Town way from Washington Street to Candia Street, substantially in the location of the private way known as Gorham Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the westerly side line of Washington Street, and the southerly side line of Gorham Street thence northwesterly and westerly on said southerly side line of Gorham Street, on a curve to the left with a radius of 15 feet a distance of 26.56 feet to a point of tangency, thence westerly on said southerly side line of Gorham Street, a distance of 75.0 feet to a point of curve, thence westerly and southwesterly on said southerly side line of Gorham Street, on a curve to the left with a radius of 81.15 feet a distance of 54.37 feet to a point of tangency, thence southwesterly on the southeasterly side line of Gorham Street, a distance of 401.57 feet to the point of intersection of said southeasterly side line of Gorham Street, and the northeasterly side line of Candia Street, thence northwesterly across said Gorham Street, a distance of 41 feet more or less to the point on the northwesterly side line of Gorham Street, at the division line between lots 145 and lot 144, thence northeasterly on said northwesterly side line of Gorham Street, a distance of 391.84 feet to a point of curve, thence northeasterly and easterly on said northwesterly side line of Gorham Street, on a curve to the right with a radius of 121.15 feet a distance of 81.16 feet to a point of tangency, thence easterly on said northerly side line of Gorham Street, a distance of 75.0 feet to a point of curve, thence easterly and northeasterly on said northerly side line of Gorham Street, on a curve to the left with a radius of 15 feet a distance of 23.56 feet to the point of intersection of said northerly side line of Gorham Street, and the westerly side line of Washington Street thence southerly on said westerly side line of Washington Street, a distance of 70.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Gorham Street, Brattle Heights, Arlington, Horizontal Scale 40 ft. to an inch, Vertical Scale 6 ft. to an inch, May, 1917, Ernest W. Branch, Civil Engineer, Boston, Quincy."

Article 52. To see if the Town will accept the laying out of a Town way from Summer Street to Brattle Terrace, substantially in the location of the private way known as Washington Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southwesterly side line of Summer Street and the southeasterly side line of Washington Street, thence northerly, westerly and southwesterly on said southeasterly side line of Washington Street on a curve to the left with a radius of 60.44 feet a distance of 124.09 feet to a point of tangency, thence southwesterly on said southeasterly side line of Washington Street a distance of 138.73 feet to the point of intersection of said southeasterly side line of Washington Street and the extension of the southwesterly side line of Brattle Terrace, thence northwesterly across Washington Street a distance of 43.67 feet to a point on the northwesterly side line of Washington Street, thence northeasterly on said northwesterly side line of Washington Street a distance of 221.67 feet to a point of curve, thence northerly and northwesterly on said northwesterly side line of Washington Street on a curve to the left with a radius of 24.9 feet a distance of 28.86 feet to the point of intersection of said northwesterly side line of Washington Street and the southwesterly side line of Summer Street, thence southeasterly on said southwesterly side line of Summer Street on a curve to the right with a radius of 2366.55 feet a distance of 161.30 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan of Washington Street Petitioned For By Jacob Binnig Showing Proposed Lines and Grades Made By C. H. Gannett, C. E. Scales Hor. 40′ & 6′ = 1″ Sept. 9, 1907."

Article 53. To see if the Town will accept the laying out of a Town way from Washington Street to its end, substantially in the location of the private way known as Brattle Terrace, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southeasterly side line of Washington Street and the northeasterly side line of Brattle Terrace, thence southerly and southeasterly on said northeasterly side line of Brattle Terrace on a curve to the left with a radius of 50 feet a distance of 54.54 feet to a point of tangency, thence southeasterly on said northeasterly side line of Brattle Terrace a distance of 325.75 feet to a point of curve, thence southeasterly on said northeasterly side line of Brattle Terrace on a curve to the left with a radius of 30 feet a distance of 17.55 feet to a point of reverse curve, thence southeasterly, southerly, easterly

and northerly on a curve to the right connecting said northeasterly side line of Brattle Terrace with the southwesterly side line of Brattle Terrace with a radius of 30 feet a distance of 129.38 feet to a point of reverse curve, thence northerly and northwesterly on said southwesterly side line of Brattle Terrace on a curve to the left with a radius of 30 feet a distance of 17.55 feet to a point of tangency, thence northwesterly on said southwesterly side line of Brattle Terrace a distance of 302.31 feet to a point of curve thence northwesterly and westerly on said southwesterly side line of Brattle Terrace on a curve to the left with a radius of 20 feet a distance of 20.51 feet to the point of intersection of said southwesterly side line of Brattle Terrace and the southeasterly side line of Washington Street, thence northerly on said southeasterly side line of Washington Street a distance of 18.55 feet to an angle point, thence northeasterly on said southeasterly side line of Washington Street a distance of 75.44 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Brattle Terrace, Arlington, Mass. Scales Hor. 1″=40′ Ver. 1″=6′ Aug. 28, 1928, Fred A. Joyce, Surveyor."

Article 54. To see if the Town will accept the laying out of a Town way from Lowell Street to its end, substantially in the location of the private way known as Nourse Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southwesterly side line of Lowell Street, and the southeasterly side line of Nourse Street, thence southwesterly on said southeasterly side line of Nourse Street, a distance of 349.1 feet to the point of intersection of said southeasterly side line of Nourse Street, and the northeasterly side line of the Boston & Maine Railroad, thence northwesterly on said northeasterly side line of the Boston & Maine Railroad, a distance of 41 feet more or less to the point of intersection of said northeasterly side line of the Boston & Maine Railroad, and the northwesterly side line of Nourse Street, thence northeasterly on said northwesterly side line of Nourse Street, a distance of 364.6 feet to the point of intersection of said northwesterly side line of Nourse Street, and the southwesterly side line of Lowell Street, thence southeasterly on said southwesterly side line of Lowell Street, on a curve to the left with a radius of 500.0 feet a distance of 41 feet more or less to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Nourse Street and Reservoir Road, Arlington Heights, Mass., Petitioned For By E. B. Nourse, Scale Hor. 1″=40′, Ver. 1″=6′, December 10, 1915, C. H. Gannett, C. E., 53 State Street, Boston, Mass."

Article 55. To see if the Town will accept the laying out of a Town way from Nourse Street to its end, substantially in the location of the private way known as Reservoir Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of better-

ments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follcws:

Beginning at the point of intersection of the northwesterly side line of Nourse Street, and the southwesterly side line of Reservoir Road, thence northwesterly on said southwesterly side line of Reservoir Road, a distance of 241.5 feet to a point, thence northeasterly across said Reservoir Road, a distance of 41 feet more or less to a point on the northeasterly side line of Reservoir Road, thence southeasterly on said northeasterly side line of Reservoir Road, a distance of 232.2 feet to the point of intersection of said northeasterly side line of Reservoir Road, and the northwesterly side line of Nourse Street, thence southwesterly on said northwesterly side line of Nourse Street, a distance of 40.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Nourse Street and Reservoir Road, Arlington Heights, Mass., Petitioned For By E. B. Nourse, Scale Hor. 1"=40', Ver. 1"=5', December 10, 1915, C. H. Gannett, C. E., 53 State Street, Boston, Mass."

Article 56. To see if the Town will accept the laying out of a Town way from Summer Street to Forest Street, substantially in the location of the private way known as Sunset Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northerly side line of Summer Street, and the northwesterly side line of Sunset Road, thence easterly and northeasterly on said northwesterly side line of Sunset Road, on a curve to the left with a radius of 18.94 feet a distance of 21.05 to the point of reverse curve, thence northeasterly on said northwesterly side line of Sunset Road, on a curve to the right with a radius of 250.99 feet a distance of 130.67 feet to a point of tangency, thence northeasterly on said northwesterly side line of Sunset Road, a distance of 224.28 feet to the point of intersection of said northwesterly side line of Sunset Road, and the westerly side line of Forest Street, thence southerly on said westerly side line of Forest Street, a distance of 40.0 feet to the point of intersection of said westerly side line of Forest Street, and the southeasterly side line of Sunset Road, thence southwesterly on said southeasterly side line of Sunset Road, a distance of 224.28 feet to a point of curve, thence southwesterly on said southeasterly side line of Sunset Road, on a curve to the left with a radius of 210.99 feet a distance of 86.26 feet to a point of compound curve, thence southwesterly, southerly and southeasterly on said southeasterly side line of Sunset Road, on a curve to the left with a radius of 8.65 feet a distance of 18.62 feet to the point of intersection of said southeasterly side line of Sunset Road, and the northerly side line of Summer Street, thence northwesterly on said northerly side line of Summer Street, a distance of 70.0 feet more or less to the point of beginning as shown on a plan on file in the

office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Sunset Road, Arlington, Mass., Showing Proposed Lines and Grades, Petitioned For By Jennie M. Varney, Scale Hor. 1″=40′, Ver. 1′ = 6″, July, 1915, C. H. Gannett, C. E., 53 State Street, Boston, Mass."

Article 57. To see if the Town will accept the laying out of a Town way from Wollaston Avenue to Appleton Street, substantially in the location of the private way known as West Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southerly side line of Wollaston Avenue, and the easterly side line of West Street, thence southerly on said easterly side line of West Street, a distance of 441.01 feet to the point of intersection of said easterly side line of West Street, and the northerly side line of Appleton Street, thence westerly on said northerly side line of Appleton Street, on a curve to the left with a radius of 233.61 feet, a distance of 50.11 feet to the point of intersection of said northerly side line of Appleton Street, and the westerly side line of West Street, thence northerly on said westerly side line of West Street, a distance of 437.10 feet to the point of intersection of said westerly side line of West Street, and the southerly side line of Wollaston Avenue, thence easterly on said southerly side line of Wollaston Avenue, a distance of 50.77 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled "Plan & Profile of West Street, Petitioned For By E. A. Snow, et al, Showing Proposed Lines and Grades made by C. H. Gannett, C. E., Scales 40′ and 6′=1″, May 25, 1910".

Article 58. To see if the Town will accept the laying out of a Town way from Oak Hill Drive to Saratoga Road, substantially in the location of the private way known as Joyce Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southerly side line of Oak Hill Drive, and the northwesterly side line of Joyce Rd., thence southeasterly and southerly on said northwesterly side line of Joyce Rd., on a curve to the left with a radius of 25 feet a distance of 39.27 feet to a point of compound curve, thence southerly and southeasterly on said northwesterly side line of Joyce Road, on a curve to the left with a radius of 118.13 feet a distance of 132.79 feet to a point of tangency, thence southeasterly on said northwesterly side line of Joyce Road, a distance of 243.01 feet to a point of curve, thence easterly and northeasterly on said northwesterly side line of Joyce Rd., on a curve to the left with a radius of 92.0 feet a distance of 93.19 feet to a point of tangency, thence northeasterly on said northwesterly side

line of Joyce Road, a distance of 208.34 feet to a point of curve, thence northeasterly, northerly and northwesterly on said northwesterly side line of Joyce Road, on a curve to the left with a radius of 25 feet a distance of 42.25 feet to the point of intersection of said northwesterly side line of Joyce Road, and the southwesterly side line of Saratoga Road, thence southeasterly on said southwesterly side line of Saratoga Road, a distance of 90.64 feet to the point of intersection of said southwesterly side line of Saratoga Road, and the southeasterly side line of Joyce Road, thence northwesterly, westerly and southwesterly on said southeasterly side line of Joyce Road, on a curve to the left with a radius of 25 feet a distance of 36.28 feet to a point of tangency, thence southwesterly on said southeasterly side line of Joyce Road, a distance of 219.14 feet to a point of curve, thence southwesterly and westerly on said southeasterly side line of Joyce Road, on a curve to the right with a radius of 132.0 feet a distance of 133.66 feet to a point of tangency, thence northwesterly on said southeasterly side line of Joyce Road, a distance of 250.01 feet to a point of curve, thence northwesterly on said southeasterly side line of Joyce Road, on a curve to the right with a radius of 158.13 feet a distance of 177.76 feet to a point of reverse curve, thence northwesterly and westerly on said southeasterly side line of Joyce Road, on a curve to the left with a radius of 25 feet a distance of 39.27 feet to the point of intersection of said southeasterly side line of Joyce Road, and the southerly side line of Oak Hill Drive, thence easterly on said southerly side line of Oak Hill Drive, a distance of 90.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Joyce Rd., Arlington, Mass., Scales Hor. 1″=40′, Ver. 1″=6′, Nov. 9, 1945, Fred A. Joyce, Surveyor".

Article 59. To see if the Town will accept the laying out of a Town way from Joyce Road to its end, substantially in the location of the private way known as Ivy Circle, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southerly side line of Joyce Road, and the easterly side line of Ivy Circle, thence southwesterly on said easterly side line of Ivy Circle, on a curve to the left with a radius of 25 feet a distance of 39.27 feet to a point of compound curve, thence southwesterly and southerly on said easterly side line of Ivy Circle, on a curve to the left with a radius of 246.67 feet a distance of 165.57 feet to a point of tangency, thence southeasterly on said easterly side line of Ivy Circle, a distance of 11.67 feet to a point of curve, thence southeasterly and easterly on said easterly side line of Ivy Circle, on a curve to the left with a radius of 40 feet a distance of 41.89 feet to a point of reverse curve, thence southeasterly, southerly, westerly, and northwesterly on a curve with a radius of 40 feet connecting said easterly side line of Ivy Circle, with the westerly side line of Ivy Circle, a distance of 167.55 feet to a point of tangency, thence northwesterly on said westerly side line of Ivy Circle, a distance of 80.95 feet to a point of curve, thence northwesterly, northerly and northeasterly on said westerly side line of Ivy Circle, on a curve to the right with a radius

of 286.67 feet a distance of 192.43 feet to a point of reverse curve, thence northerly and northwesterly on said westerly side line of Ivy Circle, on a curve to the left with a radius of 25.18 feet a distance of 38.44 feet to the point of intersection of said westerly side line of Ivy Circle, and the southerly side line of Joyce Road, thence southeasterly on said southerly side line of Joyce Road, a distance of 90.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Ivy Circle, Arlington, Mass., Scales Hor. 1″=40′, Ver. 1″=6′, Nov. 9, 1945, Fred A. Joyce, Surveyor".

Article 60. To see if the Town will accept the laying out of a Town way from Quincy Street to Burton Street, substantially in the location of the private way known as Appleton Place, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southeasterly side line of Burton Street, and the northeasterly side line of Appleton Place, at the end of the present accepted portion of Appleton Place, thence southeasterly on said northeasterly side line of Appleton Place, on a curve to the left with a radius of 321.96 feet a distance of 89.63 feet to a point of tangency, thence southeasterly on said notheasterly side line of Appleton Place, a distance of 225.55 feet to an angle point, thence continuing southeasterly on said northeasterly side line of Appleton Place, a distance of 228.23 feet to the point of intersection of said northeasterly side line of Appleton Place, and the northerly side line of Quincy Street, thence westerly on said northerly side line of Quincy Street, a distance of 5.17 feet to a point of curve, thence westerly and southwesterly on said northerly side line of Quincy Street, on a curve to the left with a radius of 210.10 feet a distance of 59.10 feet to the point of intersection of said northerly side line of Quincy Street, and the southwesterly side line of Appleton Place, thence northeasterly, northerly and northwesterly on said southwesterly side line of Appleton Place, on a curve to the left with a radius of 19.75 feet, a distance of 33.15 feet to a point of tangency, thence northwesterly on said southwesterly side line of Appleton Place, a distance of 192.08 feet to an angle point, thence continuing northwesterly on said southwesterly side line of Appleton Place, a distance of 225.75 feet to a point of curve, thence northwesterly on said southwesterly side line of Appleton Place, on a curve to the right with a radius of 361.96 feet a distance of 100.77 feet to a point of said southwesterly side line of Appleton Place, at the present end of the accepted portion of Appleton Place, thence northeasterly across at Appleton Place, and by the end of the present accepted portion of Appleton Place, a distance of 40.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled "Plan & Profile of Appleton Place, Arlington, Mass., Scales Hor. 1″=40′ Ver. 1″=6′, Jan. 1953, James M. Keane, Town Engineer".

Article 61. To see if the Town will make an appropriation under the provisions of law authorizing the assessment of betterments, for the original construction of public ways in the Town, the laying out

of which is accepted at this meeting, including land damages and the cost of payment and sidewalks laid at the time of said construction; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 62. To see if the Town will authorize the acquisition by purchase, eminent domain or otherwise of any land easements or rights therein, including an easement or easements in land adjoining the location of any or all public ways, the laying out of which is accepted at this meeting, consisting of a right to have the land of the location protected by having the surface of such adjoining land slope from the boundary of the location; make an appropriation for such acquisition; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 63. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum or sums of money for the reconstruction of any or all parts of the following streets or ways within the Town: Pond Lane, Lewis Avenue, Beacon Street, Park Street, Decatur Street, and North Union Street; or take any action relating thereto.

Article 64. To see if the Town will amend its Zoning By-Laws by altering the zoning map therein referred to so as to include in the Residence C District the area now included partly in the Business A District and partly in the Residence B District, bounded and described as follows:

WESTERLY by Massachusetts Avenue, 101 feet;

WESTERLY again by a curved line forming the intersection of said Massachusetts Avenue and Allen Street, 34.54 feet;

NORTHWESTERLY by said Allen Street, 159.53 feet;

NORTHEASTERLY by Lot 24 & Pt. 23 as shown on plan hereinafter mentioned, 90 feet;

SOUTHEASTERLY by Lot 29 as shown on said plan, 5 feet;

NORTHEASTERLY again by said Lot 29 as shown on said plan, 11.05 feet;

SOUTHEASTERLY again by Lots 28 and 27 as shown on said plan, 110 feet;

NORTHEASTERLY again by said Lot 27 as shown on said plan, 8.95 feet; and

SOUTHEASTERLY again by Lots 26 and 25 as shown on said plan, 113.04 feet.

Containing 20,894 square feet of land according to said plan.

Said parcel being shown on a plan entitled, "Plan of Proposed Change in Zoning" dated January 15, 1958.

(Inserted at the request of ten (10) registered voters)

Article 65. To see if the Town will amend its Zoning By-Law by altering the zoning map therein referred to so as to include in the Residence C District the area now included in the Residence B District and being bounded and described as follows:

EASTERLY by Summer Street, 83.59 feet;

SOUTHERLY by Lot 7 as shown on plan hereinafter mentioned, in two courses, 32.36 feet and 109.41 feet;

EASTERLY by Lots 7 and 6 as shown on said plan, 73 feet;

SOUTHEASTERLY by Lots 5, 4 and 3 as shown on said plan, 178.90 feet;

SOUTHERLY by Lots 2 and 1 as shown on said plan, 132 feet;

SOUTHWESTERLY by land now or formerly of Hitchcock, Chakmakjian, Lantz and Freeman, as shown on said plan, 156.43 feet;

NORTHWESTERLY by land now or formerly of Baker and by Thorne Road, as shown on said plan, 462.88 feet;

EASTERLY by Lots 10, 9 and 8 as shown on said plan, 130.69 feet; and

NORTHERLY by Lot 8 as shown on said plan, in two courses, 98.79 feet and 33.83 feet.

Containing 1.89 acres, more or less.

Being shown as Lot 11 on "Plan of Land in Arlington, Mass., dated August 8, 1953, by Joseph Selwyn, Civil Engineer."

(Inserted at the request of ten (10) registered voters)

Article 66. To see if the Town will make an appropriation for paving a portion of the Junior High School West property, adjacent to Appleton Place, for off-street parking purposes; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Committee to study parking and traffic facilities in the rear of the Junior High School West)

Article 67. To see if the Town will accept the provisions of Chapter 223 of the Acts of 1957, entitled, "AN ACT AUTHORIZING CITIES AND TOWNS TO ESTABLISH CONSERVATION COMMISSIONS TO PROMOTE THE DEVELOPMENT OF NATURAL RESOURCES AND TO APPROPRIATE MONEY THEREFOR"; make an appropriation for the use of said Commission; determine in what manner the money shall be raised; or take any action relating thereto.

Article 68. To see if the Town will accept a gift to the Town of a parcel of land at the southeasterly corner of Franklin Street and Broadway from Louis Gordon.

Said land is bounded and described as follows:

Beginning at the point of intersection of the southwesterly side line of Broadway and the southeasterly side of Franklin Street, thence southeasterly on said southwesterly side line of Broadway, a distance of 13.01 feet to a point on said southwesterly side of Broadway, thence northwesterly, westerly and southwesterly through land formerly No. 248 Broadway on a curve to the left with a radius of 15 feet a distance of 21.43 feet to a point on the southeasterly side line of Franklin Street, thence northeasterly on said southeasterly side line of Franklin Street, a distance of 13.01 feet to the point of beginning, containing 34 sq. ft. more or less and shown on a plan on file in the office of the Town Engineer, Arlington, Mass., entitled "Sketch showing proposed alteration, Arlington, Mass., Scale I inch =10 feet, Dec. 1957, W. H. Roby, Town Engineer".

Article 69. To see if the Town will vote to appropriate a sum or sums of money to be expended under the direction of the Committee appointed under Article 86 of the Warrant for the 1956 Annual Town Meeting, said appropriation to be added to the amount appropriated under said Article 86 for the purpose of construction, including furnishings and equipment, of additions to the present high school building and also for the remodelling and reconstruction of said building; determine in what manner the money shall be raised; or take any action relating to any or all of the foregoing.

(Inserted at the request of the Committee on the High School Additions and Reconstruction)

Article 70. To see if the Town will vote to appoint a committee of five, one of whom shall be the Town Clerk, to investigate, consider and make recommendations as to the advisability of installing voting machines in any or all of the precincts of the Town, said commmittee to report not later than the 1959 Annual Town Meeting; appropriate a sum of money for use of said committee; determine in what manner the money shall be raised; or take any action relating thereto.

Article 71. To see if the Town will make an appropriation to determine fully the Town's right, title and interest in Town-owned land known as the Great Meadows located in Lexington, and to provide for a land survey and the installation of suitable markers to define the boundaries of said land; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 72. To see if the Town will vote to make an appropriation of a sum of money to be expended under the direction of the Town Manager and the Peirce School Playground Improvement Committee for the improvement of the Peirce School playground area; determine in what manner the money shall be raised; or take action relating thereto.

(Inserted at the request of the Peirce School Playground Improvement Committee)

Article 73. To see if the Town will vote to create a Stabilization Fund in accordance with provisions contained in Mass. General Laws (Ter. Ed.), Chapter 40, Section 5B, as amended; make an appropriation to establish such fund; determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of the Finance Committee)

Article 74. To see if the Town under the provisions of the General Laws, Chapter 43A, Section 3, will direct the Board of Selectmen to redraw, or reestablish the precinct lines within the boundaries of the Town of Arlington; or take any action relating to any or all of the foregoing.

(Inserted at the request of ten (10) registered voters)

Article 75. To see if the Town, through its Town Meeting Members, will recommend that the Board of Selectmen cause all necessary action to be taken to determine if Federal Aid can be obtained under existing legislation, and to qualify for such aid if available, to assist the Town in its program for the relocation of Mystic Street, the improvement of the Arlington Center business area, and for the solution of traffic problems in Arlington Center; or take any action relating thereto.

Article 76. To see if the Town will transfer the sum of Five Thousand Dollars ($5,000.00) from the Mount Pleasant Cemetery sale of graves and lots fund to the Cemetery Commissioners for the improvement of the Town Cemeteries.

(Inserted at the request of the Board of Cemetery Commissioners)

Article 77. To see if the Town will make an appropriation to be expended under the direction of the Town Clerk, for the purpose of defraying the expense of advertising and other incidental costs relating to the By-Laws voted at this Town Meeting; determine in what manner the money shall be raised; or take any action relating thereto.

Article 78. To see if the Town will vote to relieve the older residents by half of their taxes. These people must have been residents for thirty years or more and paid taxes for that time and be on Social Security with no other income.

(Inserted at the request of ten (10) registered voters)

Article 79. To see if the Town will vote to make an appropriation for the purpose of providing ornamental and additional light to the streets in the business area of the Town during the Christmas holiday season; determine in what manner the funds shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 80. To see if the Town will make an appropriation of a sum of money to be expended under the direction of the Board of Selectmen for the purpose of providing suitable headquarters for the Lt. Stanley G. Benner Detachment, Marine Corps League of Arlington, determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 81. To see if the Town will authorize taking a sum of money voted for the appropriations heretofore made at this Town Meeting under this Warrant, and not voted to be borrowed from any available funds in the treasury and will authorize the Assessors to use free cash in the treasury in any available funds to an amount not exceeding $400,000.00, in the determination of the 1958 tax rate.

And you will notify and warn the voters of the Town of Arlington to meet at the times and places herein specified by leaving at every dwelling house in the Town a printed copy of this Warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least before the day of said meeting for the election of officers.

Hereof, fail not, and make due return of the Warrant, with your doings thereon, to the Town Clerk before the day of said meeting.

Given under our hands, at said Arlington this twenty-seventh day of January, in the year of our Lord one thousand nine hundred and fifty-eight.

(SIGNED) BOARD OF
THOMAS R. RAWSON SELECTMEN
GEORGE A. HARRIS OF THE
MARCUS L. SORENSEN TOWN
FRANKLIN W. HURD OF
JOSEPH P. GREELEY ARLINGTON

A True copy.
Attest:

(SIGNED) FRANK K. NICKSAY
Constable, Town of Arlington

CONSTABLE'S RETURN
COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. Arlington, February 27, 1958

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purposes herein specified by causing a printed attested copy of said warrant to be left at every dwelling house in the Town, and by posting an attested copy of said warrant at the doors of the Town Hall and in two or more conspicuous places in each of the fourteen precincts of the Town, seven days at least before the day of said meeting. A notice of the time, place and objects of the meeting was published in the local papers.

Frank K. Nicksay
Constable of the Town of Arlington, Massachusetts

ANNUAL TOWN ELECTION, MARCH 3, 1958

In pursuance of the foregoing Warrant, the inhabitants of the Town of Arlington, qualified to vote in elections, met in the polling places designated by the Board of Selectmen for the several precincts in said Town on Monday, March 3, 1958, at seven o'clock in the forenoon.

Upon receipt of the returns as made by the election officers of the several precincts, they were canvassed by the Town Clerk and Registrars of Voters, assisted by Miss Ann Mahon, Assistant Town Clerk, and the result was announced at 11:30 P.M. on Monday, March 3, 1958, as follows:

All ballots, used and unused, tally sheets, total vote sheets, voting lists, and all other records pertaining to the Town Election, properly signed and sealed, were delivered to the Town Clerk to be preserved by him during the time required by law.

The persons declared elected town officers, including town meeting members, were notified as required by the General Laws.

A true record, ATTEST:

JAMES J. GOLDEN
Town Clerk

In accordance with Section 61 of Chapter 51 of the General Laws, the return of the registered voters in the Town at the close of registration on February 11, 1958, was forwarded to the Secretary of the Commonwealth.

The result of the count of the votes cast at the Town Election was forwarded to the Secretary of the Commonwealth.

In accordance with Section 132 of Chapter 54 of the General Laws, the total number of voters checked on the voting lists in each precinct was forwarded to the Secretary of the Commonwealth.

In connection with the work of the Department of Corporations and Taxation, a list of Town Officials was forwarded to the Director of Accounts.

ANNUAL TOWN MEETING — MARCH 17, 1958

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington by a constable of said Town, notices having been sent by mail by the Town Clerk at least seven days before the day of the meeting to the town meeting members elected and qualified to act in town meetings in Arlington under the provisions of Chapter 43A of the General Laws, as amended, and published in the local newspapers, as required by the Town's By-Laws, the town meeting members met in the Town Hall, in said Town, on Monday, March 17, 1958, at eight o'clock in the evening. The Warrant calling the meeting was the notice sent by mail by the Town Clerk.

Lists of the duly qualified town meeting members were used at the entrances of the meeting place and were in charge of Ann Mahon and James E. Sweeney. The lists contained the names of two hundred fifty-one (251) town meeting members qualified to participate in and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred sixteen (216) elected members and eight (8) members-at-large (89% of total —251) attended the meeting.

Philip H. Burt was sworn by the Town Clerk as Stenographer to impartially and correctly report the proceedings of the meeting to the best of his ability.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:05 o'clock P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly accompanied by Mr. Augustus Mazzocca, trumpeter, and Mr. Walter E. Russell, pianist, both of the School Department, and prayer offered by Rt. Rev. Joseph M. Fitzgibbons, Pastor of St. Jerome's Church.

The town meeting members who had not previously been sworn were thereupon sworn by the Moderator.

There being no objection to the request of Selectmen Greeley, permission was granted by general consent for Messrs. Hurd, Rawson and Buckley of the Board of Selectmen; Mr. Nicksay, Executive Secretary of the Board of Selectmen; Messrs. Wood and Hauser of the Board of Assessors; Mr. Wells, Executive Secretary of the Board of Assessors; Messrs. Kelliher and Fallon of the Personnel Board; Mr. Morris, Executive Secretary of the Personnel Board; Messrs. Dunn, Hooley, LaJoie, Ahern, Keefe, Guinan, Murphy, Sisson, Johnston and Richardson of the Finance Committee; Mr. Farrow, Executive Secretary of the Finance Committee; Messrs. Magnuson, Berg, Fox, Mirak, O'Hearn and Gilliland of the Arlington Development Commission and Mr. Purcell, Town Counsel, to sit within the town meeting enclosure.

The Town Clerk read the Call of the meeting and the Constable's Return of the Warrant, the reading of the remainder of the Warrant being waived by consent of the meeting.

On motion of Selectman Greeley, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Wednesday evening, March 19, 1958, at eight o'clock.

On motion of Selectman Greeley, duly seconded, it was

VOTED: That Article 2 be taken up. (Appointment of other Town Officers.)

On motion of Selectman Greeley, duly seconded, it was

VOTED: That the following be appointed Measurers of Wood and Bark:

Thomas J. Toye, 195 Forest Street
Edward L. Kelley, 20 Paul Revere Road

There being no further business under Article 2, the Moderator declared it disposed of.

On motion of Selectman Greeley, duly seconded, it was

VOTED: That Article 3 be taken up. (Reports of Selectmen, other Town Officers and Committees.)

On motion of Selectman Greeley, duly seconded, it was

VOTED: That the reports of the Selectmen and of the various Town Officers and the Committees heretofore appointed, together with the statistics of the Assessors, as printed in the Town Report, be received.

On motion of Kermit C. Streng of the Finance Committee, duly seconded, it was

VOTED: That the report of the Finance Committee as presented in printed form be received.

Horace H. Homer presented the report of the Committee appointed to procure plans and estimates for the construction of a school building in the area of Florence Avenue, George and Renfrew Streets and, on motion duly made and seconded, it was

VOTED: That the report be received.

John N. Loud presented the report of the Committee appointed to investigate, study and consider various entrances at the Arlington Heights Reservoir Beach and Playground and, on motion duly made and seconded, it was

VOTED: That the report be received.

Percival E. Richardson presented the report of the Committee appointed to investigate, consider and make recommendations as to the swimming conditions at the Arlington Heights Reservoir Beach and, on motion duly made and seconded, it was

VOTED: That the report be received.

Bayard D. Waring presented the report of the Peirce School Playground Improvement Committee and, on motion duly made and seconded, it was

VOTED: That the report be received.

Clarence Richmond presented the report of the Arlington Brotherhood Committee and, on motion duly made and seconded, it was

VOTED: That the report be received.

Donald O. Johnston presented the report of the Committee on the High School Additions and Reconstruction and, on motion duly made and seconded, it was

VOTED: That the report be received.

Harold E. Magnuson presented the report of the Arlington Development Commission and, on motion duly made and seconded, it was

VOTED: That the report be received.

Bernard A. Forest presented the report of the Committee appointed to study, investigate, consider and make recommendations relative to the use of the area in the rear of the Junior High School West for the parking or passage of motor vehicles for the relief of traffic congestion and, on motion duly made and seconded, it was

VOTED: That the report be received.

Selectman Greeley presented the report of the Committee appointed to investigate and make a study of the land owned by the Town of Arlington in the Town of Lexington, known as the Great Meadows and, on motion duly made and seconded, it was

VOTED: That the report be received.

On motion of Kermit C. Streng of the Finance Committee, duly seconded, it was

VOTED: That Article 3 be laid on the table.

On motion of Kermit C. Streng of the Finance Committee, duly seconded, it was

VOTED: That the remaining articles in the Warrant be now taken up separately in the order in which they appear in said Warrant, unless otherwise voted as to any particular article, and that the recommendations of the Finance Committee under said articles as presented in their printed report be considered as now before the meeting, to be voted upon without further motion, separately, under the respective articles as they appear in said report.

Article 4. (Assessment for County Hospital.)

VOTED: That payment to the County of Middlesex of amounts assessed upon or otherwise payable by the Town under Warrant issued by the County Commissioners in accordance with Chapter 500, Section 1, of the Acts of 1943; (A) the Town's share of the maintenance, operation and repair of Middlesex County Tuberculosis Hospital during the last preceding calendar year, including interest on temporary notes issued therefor, in accordance with sections of Chapter 111 of the General Laws applicable thereto; (B) the Town's share of any and all other expenses in connection with said hospital, including expenses under section 25G (6) (a) of Chapter 32 of the General Laws inserted by Chapter 400 of the Acts of 1936; be and hereby is authorized, ratified and confirmed.

There being no further business under Article 4, the Moderator declared it disposed of.

Article 5. (Treasurer; Power to Borrow.)

VOTED: (Unanimously) That the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money on and after January 1, 1959, in anticipation of the revenue of the financial year beginning January 1, 1959, and to issue a note or notes therefor, payable within one year, and to renew any note or notes that may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws and any amendments thereof; any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1959.

There being no further business under Article 5, the Moderator declared it disposed of.

Article 6. (Claims or Charges of Symmes Arlington Hospital.)

VOTED: (Unanimously) That the sum of twenty-nine thousand two hundred seventy-six and 17/100 (29,276.17) dollars be and hereby is appropriated to pay claims and charges of Symmes Arlington Hospital, including such claims and charges for aid, relief or care furnished prior to January 1, 1958, to persons falling into distress and standing in need of immediate relief; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 6, the Moderator declared it disposed of.

On motion of Kermit C. Streng of the Finance Committee, duly seconded, it was

VOTED: (Unanimously) That Article 21 be now taken up.

Article 21. (Amendment of Town By-Laws — Classification and Pay Plan.)

On the substitute motion of William J. Frost, Chairman of the Personnel Board, to amend the motion of the Finance Committee, which was seconded and was declared by the Moderator to have

carried on a standing vote, 162 having voted in the affirmative and 40 in the negative, it was

VOTED: (Unanimously) That Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C, of the By-Laws, be and hereby is amended by increasing all money figures contained therein by approximately four percent (4%) to the nearest even dollar or $178.00, whichever is the greater, in the annual salary schedule, excepting the money figures contained in Grades PF 2, PF 3, PF 4, PF 5, and PF 6, and $3.40 or approximately four percent (4%) to the nearest even daily rate, whichever is the greater, in the weekly salary schedule, and by increasing the compensation of regularly employed part-time employees by approximately four percent (4%) to the nearest dollar; and by striking out the words and figures "Minimum — $3944.00", "Step 1 — $4262.00", and "Maximum — $4606.00" where they appear in Grade PF 2 of said Schedules and inserting in place thereof the words and figures "Minimum—$4102.00", "Step 1—$4432.00", and "Maximum — $4790.00"; and by striking out the words and figures "Maximum — $5046.00" where they appear in Grade PF 3 of said Schedules and inserting in place thereof the words and figures "Maximum — $5248.00"; and by striking out the words and figures "Maximum — $5386.00" where they appear in Grade PF 4 of said Schedules and inserting in place thereof the words and figures "Maximum — $5602.00"; and by striking out the words and figures "Maximum — $5866.00" where they appear in Grade PF 5 of said Schedules and inserting in place thereof the words and figures "Maximum — $6100.00"; and by striking out the words and figures "Maximum — $7122.00" where they appear in Grade PF 6 of said Schedules and inserting in place thereof the words and figures "Maximum — $7406.00"; said amendment to become effective April 1, 1958; and that for this purpose the sum of $78,000.00 be and hereby is appropriated to be expended by the various departments affected; said sum to be raised by general tax.

There being no further business under Article 21, the Moderator declared it disposed of.

At this point, a recess was taken from 9:55 to 10:10 P.M.

Article 7. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: That no action be taken under Article 7 of the Warrant.

There being no further business under Article 7, the Moderator declared it disposed of.

Article 8. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan — Schedule A and Pay Plan — Schedule B as established by Article 7C of the By-Laws be and hereby are amended by striking out the words and figures "Minimum — $6456.00", "Step 1 — $6702.00", "Step 2 — $6944.00", "Step 3 — $7184.00", and "Maximum — $7488.00" where they appear in Grade AG 14 of said Schedules and

inserting in place thereof the words and figures "Minimum — $7300.00", "Step 1 — $7600.00", "Step 2 — $7900.00", "Step 3 — $8200.00", and "Maximum — $8500.00", said amendment to be effective April 1, 1958; and that for this purpose the sum of five hundred thirty four (534) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 8, the Moderator declared it disposed of.

Article 9. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan, known as Schedule A, of Article 7C of the By-Laws be and hereby is amended by reallocating Supervisor of Custodians and Maintenance from Grade AG 12 to Grade AG 13, said amendment to become effective April 1, 1958; and that the sum of two hundred thirty four (234) dollars be and hereby is appropriated for this purpose, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 9, the Moderator declared it disposed of.

Article 10. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan, known as Schedule A of Article 7C, of the By-Laws be and hereby is amended by reallocating Assistant Supervisor of Custodians from Grade AG 7 to Grade AG 8, said amendment to become effective April 1, 1958; and that the sum of two hundred fifty five (255) dollars be and hereby is appropriated for this purpose, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 10, the Moderator declared it disposed of.

Article 11. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan, known as Schedule A, of Article 7C of the By-Laws be and hereby is amended by reallocating Executive Secretary, Personnel Board, from Grade AG 10 to Grade AG 11, said amendment to be effective April 1, 1958; and for this purpose the sum of two hundred fifty two (252) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 11, the Moderator declared it disposed of.

Article 12. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws be and hereby is amended by reallocating Assistant Librarian from Grade AG 6 to Grade AG 7, said amendment to be effective April 1, 1958; and that for this purpose the sum of one hundred thirty nine and 50/100 (139.50) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 12, the Moderator declared it disposed of.

Article 13. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan, known as Schedule A, of Article 7C of the By-Laws be and hereby is amended by reallocating Secretary and Head Clerk, Public Works Department, from Grade AG 9 to Grade AG 11, said amendment to be effective April 1, 1958; and for this purpose the sum of one hundred twenty seven and 50/100 (127.50) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 13, the Moderator declared it disposed of.

Article 14. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws be and hereby is amended by reallocating Motor Equipment and Radio Repairman from Grade MC 5 to Grade MC 6, said amendment to be effective April 1, 1958; and that for this purpose the sum of one hundred fifty six and 60/100 (156.60) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 14, the Moderator declared it disposed of.

Article 15. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan, known as Schedule A, of Article 7C of the By-Laws be and hereby is amended by reallocating Agent, Board of Health, from Grade AG 8 to Grade AG 9, said amendment to be effective April 1, 1958; and that for this purpose the sum of one hundred twenty three (123) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 15, the Moderator declared it disposed of.

Article 16. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan, known as Schedule A, of Article 7C of the By-Laws be and hereby is amended by reallocating Water Registrar from Grade AG 8 to Grade AG 9, said amendment to be effective April 1, 1958; and that for this purpose the sum of one hundred twenty three (123) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 16, the Moderator declared it disposed of.

Article 17. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws be and hereby is amended by reallocating Superintendent of Parks and Recreation from Grade AG 10 to Grade AG 11, said amendment to be effective April 1, 1958; and that for this purpose the sum of seventy two (72) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 17, the Moderator declared it disposed of.

Article 18. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan, known as Schedule A of Article 7C of the By-Laws be and hereby is amended by reallocating Assistant Superintendent of Public Works from Grade AG 10 to Grade AG 11, said amendment to be effective April 1, 1958.

There being no further business under Article 18, the Moderator declared it disposed of.

Article 19. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws be and hereby is amended by adding the following classifications:

Supervisor of Children's Library Activities, Grade AG 6
Superintendent of Cemeteries, Grade AG 10

There being no further business under Article 19, the Moderator declared it disposed of.

Article 20. (Amendment of Town By-Laws — Classification and Pay Plan.)

On the substitute motion of William J. Frost, Chairman of the Personnel Board, to amend the motion of the Finance Committee, which was seconded and was declared by the Moderator to have carried, it was

VOTED: (Unanimously) That Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C, of the By-Laws, be and hereby is amended by striking out the words and figures "Minimum — $3944.00", "Step 1 — $4262.00", and "Maximum — $4606.00" where they appear in Grade PF 2 of said Schedules and inserting in place thereof the words and figures "Minimum — $4200.00", "Step 1 — $4500.00", and "Maximum — $4800.00"; and by striking out the words and figures "Maximum — $5046.00" where they appear in Grade PF 3 of said Schedules and inserting in place thereof the words and figures "Maximum — $5300.00"; and by striking out the words and figures "Maximum — $5386.00" where they appear in Grade PF 4 of said Schedules and inserting in place thereof the words and figures "Maximum — $5800.00"; and by striking out the words and figures "Maximum — $5866.00" where they appear in Grade PF 5 of said Schedules and inserting in place thereof the words and figures "Maximum — $6300.00"; and by striking out the words and figures "Maximum — $7122.00" where they appear in Grade PF 6 of said Schedules and inserting in place thereof the words and figures "Maximum — $7700.00"; said amendment to become effective April 1, 1958; and that for this purpose the sum of $5300.00 be and hereby is appropriated to be expended by the various departments affected; said sum to be raised by general tax.

There being no further business under Article 20, the Moderator declared it disposed of.

On motion of William A. McMahon of Precinct 14, duly seconded, it was

VOTED: That Articles 22 through 33, inclusive, be laid on the table.

Article 34. (Amendment of Town By-Laws — Voting.)

VOTED: (Unanimously) That no action be taken under Article 34 of the Warrant.

There being no further business under Article 34, the Moderator declared it disposed of.

Article 35. (Town Departmental Outlays and Expenses.)

MOVED AND SECONDED: That sums be appropriated to defray Town outlays and expenses for the year 1958 to be raised by general tax, except as otherwise specifically voted and expended, and the disposal of personal property be authorized, all under the direction of the respective department heads, as follows:

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 10:55 P.M., Monday, March 17, 1958, until Wednesday evening, March 19, 1958, at 8 o'clock.

A true record, ATTEST:

JAMES J. GOLDEN
Town Clerk

ADJOURNED ANNUAL TOWN MEETING — MARCH 19, 1958

Pursuant to the vote of adjournment of March 17, 1958, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Wednesday evening, March 19, 1958, to act upon the remaining articles set forth in the Warrant for the Annual Town Meeting.

Lists of the duly qualified town meeting members were used at the entrances of the meeting place and were in charge of Ann Mahon and James E. Sweeney. The lists contained the names of two hundred fifty (250) town meeting members.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred thirteen (213) elected members and seven (7) members-at-large (88% of total — 250) attending the meeting.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:05 o'clock P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly, accompanied by Mr. Augustus Mazzocca and Mr. Walter E. Russell of the School Department, and prayer offered by Rev. John Heidt, Pastor of the Pleasant Street Congregational Church.

A town meeting member, not previously sworn, was thereupon sworn by the Moderator.

On motion of Selectmen Greeley, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Friday evening, March 21, 1958, at 8 o'clock.

On motion of Kermit C. Streng of the Finance Committee, duly seconded, it was

VOTED: That Wallace J. Flynn, a member of the Planning Board, be allowed to sit within the town meeting enclosure.

Article 35. (Town Departmental Outlays and Expenses.) (Resumed)

On motion of Kermit C. Streng of the Finance Committee, duly seconded, it was

VOTED: That Budget Item No. 8 of Article 35 be taken from the table.

8. Town Treasurer and Collector of Taxes

By consent of the meeting, the motion of the Finance Committee was considered withdrawn, and on the new motion of Kermit C. Streng of the Finance Committee, which was seconded, it was

VOTED:

There being no further business under Article 35, the Moderator declared it disposed of.

On motion of William A. McMahon of Precinct 14, duly seconded, it was

VOTED: That Articles 22 through 33, inclusive, be taken from the table.

Article 22. (Acquisition of Land — Russell Common.)

VOTED: That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town to acquire by purchase, eminent domain or otherwise for municipal purposes, all or any portion of the land within the Town hereinafter described and which was originally acquired by the Town by gift allegedly subject to certain trusts, terms and conditions, any interests or easements therein, and any rights or easements of way or otherwise as appurtenant thereto and subject to or with any reservations of any rights or easements therein.

Said land being bounded and described as follows:

Beginning at a stone bound at the point of intersection of the southeasterly side line of Mystic Street and the southwesterly side line of Chestnut Street, thence southeasterly on said southwesterly side line of Chestnut Street, a distance of 245.76 ft. to a point at land of the Roman Catholic Archbishop of Boston, thence southwesterly by land of Town of Arlington known as Russell School property a distance of 370 ft. more or less to land now or formerly of Goode, thence northwesterly by said land now or formerly of Goode, known as Park Terrace, a distance of 193.76 ft. to a point on the southeasterly side line of Mystic Street, thence northeasterly on said southeasterly side line of Mystic Street, a distance of 285.35 ft. to the point of beginning and containing approximately 67,075 sq. ft.

There being no further business under Article 22, the Moderator declared it disposed of.

Article 23. (Acquisition of Land.)

VOTED: (Unanimously) That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town to acquire by purchase, eminent domain or otherwise for municipal purposes all or any portion of the land within the town hereinafter described, any interests or easements therein, and any rights or easements of way or otherwise as appurtenant thereto and subject to or with any reservations of any rights or easements therein; and for this purpose the sum of five thousand seven hundred thirty-four and 30/100 (5,734.30) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

Said land is bounded and described as follows:

First Section — Beginning at a point on the northwesterly side line of Medford Street, said point being 138.0 feet northeasterly of the point of intersection of the northeasterly side line of Mass. Avenue and the northwesterly side line of Medford Street, thence northwesterly through land now or formerly of Myerson and now or formerly of Webb on a line 10 feet southwesterly of the northeasterly boundary line of said properties a distance of 145.09 feet to a point of curve, thence northwesterly and northerly through said land of Webb on a curve to the right with a radius of 44.5 feet a distance of 30.42 feet to the northerly corner of said land now or formerly of Webb, thence southeasterly on the northeasterly boundary line of said properties of Webb and Myerson a distance of 173.20 feet to a point on the northwesterly side line of Medford Street, thence southwesterly on said northwesterly side line of Medford Street, a distance of 10.0 feet to the point of beginning and containing 1246 square feet from land of Myerson and 397 square feet from land of Webb.

Second Section — Beginning at a point on the division line between land now or formerly of Goode and the Russell Common at the Russell School property, thence southwesterly by said land now or formerly of Goode a distance of 18 feet more or less to the northerly corner of land now or formerly of Webb, thence northerly and northeasterly through said land of Goode on a curve to the right with a radius of 44.5 feet a distance of 20 feet more or less

to a point on the division line between said land of Goode and the Russell Common, thence southeasterly on said division line a distance of 12 feet more or less to the point of beginning and containing approximately 110 square feet.

There being no further business under Article 23, the Moderator declared it disposed of.

Article 24. (Relocation of Mystic Street and Widening of Chestnut Street.)

VOTED: That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town to relocate a portion of Mystic Street, from a point opposite Pleasant Street to Chestnut Street and to abandon the present public portion of Mystic Street between Massachusetts Avenue and Chestnut Street; and to widen Chestnut Street from Mystic Street to Medford Street by laying out and altering the lines of these ways, or by petition to the proper departments of the Commonwealth of Massachusetts and the County of Middlesex, or both, and to take any and all such action as may be required, in order that such land, as may be necessary, may be taken and the streets altered, relocated or constructed for the improvement and control of traffic flow in said area.

There being no further business under Article 24, the Moderator declared it disposed of.

Article 25. (Acquisition of Land — Mystic Street.)

VOTED: (On a standing vote 179 having voted in the affirmative and 7 in the negative, more than the required two thirds.) That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town to acquire by purchase, eminent domain or otherwise for municipal purposes all or any portion of the land within the Town (with or without the buildings thereon) hereinafter described, any interests or easements therein, and any rights or easements of way or otherwise as appurtenant thereto, and subject to or with any reservations of any rights, or easements therein, for the purpose of relocating a portion of Mystic Street; and that the sum of sixteen thousand two hundred fifty (16,250.00) dollars be and hereby is appropriated for said purpose, said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

Said land is bounded and described as follows:

Beginning at a point on the northwesterly side line of Mystic Street, at the northeasterly boundary line of premises #44 Mystic Street, thence southwesterly on said northwesterly side line of Mystic Street, distances of 86 feet more or less and 56 feet more or less to a point on the northwesterly side line of Mystic Street, at the southwesterly boundary line of premises #40 Mystic Street, thence northwesterly by said southwesterly boundary line of premises #40 Mystic Street, a distance of 140.81 feet to an angle point, thence northeasterly by Lot A, a distance of 39.27 feet to an angle point, thence southeasterly by Lot 8 and Parts 9 & 10 a distance of 59.19 feet to an angle point, thence northeasterly by said Lot 8 and Parts 9 & 10, a distance of 70.29 feet to an angle point, thence southeasterly on the northeasterly boundary line of premises #44

Mystic Street, a distance of 95.18 feet to the point of beginning and containing approximately 14,869 sq. ft. and being the remaining portion of land owned now or formerly by Annie D. Holbrook and Charlotte H. Page and recorded in the Registry of Deeds, Book 7002-199, and land owned now or formerly by Harold P. and Esther I. Nickerson, and recorded in the Registry of Deeds Book 7858-551.

There being no further business under Article 25, the Moderator declared it disposed of.

At this point, a recess was taken from 9:55 to 10:10 P.M.

Article 26. (Altering Plan of Winslow Street.)

VOTED: (Unanimously) That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town to alter the plan of Winslow Street, from Mystic Street to Russell Terrace, by taking the necessary legal procedure to approve the widening of said way as recommended by the Arlington Development Commission; to lay out such way in preparation for its acceptance and construction contingent upon such widening and to take any and all such action as may be required, in order that such land as may be necessary, may be taken and the street altered or constructed for the improvement and control of traffice flow in said area.

There being no further business under Article 26, the Moderator declared it disposed of.

Article 27. (Establish Board of Survey Lines for a New Way — Russell Terrace to Mill Street.)

VOTED: (Unanimously) That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town to establish Board of Survey lines for a new way from Russell Terrace to Mill Street, said way being an extension of Winslow Street and recommended by the Arlington Development Commission; to lay out such way in preparation for its acceptance and construction and to take any and all such action as may be expedient in order that such land and buildings, as may be necessary, may be taken and the street constructed for the improvement and control of traffic flow in said area.

There being no further business under Article 27, the Moderator declared it disposed of.

Article 28. (Proposed Alteration of Zoning Map — Area on Summer Street at the intersection of Mill Street.)

John B. Byrne, Jr., Chairman of the Planning Board, reported for the Planning Board on this article and made the following motion:

"That no action be taken under Article 28 of the Warrant."

William A. McMahon of Precinct 14 moved, and it was seconded, that the motion of Mr. Byrne under Article 28 be amended by striking it out and substituting therefor the following:

"That the town amend its zoning by-law altering the zoning map therein referred to so as to include in the Business "A" District all or any part of the area now included in land owned by the Town of Arlington for Park purposes and located on Summer Street, bounded and described as follows:

Beginning at a point on the southerly side line of Summer Street, at the division line between land now or formerly of Malcolm G. Stevens, Trustee, and land now of the Town of Arlington, thence easterly on said southerly side line of Summer Street, by various courses and curves a distance of 497 feet, more or less, to a point, thence southwesterly on a curve with a radius of 560 feet a distance of 298 feet more or less, to a point on the northerly corner of property now or formerly of R. Wendell Wood, thence westerly, a distance of 40 feet along property now or formerly of R. Wendell Wood to an angle point, thence northwesterly a distance of 95.15 feet along property now or formerly of the Boston & Maine Railroad to an angle point, thence northerly a distance of 61.58 feet to an angle point along property now or formerly of Boston & Maine Railroad, thence northwesterly a distance of 68.20 feet to an angle point along property now or formerly of Boston & Maine Railroad, thence westerly a distance of 71.33 feet along property now or formerly of Boston & Maine Railroad, thence northwesterly a distance of 213 feet to an angle point along property now or formerly of Boston & Maine Railroad, thence northerly a distance of 51.49 feet to an angle point along property now or formerly of the Boston & Maine Railroad, thence northeasterly a distance of 152.5 feet to an angle point along property now or formerly of Malcolm G. Stevens, Trustee, thence northerly a distance of 100 feet along property of said Malcolm G. Stevens, Trustee, to the point of beginning and containing about 150,000 square feet, more or less, as shown on two plans on file in the office of the Town Engineer, Arlington, Massachusetts; one entitled "Plan of Land in Arlington, Massachusetts, Taken for Park Purposes, Scale 1"=40', April, 1933, James M. Keane, Town Engineer", and another entitled "Copy of Plan of Fowles Pond, Arlington, Massachusetts, Scale 1"=40', January, 1930, James M. Keane, Town Engineer".

Considerable discussion ensued and, upon the motion for the previous question being carried, a standing vote was taken on the motion to amend, 116 voted in the affirmative and 58 in the negative, and the Moderator declared Mr. McMahon's motion to substitute to have carried.

On the standing vote then taken on the motion of the Planning Board as substituted, 111 voted in the affirmative and 67 in the negative, and the motion was declared lost by the Moderator, it being less than the two-thirds vote required.

On motion of Edward G. Murray of Precinct 14, duly seconded, it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 11:55 P.M., Wednesday, March 19, 1958, until Friday evening, March 21, 1958, at 8 o'clock.

A true record, ATTEST:

James J. Golden
Town Clerk

ADJOURNED ANNUAL TOWN MEETING — MARCH 21, 1958

Pursuant to the vote of adjournment of March 19, 1958, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Friday evening, March 21, 1958, to act upon the remaining articles set forth in the Warrant for the Annual Town Meeting.

Lists of the duly qualified town meeting members were used at the entrances of the meeting place and were in charge of Ann Mahon and James E. Sweeney. The lists contained the names of two hundred fifty (250) town meeting members.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred nine (209) members and seven (7) members-at-large (86.4% of total — 250) attended the meeting.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:05 o'clock P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly, accompanied by Mr. Augustus Mazzocca and Mr. Walter E. Russell of the School Department, and prayer offered by Rev. John B Kinneen, Curate of St. Agnes' Church.

The town meeting members, who had not previously been sworn, were thereupon sworn by the Moderator.

On motion of Selectman Greeley, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Monday evening, March 24, 1958, at 8 o'clock.

The Moderator declared that Article 28 was still before the meeting, inasmuch as it was not disposed of at the last session.

A motion seeking reconsideration of the vote taken under Article 28 was then offered by John N. Loud of Precinct 9 and, upon the motion for the previous question being carried, was declared lost by the Moderator on a standing vote, 122 having voted in the affirmative and 97 in the negative, it being less than the two-thirds vote required.

There being no further business under Article 28, the Moderator declared it disposed of.

Article 29. (Petition to the General Court — Re — Park Land.)

A voice vote taken on the motion of the Finance Committee favoring the disposal of such land, as requested under Article 29 of the Warrant, was declared lost by the Moderator.

There being no further business under Article 29, the Moderator declared it disposed of.

Article 30. (Proposed Alteration of Zoning Map — Area on Summer Street at the intersection of Washington Street.)

John B. Byrne, Jr., Chairman of the Planning Board, reported for the Planning Board and on his motion, it was

VOTED: That no action be taken under Article 30 of the Warrant.

There being no further business under Article 30, the Moderator declared it disposed of.

Article 31. (Petition to the General Court — Authority to Sell a Parcel of Land.)

VOTED: That no action be taken under Article 31 of the Warrant.

There being no further business under Article 31, the Moderator declared it disposed of.

Article 32. (Paving the Municipal Parking Area.)

VOTED: That no action be taken under Article 32 of the Warrant.

There being no further business under Article 32, the Moderator declared it disposed of.

Article 33. (Constructing Islands, Bumpers and Protective Devices in the Municipal Parking Area.)

VOTED: That no action be taken under Article 33 of the Warrant.

There being no further business under Article 33, the Moderator declared it disposed of.

Article 36. (Overpass from Massachusetts Avenue to Reservoir Field.)

VOTED: That the sum of twenty four thousand nine hundred (24,900) dollars be and hereby is appropriated for the construction of an overpass to provide ingress and egress to and from Reservoir Field, from and to Massachusetts Avenue; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 36, the Moderator declared it disposed of.

Article 37. (Petition to the General Court Re Conveyance of Land to Housing Authority.)

On the substitute motion of Kermit C. Streng of the Finance Committee to amend the original motion of the Finance Committee which was seconded and was declared by the Moderator to have carried, it was

VOTED: (Unanimously) that the motion of the Finance Committee be amended by adding the words and figures "for the sum of one ($1.00) dollar" after the word "use" on line eleven of said motion as it appears in the printed report of the Finance Committee so that said motion will read as follows:

That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town to petition the General Court for authority to sell, convey or otherwise dispose of the parcel of land hereinafter described, which is now part of the public parks within the Town, to the Arlington Housing Authority for the use of said Housing Authority to erect buildings thereon for housing aged citizens of Arlington. If said authority is granted by the General Court, the Board of Selectmen, acting on behalf of the Town, is hereby authorized and directed to sell said land hereinafter described to the Arlington Housing Authority for the above described use for the sum of one ($1.00) dollar.

Said parcel of land is bounded and described as follows:

Beginning at a point on northerly boundary of land belonging to the Boston & Maine Railroad at the intersection of land in Lexington and land of the Town of Arlington; thence easterly on said northerly side line of land belonging to the Boston & Maine Railroad a distance of 400 feet more or less to an angle point; then northeasterly a distance of 160 feet more or less to a point; thence northeasterly again a distance of 160 feet more or less to an angle point; thence northwesterly 50 feet more or less to a point; thence northwesterly 120 feet more or less to a point on the south bank of Mill Brook; thence northwesterly again 190 feet more or less to an angle point on the Lexington line; thence southwesterly along said Lexington Town Line 620 feet to the point of beginning and containing about 155,100 square feet more or less as shown on plan of land on file with the office of the Town Engineer, Arlington, Mass., and entitled "Study Plan — Reservoir, Playground & Vicinity — Scale 1″ = 80′ — January 1955 — James M. Keane, Town Engineer."

There being no further business under Article 37, the Moderator declared it disposed of.

Article 38. (Proposed Alteration of Zoning Map — Area bounded by Lexington Town Line, Reservoir Field and Massachusetts Avenue.)

John B. Byrne, Jr., Chairman of the Planning Board, reported for the Planning Board and on his motion, it was

VOTED: (Unanimously) That the Town amend its zoning by-laws by altering the zoning map therein referred to so as to include in the Residence C District all or any part of the area now included in land owned by the Town of Arlington for park purposes and located between Mill Brook, Boston & Maine Railroad and the Lexington Town Line, bounded and described as follows:

Beginning at a point on northerly boundary of land belonging to the Boston & Maine Railroad at the intersection of land in Lexington and land of the Town of Arlington; thence easterly on said northerly side line of land belonging to the Boston & Maine Railroad a distance of 400 feet more or less to an angle point; then northeasterly a distance of 160 feet more or less to a point; thence northeasterly again a distance of 160 feet more or less to an angle point; thence northwesterly 50 feet more or less to a point; thence northwesterly 120 feet more or less to a point on the southbank of Mill Brook; thence northwesterly again 190 feet more or less to an angle point on the Lexington Line; thence southwesterly along said Lexington Town Line 620 feet to the point of beginning and containing about 155,100 square feet more or less as shown on plan of land on file with the office of the Town Engineer, Arlington, Mass., and entitled, "Study Plan — Reservoir, Playground & Vicinity — Scale 1" = 80' — January 1955 — James M. Keane, Town Engineer."

There being no further business under Article 38, the Moderator declared it disposed of.

Article 39. (Extension of Sewerage System.)

VOTED: That the sum of forty two thousand (42,000) dollars be and hereby is appropriated for the extension of the Sewerage System; that for this purpose twenty eight thousand six hundred thirty nine and 68/100 (28,639.68) dollars be raised by general tax, and thirteen thousand three hundred sixty and 32/100 (13,360.32) dollars be taken from unexpended balances now in the treasury as follows:

Article #30—Annual Town Meeting 1946 Committee on Building Code	$ 1,116.25
Article #67—Annual Town Meeting 1955 Building—Cemetery Department	327.20
Article #61—Annual Town Meeting 1956 Committee—Fire and Police Signals	84.21
Article #76—Annual Town Meeting 1955 Addition—Junior High School East	4,327.40
Article #77—Annual Town Meeting 1955 Addition—Junior High School West	4,505.26
Article #37—Budget #38 Town Meeting 1957 Vocational Tuition and Transportation	3,000.00
	$13,360.32

said forty two thousand dollars to be expended under the direction of the Town Manager substantially as follows:
Extension of Sewerage System (Including Tools and Equipment).

There being no further business under Article 39, the Moderator declared it disposed of.

Article 40. (Extension of Water Mains.)

VOTED: (Unanimously) That the sum of thirty seven thousand (37,000) dollars be and hereby is appropriated for the extension of water mains; said sum to be raised by general tax and expended under the direction of the Town Manager substantially as follows:
Laying and relaying water mains of not less than six inches in diameter (including Tools and Equipment).

There being no further business under Article 40, the Moderator declared it disposed of.

Article 41. (Extension of Storm Drains.)

VOTED: That the sum of ten thousand (10,000) dollars be and hereby is appropriated for the extension of storm drains in the year 1958; said sum to be raised by general tax and expended under the direction of the Town Manager substantially as follows:
Extension of storm drains (including Tools and Equipment).

There being no further business under Article 41, the Moderator declared it disposed of.

Article 42. (Improvement of Volume and Pressure—Water System.)

VOTED: That the sum of thirty thousand (30,000) dollars be and hereby is appropriated for Improvement of Volume and Pressure of the Water System; said sum to be raised by general tax and expended under the direction of the Town Manager substantially as follows:
Improvement of Volume and Pressure—Water System.

There being no further business under Article 42, the Moderator declared it disposed of.

Article 43. (Sidewalks and Edgestones.)

VOTED: That the sum of twenty five thousand (25,000) dollars be and hereby is appropriated for the construction of permanent sidewalks and for the installing of edgestones in the year 1958; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 43, the Moderator declared it disposed of.

Article 44. (Appropriation—Maintenance of Public Sidewalks.)

VOTED: That the sum of twenty thousand (20,000) dollars be and hereby is appropriated for the reconstruction and maintenance of permanent sidewalks and resetting of edgestones upon the public ways of the Town, said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 44, the Moderator declared it disposed of.

Article 45. (Extension of Surface Drain—Cemetery Street and Garden Street.)

VOTED: That the sum of one thousand eight hundred (1,800) dollars be and hereby is appropriated for the extension of a surface drain in Cemetery Street, Town owned land, and Garden Street; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 45, the Moderator declared it disposed of.

Article 46. (Paving of Parking Area Adjacent to the Old Town Hall.)

VOTED: That no action be taken under Article 46 of the Warrant.

There being no further business under Article 46, the Moderator declared it disposed of.

Article 47. (Traffic Lights—Massachusetts Avenue at Appleton Street.)

VOTED: That no action be taken under Article 47 of the Warrant.

There being no further business under Article 47, the Moderator declared it disposed of.

Article 48. (Reconstruction of Certain Streets.)

VOTED: (Unanimously) That the sum of twenty eight thousand five hundred and forty (28,540) dollars be and hereby is appropriated for the relocation, alteration and widening, construction of, specific repairs upon and improvement of all or any parts of Pleasant Street and Park Avenue, within the town as now existing or hereafter relocated, altered or widened, including land damages, if any, under the provisions of law authorizing the assessment of betterments or otherwise; said appropriation to be used with any sum or sums which may be allotted by the Commonwealth or by the County of Middlesex, or both, for such purpose or purposes; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 48, the Moderator declared it disposed of.

Article 49. (Laying Out of Quinn Road.)

VOTED: (Unanimously) That the laying out of a town way from Massachusetts Avenue to Hobbs Court, substantially in the location of the private way known as Quinn Road, as more particularly described in Article 49 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 49, the Moderator declared it disposed of.

Article 50. (Laying Out of Crawford Street.)

VOTED: (Unanimously) That the laying out of a town way from Washington Street to Gorham Street, substantially in the location of the private way known as Crawford Street, as more particularly described in Article 50 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 50, the Moderator declared it disposed of.

Article 51. (Laying Out of Gorham Street.)

VOTED: (Unanimously) That the laying out of a town way from Washington Street to Candia Street, substantially in the location of the private way known as Gorham Street, as more particularly described in Article 51 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 51, the Moderator declared it disposed of.

Article 52. (Laying Out of Washington Street.)

VOTED: (Unanimously) That the laying out of a town way from Summer Street to Brattle Terrace, substantially in the location of the private way known as Washington Street, as more particularly described in Article 52 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 52, the Moderator declared it disposed of.

Article 53. (Laying Out of Brattle Terrace.)

VOTED: (Unanimously) That the laying out of a town way from Washington Street to its end, substantially in the location of the private way known as Brattle Terrace, as more particularly described in Article 53 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 53, the Moderator declared it disposed of.

Article 54. (Laying Out of Nourse Street.)

VOTED: (Unanimously) That the laying out of a town way from Lowell Street to its end, substantially in the location of the private way known as Nourse Street, as more particularly described in Article 54 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 54, the Moderator declared it disposed of.

Article 55. (Laying Out of Reservoir Road.)

VOTED: (Unanimously) That the laying out of a town way from Nourse Street to its end, substantially in the location of the private way known as Reservoir Road, as more particularly described in Article 55 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 55, the Moderator declared it disposed of.

Article 56. (Laying Out of Sunset Road.)

VOTED: (Unanimously) That the laying out of a town way from Summer Street to Forest Street substantially in the location of the private way known as Sunset Road, as more particularly described in Article 56 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 56, the Moderator declared it disposed of.

Article 57. (Laying Out of West Street.)

VOTED: (Unanimously) That the laying out of a town way from Wollaston Avenue to Appleton Street, substantially in the location of the private way known as West Street, as more particularly described in Article 57 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 57, the Moderator declared it disposed of.

Article 58. (Laying Out of Joyce Road.)

VOTED: (Unanimously) That the laying out of a town way

from Oak Hill Drive to Saratoga Road, substantially in the location of the private way known as Joyce Road, as more particularly described in Article 58 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 58, the Moderator declared it disposed of.

At this point, a recess was taken from 9:45 to 10:00 P. M.

Article 59. (Laying Out of Ivy Circle.)

VOTED: (Unanimously) That the laying out of a town way from Joyce Road to its end, substantially in the location of the private way known as Ivy Circle, as more particularly described in Article 59 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 59, the Moderator declared it disposed of.

Article 60. (Laying Out of Appleton Place.)

VOTED: (Unanimously) That the laying out of a town way from Quincy Street to Burton Street, substantially in the location of the private way known as Appleton Place, as more particularly described in Article 60 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 60, the Moderator declared it disposed of.

Article 61. (Construction of Ways.)

VOTED: (Unanimously) That the sum of two hundred ninety eight thousand (298,000) dollars be and hereby is appropriated for the original construction of public ways, the laying out of which is accepted at this meeting, including land damages and the cost of pavements and sidewalks laid at the time of such construction, all under the provisions of law authorizing the assessment of betterments; that for this purpose the sum of forty eight thousand (48,000) dollars be raised by general tax, and for the balance, two hundred fifty thousand (250,000) dollars, the Treasurer, with the approval of the Board of Selectmen, be and hereby is authorized to borrow the said sum of two hundred fifty thousand (250,000) dollars and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Section 19 of Chapter 44 of the General Laws and all Acts in addition thereto or amendment thereof, so that the whole loan shall be paid in not more than ten (10) years from the issue of the first bond or note or at such earlier date as the Treasurer and Selectmen may determine; and further

that the sum of two hundred ninety eight thousand (298,000) dollars be expended under the direction of the Town Manager, substantially as follows:

Quinn Road	(Article 49)	$ 900.00
Crawford Street	(Article 50)	19,900.00
Gorham Street	(Article 51)	48,000.00
Washington Street	(Article 52)	20,200.00
Brattle Terrace	(Article 53)	30,300.00
Nourse Street	(Article 54)	20,800.00
Reservoir Road	(Article 55)	11,000.00
Sunset Road	(Article 56)	16,500.00
West Street	(Article 57)	40,800.00
Joyce Road	(Article 58)	37,800.00
Ivy Circle	(Article 59)	21,200.00
Appleton Place	(Article 60)	30,600.00
		$298,000.00

There being no further business under Article 61, the Moderator declared it disposed of.

Article 62. (Easements in Land.)

VOTED: (Unanimously) That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town, to purchase or take by eminent domain or otherwise acquire, easements in land adjoining the location of ways, the laying out of which is accepted at this meeting, consisting of the right to have the land of said location protected by having the surface of such adjoining land slope from the boundaries of said locations; that for this purpose the sum of eight hundred (800) dollars be and hereby is appropriated; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 62, the Moderator declared it disposed of.

Article 63. (Reconstruction of Certain Streets.)

VOTED: (Unanimously) That the sum of fifty two thousand one hundred twenty nine and 94/100 (52,129.94) dollars be and hereby is appropriated for the reconstruction of any or all parts of the following streets or ways within the Town; Pond Lane, Lewis Avenue, Beacon Street, Park Street, Decatur Street and North Union Street; and to meet said appropriation the sum of fifty two thousand one hundred twenty nine and 94/100 (52,129.94) dollars be transferred from the proceeds received from the Commonwealth of Massachusetts under the provisions of Chapter 718 of the Acts of 1956.

There being no further business under Article 63, the Moderator declared it disposed of.

Article 64. (Proposed Alteration of Zoning Map — Massachusetts Avenue and Allen Street.)

John B. Byrne, Jr., Chairman of the Planning Board, reported for the Planning Board and on his motion, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Laws by altering the zoning map therein referred to so as to include in the Residence C District the area now included partly in the Business A District and partly in the Residence B District, bounded and described as follows:

WESTERLY	by Massachusetts Avenue, 101 feet;
WESTERLY	again by a curved line forming the intersection of said Massachusetts Avenue and Allen Street, 34.54 feet;
NORTHWESTERLY	by said Allen Street, 159.53 feet;
NORTHEASTERLY	by Lot 24 and Pt. 23 as shown on plan hereinafter mentioned, 90 feet;
SOUTHEASTERLY	by Lot 29 as shown on said plan, 5 feet;
NORTHEASTERLY	again by said Lot 29 as shown on said plan, 11.05 feet;
SOUTHEASTERLY	again by Lots 28 and 27 as shown on said plan, 110 feet;
NORTHEASTERLY	again by said Lot 27 as shown on said plan, 8.95 feet; and
SOUTHEASTERLY	again by Lots 26 and 25 as shown on said plan, 113.04 feet.

Containing 20,894 square feet of land according to said plan. Said parcel being shown on a plan entitled, "Plan of Proposed Change in Zoning" dated January 15, 1958.

There being no further business under Article 64, the Moderator declared it disposed of.

Article 65. (Proposed Alteration of Zoning Map — Forest Street and Summer Street.)

John B. Byrne, Jr., Chairman of the Planning Board, reported, for the Planning Board and on his motion, it was

VOTED: (Unanimously) That no action be taken under Article 65 of the Warrant.

There being no further business under Article 65, the Moderator declared it disposed of.

Article 66. (Paving for Parking — Junior High School West.)

VOTED: (Unanimously) That the sum of two thousand six hundred sixty five (2,665) dollars be and hereby is appropriated for paving a portion of the Junior High School West property, adjacent to Appleton Place, for off-street parking purposes; said sum to be raised by general tax and expended under the direction of the Town Manager and the School Committee.

There being no further business under Article 66, the Moderator declared it disposed of.

Article 67. (Establish Conservation Commission.)

VOTED: That no action be taken under Article 67 of the Warrant.

There being no further business under Article 67, the Moderator declared it disposed of.

Article 68. (Acceptance of a Gift of Land.)

VOTED: That the Town of Arlington does accept a gift to the town from Lewis Gordon of a parcel of land at the southeasterly corner of Franklin Street and Broadway. Said land is bounded and described as follows:

Beginning at the point of intersection of the southwesterly side line of Broadway and the southeasterly side of Franklin Street, thence southeasterly on said southwesterly side line of Broadway, a distance of 13.01 feet to a point on said southwesterly side of Broadway, thence northwesterly, westerly and southwesterly through land formerly No. 248 Broadway on a curve to the left with a radius of 15 feet a distance of 21.43 feet to a point on the southeasterly side line of Franklin Street, thence northeasterly on said southeasterly side line of Franklin Street, a distance of 13.01 feet to the point of beginning, containing 34 sq. ft. more or less and shown on a plan on file in the office of the Town Engineer, Arlington, Mass., entitled "Sketch showing proposed alteration, Arlington, Mass., Scale 1 inch = 10 feet, Dec. 1957, W. H. Roby, Town Engineer".

There being no further business under Article 68, the Moderator declared it disposed of.

Article 69. (Additional Appropriation — High School Building.)

VOTED: (Unanimously) That no action be taken under Article 69 of the Warrant.

There being no further business under Article 69, the Moderator declared it disposed of.

Article 70. (Appointment of Committee — Re — Voting Machines.)

VOTED: That the Moderator be and hereby is empowered and instructed to appoint a committee of five persons, one of whom shall be the Town Clerk, to investigate, consider and make recommendations as to the advisability of installing voting machines in any or all of the precincts of the Town, said committee to report not later than the Annual Town Meeting of 1959; and that the sum of one hundred (100) dollars be and hereby is appropriated for the use of said committee, said sum to be raised by general tax.

There being no further business under Article 70, the Moderator declared it disposed of.

Article 71. (Appropriation to Determine Title to the Great Meadows.)

VOTED: That no action be taken under Article 71 of the Warrant.

There being no further business under Article 71, the Moderator declared it disposed of.

Article 72. (Additional Appropriation — Pierce School Playground.)

VOTED: That no action be taken under Article 72 of the Warrant.

There being no further business under Article 72, the Moderator declared it disposed of.

Article 73. (Creation of Stabilization Fund.)

VOTED: (Unanimously) That the Town does hereby create a Stabilization Fund in accordance with the provisions contained in Massachusetts General Laws (Tercentenary Edition) Chapter 40, Section 5B, as amended; and that the sum of one hundred fifty thousand (150,000) dollars be and hereby is appropriated to establish such fund; said sum to be taken from available funds now in the treasury.

There being no further business under Article 73, the Moderator declared it disposed of.

Article 74. (Re-Draw Precinct Lines.)

VOTED: That no action be taken under Article 74 of the Warrant.

There being no further business under Article 74, the Moderator declared it disposed of.

Article 75. (Federal Aid — Improvement of Arlington Center Business Area.)

VOTED: That this Town Meeting does recommend that the Board of Selectmen cause all necessary action to be taken to determine if Federal Aid can be obtained under existing legislation, and to qualify for such aid, if available, to assist the Town in its program for the relocation of Mystic Street, the improvement of the Arlington Center business area, and the solution of traffic problems in Arlington Center.

There being no further business under Article 75, the Moderator declared it disposed of.

Article 76. (Transfer of Cemetery Funds.)

VOTED: That the sum of five thousand (5000) dollars be and hereby is transferred from (Mount Pleasant Cemetery) sale of lots and graves funds to the Cemetery Commissioners for the improvement of the Town Cemetery.

There being no further business under Article 76, the Moderator declared it disposed of.

Article 77. (Advertising Town By-Laws.)

VOTED: That the sum of two hundred (200) dollars be and hereby is appropriated for the purpose of defraying the expense of advertising and other costs relating to the By-Laws voted at this meeting; said sum to be raised by general tax and expended under the direction of the Town Clerk.

There being no further business under Article 77, the Moderator declared it disposed of.

Article 78. (Abatement of Taxes — Elderly People.)

VOTED: That no action be taken under Article 78 of the Warrant.

There being no further business under Article 78, the Moderator declared it disposed of.

Article 79. (Ornamental Lighting — Christmas Holiday Season.)

VOTED: That the sum of four thousand (4,000) dollars be and hereby is appropriated for the purpose of providing ornamental and additional light to the Town during the Christmas Holiday Season; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 79, the Moderator declared it disposed of.

Article 80. (Headquarters for Lt. Stanley G. Benner Detachment — Marine Corps League of Arlington.)

VOTED: That in accordance with Chapter 40 Section 9 under the General Laws of Massachusetts, as amended by Chapter 409 of the Acts of 1946, the sum of nine hundred (900) dollars be and hereby is appropriated for the purpose of providing headquarters for the "Lt. Stanley G. Benner Detachment, Marine Corps League of Arlington;" and that said sum be raised by general tax and expended under the direction of the Board of Selectmen.

There being no further business under Article 80, the Moderator declared it disposed of.

Article 81. (Appropriation of Available Funds.)

VOTED: That the sum of four hundred thousand (400,000) dollars voted for appropriations heretofore made under the Warrant for this meeting, and not to be borrowed or to be taken from available funds or from balances of special appropriations made in other years, shall be taken from any available funds in the Treasury; and that the Assessors be instructed to use free cash in the Treasury in any available funds to that amount in the determination of the 1958 tax rate.

There being no further business under Article 81, the Moderator declared it disposed of.

On motion of Kermit C. Streng of the Finance Committee, duly seconded, it was

VOTED: That Article 3 be taken from the table. (Reports of Committees.)

On motion of John B. Byrne, Jr., Chairman of the Planning Board, duly seconded, it was

VOTED: That the Joint Planning Committee be discharged.

On motion of Town Clerk James J. Golden, duly seconded, it was

VOTED: That the Committee on the 150th Anniversary of the Incorporation of the Town of Arlington be discharged.

There being no further business under Article 3, the Moderator declared it disposed of.

On motion of Kermit C. Streng of the Finance Committee, duly seconded, it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 10:50 P.M., Friday, March 21, 1958.

A true record, ATTEST:

James J. Golden
Town Clerk

State Primary — September 9, 1958

The polls will be open from 10 A.M. to 8 P.M.

And you will notify and warn the voters of the Town of Arlington to meet at the times and places herein specified by leaving at every dwelling house in the Town a printed copy of this warrant, and also by posting a copy of the same at the doors of the Town Hall and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this eleventh day of August, in the year of our Lord one thousand nine hundred and fifty-eight.

JOSEPH P. GREELEY
FRANKLIN W. HURD
DANIEL J. BUCKLEY, JR.
THOMAS R. RAWSON
ARTHUR D. SAUL, JR.
Selectmen of the Town of Arlington

A true copy.
Attest:

(SIGNED) FRANK K. NICKSAY,
CONSTABLE

CONSTABLE'S RETURN
COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. Arlington, September 4, 1958

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and places and for the purposes herein specified by causing a printed attested copy of said warrant to be left at every dwelling house in the Town previous to said day of the meeting for the election of can-

didates of political parties and by posting an attested copy of said warrant at the doors of the Town Hall and in five or more conspicuous places in each of the fourteen precincts of the Town, seven days at least before said day of said meeting. A notice of the time, places and objects of the meeting was published in the local papers.

Frank K. Nicksay
Constable of the Town of Arlington, Massachusetts

In pursuance of the foregoing Warrant, the inhabitants of the Town of Arlington, qualified to vote in Primaries, met in the polling places designated by the Board of Selectmen for the several precincts in said Town on Tuesday, September 9, 1958, at 10:00 o'clock in the forenoon.

Upon receipt of the returns of ballots cast from the several precincts, the Town Clerk, assisted by the Registrars of Voters, Ann Mahon, Assistant Town Clerk, and Elizabeth M. Holt and Mary A. Farrington, Assistant Registrars, canvassed the same and, upon completion of the tabulation at 1:45 A.M. on Wednesday, September 10, 1958, announced the results, as follows:

Total of Ballots cast — 8,660
Democratic — 5,665
Republican — 2,995
(33.9% of total — 25,516)

A true record, ATTEST:

JAMES J. GOLDEN
Town Clerk

Arlington, September 11, 1958

The Town Clerk this day made return to the Office of the Secretary of the Commonwealth of the votes cast at the State Primary held in Arlington on the 9th day of September, 1958, using therefor the blank forms supplied by the Secretary of the Commonwealth.

ATTEST:

JAMES J. GOLDEN
Town Clerk

State Election — November 4, 1958

TOWN WARRANT

THE COMMONWEALTH OF MASSACHUSETTS
Middlesex, ss.

To any of the Constables of the Town of Arlington:

GREETING:

In the name of the Commonwealth, you are hereby required to notify and warn the inhabitants of said Town, qualified as the Constitution requires, to meet in the polling places designated for the several precincts in said Town viz:

Precinct 1,	East Arlington Branch Library, entrance on Mass. Avenue
Precinct 2,	Hardy School, entrance on Lake Street
Precinct 3,	Junior High School East, entrance on Tufts Street
Precinct 4,	Hardy School, entrance on Lake Street
Precinct 5,	Thompson School Building, entrance on North Union Street
Precinct 6,	Town Hall, entrance on Mass. Avenue
Precinct 7,	St. Agnes Parochial School Building, side entrance on Medford Street
Precinct 8,	Town Hall, entrance on Mass. Avenue
Precinct 9,	St. Agnes Parochial School Building, entrance on Compton Street
Precinct 10A,	Cutter School, entrance on Robbins Road
Precinct 10B,	Brackett School, entrance on Eastern Avenue
Precinct 11,	Highland Hose House, entrance on Mass. Avenue
Precinct 12A,	Cutter School, entrance on Robbins Road
Precinct 12B,	Brackett School, entrance on Eastern Avenue
Precinct 13,	Peirce School, entrance on Park Avenue North
Precinct 14A,	Park Avenue Congregational Church, entrance on Paul Revere Road
Precinct 14B,	Dallin School, entrance on Florence Avenue

TUESDAY, THE FOURTH DAY OF NOVEMBER 1958

next, it being the Tuesday next after the first Monday in said month at 7 A.M. to act on the following articles, viz:

Article 1. To bring in their votes for a Senator in Congress; a Governor; a Lieutenant Governor; a Secretary; a Treasurer and Receiver-General; an Auditor; an Attorney-General for this Com-

monwealth; a Representative in Congress for the fifth Congressional District; A Councillor for the sixth Councillor District; a Senator for the sixth Senatorial District, Middlesex County; in Precincts 1, 3 and 5, two Representatives in General Court for the Twenty-Fifth Representative District, Middlesex County; in Precincts 2, 4, 6, 7, 8, 9, 10, 11, 12, 13 and 14, two Representatives in General Court for the Twenty-Eighth Representative District, Middlesex County; a District Attorney for the Northern District; a Clerk of Courts for Middlesex County; a Register of Deeds for the Southern District, Middlesex County; a County Commissioner for Middlesex County; a Register of Probate and Insolvency (to fill vacancy) for Middlesex County.

To vote "Yes" or "No" upon the following questions:

QUESTION No. 1

Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of 73 in the affirmative and 132 in the negative and was approved in the Senate by a vote of 21 in the affirmative and 17 in the negative?

Yes	
No	

SUMMARY

The proposed measure provides that every former public employee, other than a judge, who is pensioned or retired for disability, shall report to his retirement authority, annually, his earnings from gainful occupation during the preceding year; and that, if such earnings, plus the pension, exceed the regular compensation of the position formerly held, the pensioner shall refund that portion of his pension equal to such excess or the entire pension if such excess is greater than the pension. A refund, if required, shall not include any part of a pension represented by salary deductions from or special purchase by the former employee. The requirement of a refund is not applicable to income received in or prior to 1958.

QUESTION NO. 2

A. Shall licenses be granted in this town for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages)?

Yes	
No	

B. Shall licenses be granted in this town for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

Yes	
No	

C. Shall licenses be granted in this town for the sale therein of all alcoholic beverages in packages, so-called, not to be drunk on the premises?

Yes	
No	

QUESTION NO. 3

A. Shall the pari-mutuel system of betting on licensed horse races be permitted in this country?

Yes	
No	

B. Shall the pari-mutuel system of betting on licensed dog races be permitted in this country?

Yes	
No	

All the above to be voted for on one ballot. The polls will be open from 7 A.M. until 8 P.M. and you will notify and warn the voters of the Town of Arlington to meet at the times and places herein specified by leaving at every dwelling house in the Town a printed copy of this warrant and also by posting a copy of the same at the doors of the Town Hall and in a conspicuous place in each of the fourteen precincts of the Town seven days, at least, prior to the time of said meeting.

Hereof, fail not, and make due return of this warrant, with your doings thereon, to the Selectmen, on or before said day and hour of meeting.

Given under our hands in said Arlington, this sixth day of October in the year of our Lord, one thousand nine hundred and fifty-eight.

JOSEPH P. GREELEY
FRANKLIN W. HURD
THOMAS R. RAWSON
ARTHUR D. SAUL, JR.
DANIEL J. BUCKLEY, JR.
} SELECTMEN OF THE TOWN OF ARLINGTON

A true copy.

Attest:

(SIGNED) FRANK K. NICKSAY
Constable, Town of Arlington

CONSTABLE'S RETURN

Arlington, Mass., October 31, 1958

Middlesex County:

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the times and places and for the purposes herein-named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, places and objects of the meeting was published in the local papers.

Frank K. Nicksay
Constable, Town of Arlington, Mass.

In pursuance of the foregoing Warrant, the inhabitants of the Town of Arlington, qualified to vote in elections, met in the polling places designated by the Board of Selectmen for the several precincts in said Town on Tuesday, November 4, 1958, at 7 o'clock in the forenoon.

Within one hour after the hour for the closing of the polls, the Town Clerk completed delivery of the one hundred eighty-eight (188) envelopes received by him purporting to contain absent voting ballots, together with the applications therefor, to the election officers in the several voting precincts. The number of such ballots received, cast and/or rejected in each precinct was as follows:

Precinct	1	2	3	4	5	6	7	8	9
Armed Forces	1	1	6	1	5	3	5	4	4
Ballots Cast	1	1	4	1	5	3	5	4	4
Ballots Rejected	0	0	2	0	0	0	0	0	0
Civilians	6	6	9	8	4	20	9	8	21
Ballots Cast	5	6	9	7	4	20	9	8	21
Ballots Rejected	1	0	0	1	0	0	0	0	0

Precinct	10A	10B	11	12A	12B	13	14A	14B	Total
Armed Forces	0	1	2	2	1	5	3	3	47
Ballots Cast	0	1	2	2	1	4	2	3	43
Ballots Rejected	0	0	0	0	0	1	1	0	4
Civilians	2	11	8	8	8	4	2	7	141
Ballots Cast	2	11	8	8	8	4	2	7	139
Ballots Rejected	0	0	0	0	0	0	0	0	2

Upon receipt of the returns from the several precincts, the Board of Selectmen and Town Clerk, assisted by the Registrars of Voters, Miss Ann Mahon, Assistant Town Clerk, and Miss Mary Farrington, Assistant Registrar, canvassed the same and announced the reults at 2:40 A.M. on Wednesday, November 5, 1958, as follows:

Total of Ballots Cast — 22,009
(83.4% of total — 26,380)

All ballots, used and unused, tally sheets, total vote sheets, voting lists, absent voters' applications and ballot envelopes and rejected ballots, and all other records pertaining to the State Election, properly signed and sealed, were delivered to the Town Clerk to be preserved by him during the time required by law.

A true record, ATTEST:

JAMES J. GOLDEN
Town Clerk

Arlington, November 13, 1958

Copies of the records of the votes cast at the State Election held in Arlington on November 4, 1958, were certified by the Selectmen, attested and sealed by the Town Clerk in the envelopes furnished for the purpose, and transmitted to the Office of the Secretary of the Commonwealth on November 12, 1958, and to the Offices of the County Commissioners and Clerk of Courts for Middlesex County on November 13, 1958, in accordance with the provisions of Section 112 of Chapter 54 of the General Laws.

ATTEST:

James J. Golden
Town Clerk

Report of the Town Clerk's Department

To the Citizens of Arlington:

The following annual report of the Town Clerk's Department for the year ending December 31, 1958, is herewith submitted, in accordance with the Town's By-Laws.

The total of fees collected by the department during the year and deposited with the Town Treasurer was $16,345.48, a decrease of $14.39 over the revenue collected in the preceding year. Of this amount, $4,524.00 was for conservation licenses and $4,734.85 was for dog licenses.

The report of fees collected is as follows:

Marriage Intentions	$ 986.83
Mortgages	2,667.71
Uniform Commercial Code Filing Fees	790.64
Miscellaneous Certificates	1,962.30

Paid to Town Treasurer, Fees	352.00
	$4,524.00

*1959 Licenses issued during December, 1958

Your attention is directed to the reports, appearing on the pages that follow, upon the vital statistics of the Town which are recorded at this writing. It should be noted, however, that the summary of statistics relating, in particular, to births and deaths is incomplete, inasmuch as records thereof pertaining to Arlington residents are still being received by our office.

On December 29, 1958, the Town of Arlington experienced the loss of one of its outstanding citizens in the passing of Town Clerk James J. Golden. In his more than twenty-five years of service to the Town, during which he also served as Executive Secretary to the Board of Selectmen, Mr. Golden was among the Town's most dedicated and highly-regarded officials. His expert leadership will be long remembered by his townspeople.

Respectfully submitted,

ANN MAHON
Assistant Town Clerk

Report of the Registrars of Voters

Honorable Board of Selectmen
Arlington, Massachusetts

Gentlemen:

The Registrars of Voters herewith submit, in compliance with Section 3 of Article 3 of the By-Laws, their annual report for the year ending December 31, 1958.

Temporary Assistant Registrars were again designated by our Board to make a complete canvass of the Town for the purpose of taking the annual listings of persons twenty years of age and older and of owners and keepers of dogs, as required under the law.

Upon completion of the work of revising the voting list, in accordance with the true list information that had been presented. a total of 2,594 notices — 161 less than in the preceding year — were sent by first-class mail, as required by law, to persons whose names were not returned in the lists submitted by the Temporary Assistant Registrars or who failed of identification.

Of this number, 948 proved residence and were reinstated. However, the names of 1,646 voters were dropped from the list for varying reasons including removal from the Town, changes of name by marriage or court decree, and/or failure to comply with the request for information relative thereto.

During the year, 29 evening sessions for the registration of voters were held in various public buildings throughout the Town, at which 1,026 persons were qualified to vote in elections. An additional 1,256 persons were so qualified during regular business hours at the Office of the Town Clerk. A total of 2,282 names were, therefore, added to the voting list.

At the date of the last biennial State Election, the total number of registered voters and of enrolled Democrats and Republicans in each voting precinct was as follows:

Precinct	Total Voters	Total Democrats	Total Republicans
1	1474	594	292
2	2007	806	433
3	1205	479	315
4	1839	608	420
5	2168	1013	245
6	1470	344	606
7	1476	662	256
8	1719	386	759
9	2120	556	607
10A	794	202	250
10B	974	222	366
11	2440	773	553
12A	1391	368	444
12B	679	142	235
13	1911	603	521
14A	1200	400	.351
14B	1513	396	399
	26,380	8,554	7,052

In the past year our Board certified the signatures of 9,341 voters appearing in initiative petitions, nomination papers filed by candidates seeking municipal, county and state offices, and the petitions filed with your Board for articles to be inserted in the Warrant for the Annual Town Meeting.

For the three elections held during the year, the Registrars were in session throughout the entire period during which the polls were open, after which they assisted in the tabulation of the returns of ballots cast at such elections, as follows:

	Polls Open	Tabulation Completed
Town Elections (March 3)	7 A.M. to 8 P.M.	11:30 P.M.
State Primary (September 9)	10 A.M. to 8 P.M.	1:45 A.M. - Sept. 10
State Election (November 4)	7 A.M. to 8 P.M.	2:40 A.M. - Nov. 5

It is with a deep sense of loss that we record the passing on December 29 of James J. Golden, who, as Town Clerk, served as ex officio member and Clerk of our Board, a position which he faithfully and conscientiously fulfilled for many years. We, the remaining members of the Board, have lost a true and loyal associate.

Respectfully submitted,

Timothy J. Buckley, Chairman
Arthur P. Wyman
Joseph H. Cormier
Majority of Registrars of Voters

FRANCIS A. COUGHLIN

Collector of Taxes
and Town Collector

ANNUAL REPORT of the BOARD OF ASSESSORS for 1958

During the year, the Board of Assessors met every Monday evening, plus Special Meetings called by the Chairman, especially during July and August, when intermittent sessions were held.

Hearings were held with residents of the Town, on the subject of property valuation, personal and motor excise taxes, relief to the aged, infirm or poor; veterans' exemptions and the like.

During the year members of the Board attended all conferences conducted by the State Dept. of Corporations and Taxation.

Members of the Board made weekly trips "into the field", during the year to assess new property constructed within the Town, as well as alterations to existing property.

During the month of January, members of the Board made individual inspections throughout the Town and assessed personal property in the amount of $4,662,250.

At the organizational meeting on the Monday following the Annual Town Election the members including Walter S. Cooledge Jr., Leonard D. Wood and William O. Hauser met and elected unanimously Mr. Cooledge as Chairman, and Mr. Hauser as Clerk for one year.

The number of bills processed by the office was over forty-five thousand (45,000) this year.

During the year over 3,900 statutory applications for abatement and exemption, consisting of Motor Excise, Poll, Personal Property and Real Estate were processed by the Board, the greatest percentage of which were on the transfer of ownership of motor vehicles.

The following permits were received from the Building Department during the year:

New buildings	187	New garages	11
Add. & Alter.	125	Signs	40
Reroofs	28	Misc.	9
Demolish bldgs.	30		

Following is a comparison of exemptions granted on real estate as required by Law:

	1958	1957
Veterans (disability, etc.)	$112,618.42	$106,902.20
Widows	17,623.65	15,718.55
Inability to pay	2,484.66	3,122.76
Minors	284.80	140.80
Old Age	4,609.30	3,849.12
Blind	665.72	872.45
	$138,286.55	$130,605.88

The total amount of exemptions granted in 1958 represents approximately $1.69 on the Tax Rate.

In 1941 and 1942 the Assessors reduced Real Estate values by 5% in each of these years. Jan. 1, 1952 one of the 5% reductions was reinstated and on Mar. 31, 1958 the Assessors voted to reinstate the other 5% on all dwelling houses that were built prior to 1943. This increase in valuation amounted to $2,351,350. as of Jan. 1, 1958.

New property was found and total valuation increased as follows:

Jan. 1, 1955	$2,103,350.
Jan. 1, 1956	1,612,850.
Jan. 1, 1957	1,400,000.
Jan. 1, 1958	1,553,500.

The actual total increase in Real Estate value in 1958 over 1957 was $3,904,850. Included in this amount is $2,351,350. due to the second 5% increase which leaves a net increase of $1,553,500 in new property as of Jan. 1, 1958.

The Tax Rate figures, statistics and percentage of appropriations by Departments follows:

WALTER S. COOLEDGE, JR., Chairman
LEONARD D. WOOD
WILLIAM O. HAUSER, Clerk.

Recapitulation of Figures Used in Determining The Tax Rate of 1958 ($71.20)

DEBITS:		
Appropriations (including all appropriations voted since 1957 Tax Rate was fixed)	$7,307,625.62	
Appropriations voted to be taken from Avail. Funds	219,859.05	$7,527,484.67
Overlay deficits		1,585.96
State audit of municipal accounts		520.92
State examination of Retirement System		237.46
Smoke Inspection Service		948.22
Metro. Parks		66,795.66
Metro. Sewer, North		161,505.79
Metro. Water		142,449.12
Bos. Metro. Dist. expense		428.24
Metro. Transit Authority		230,050.66
Smoke Inspection Service (1957 underestimate)		25.03
Metro. Sewer, North (1957 underestimate)		1,544.16
Metro. Transit Authority (1957 underestimate)		24,502.88
County Tax (includes 1957 underestimate)		239,913.76
Tuberculosis Hospital		48,726.51
Overlay of 1958		147,879.96
Gross amount to be raised		$8,594,599.00
CREDITS:		
Income Tax	$ 320,040.75	
Corporation Taxes	211,948.49

Annual Report of the Department of Civil Defense

December 31, 1958

Mr. Edward C. Monahan
Town Manager
Arlington 74, Mass.

Dear Sir:

In accordance with the By-Laws of the Town, I submit herewith the ninth annual report of the Department of Civil Defense.

Training reached a high peak during the year through the cooperation of the American Red Cross. Six hundred students at the Senior High School completed the Standard First-Aid Course. The entire regular Police Department personnel also completed the Standard Refresher Course.

Red Cross — Red Cross and Civil Defense jointly sponsored throughout the town other courses in First-Aid, Home Nursing and "Mother and Baby Care".

Auxiliary Police — Sixty-six men received regular weekly training. A new program was introduced in 1958, that of guarding the schools against vandalism, a new public service, and in turn offering greater training to the force. Sixty men who are regularly assigned each week received mittens and traffic belts.

Ambulance — Civil Defense put into operation the reconditioned police ambulance. First-Aid crews have been assigned to man such in emergencies.

Auxiliary Fire Department — The Auxiliary Fire Force increased its training schedule to include precautions on Radioactive dangers.

Ham Operators — Radio Civil Defense volunteers have increased almost double due to the tireless efforts of Chief Radio Operator, George A. Davison. Surplus Army Walkie-Talkies have been converted for Civil Defense use by these electronic mechanics.

Explorer Scouts — Explorer Scouts again aided Civil Defense by distributing Civil Defense Handbooks to every home in the town.

Surplus Property — During the past year, approximately $20,000. of Federal Surplus Property was acquired for the town through the joint cooperation of Civil Defense and the School Department. Mr. Harry Patterson, Vocational Director of the School Department was most cooperative in this measure. The total cost to the town was $1427.49.

Matching Funds — Savings of $3035. was accomplished this year by the purchase of five two-way radios for the Police and Fire Department, and two radios for the Ham Operators, through the Matching Funds Program.

Disaster Service — On January 23, 1958 Auxiliary Police, Auxiliary Fire Departments and the Red Cross Disaster Service

were placed in operation in the area of the plane crash on Lowell Street. The Auxiliary Police materially aided the regular department in "crowd control" and traffic duties for many hours.

On August 8, 1958, the Auxiliary Police were called to duty to protect life due to fallen wires as the result of the electric storm.

All activities have not been enumerated due to the fact of presenting a short concise report.

To all volunteers who participated, we express our sincere appreciation for their dedication to public service. We also extend the appreciation of the department to the other departments and public employees in the town who have cooperated during the year.

Respectfully submitted,

Lieutenant Philip A. Sweeney
Director Civil Defense

Report of Dog Officer

January 7, 1959

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I herewith submit my report as Dog Officer for the Town of Arlington for the year ending December 31, 1958 in accordance with Section #3 of Article #3 of the Town By-Laws.

Complaints registered with me are as follows:

Dogs impounded	336
Unlicensed dogs impounded and delivered to owners	52
Licensed dogs returned via telephone	230
Licensed dogs returned by car	52
Unlicensed dogs impounded and turned over to Animal Rescue League when owner could not be located	250
Dogs destroyed at pound	8
Dog owners contacted on Warrant	1125
Dogs caused to be licensed	1090
Dogs licensed	2160
Complaints received at my office and investigated	44

Complaints registered with me to remove dead or mutilated animals from highways are as follows:

Dogs	67	Raccoon	1
Cats	156	Rats	4
Skunks	61	Rabbits	10
Squirrels	66	Turtles	2
Pigeons	46	Sea Gull	1

At this time, I wish to express my thanks to you and the Board of Selectmen for the advice and assistance given me in the settlement of the many controversies arising between the Dog Owners and the complainants.

I also wish to thank Police Chief Ryan and his department for the splendid cooperation given me through the year.

I also wish to thank the office of the Town Clerk for their cooperation.

In conclusion, I gratefully acknowledge the prompt attention given by the Dog Owners of Arlington to the licensing of their dogs this year.

Respectfully submitted,

Samuel F. Femia
Dog Officer — Town of Arlington

Annual Report of Inspector of Animals

January 13, 1959

Subject: Annual Report of Inspector of Animals

To: Town Manager

1. A total of 140 animals in Arlington were examined and quarantined for biting persons during the past year.

2. There were no cases of rabies in Arlington in 1958.

3. The Inspector of Animals wishes to express his appreciation to the Police Department and the Board of Health for their cooperation.

Respectfully submitted,

John J. Murphy, Jr., D. V. M.

Report of the Public Welfare Department

January 6, 1959

Edward C. Monahan, Town Manager
Town Hall
Arlington, Massachusetts

Dear Sir:

I have the honor to submit the report of the Medical Inspector of the Department of Public Welfare for the year ending December 31, 1958.

	House Calls	Clinic Calls	Total
Old Age Assistance	285	178	463
Aid to Dependent Children	19	97	116
Disability Assistance	33	50	83
General Relief	61	133	194
Veteran's Services	1	65	66

The total number of visits made to the Clinic for dental care was 187.

Respectfully submitted,

Edward W. Feeley, M.D.
Medical Inspector
Department of Public Welfare

Annual Report of the Park Commission

January 14, 1959

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Mr. Monahan:

The Board of Park Commissioners herewith submits its Annual Report for the year ending December 31, 1958.

MAINTENANCE:

Warren A. Peirce Field: Floodlights were installed on the basketball court with town employees doing most of the labor.

Resurfaced running track; damage was caused by overflowing of Mill Brook.

Painted permanent Wayne grandstand on north side of field, the temporary Wayne grandstand on east end of gridiron, and the temporary Wayne baseball stands on the west end of field.

Painted one-third of Safway grandstand on south side of field.

Repaired 50 feet of 8 foot chain link fence damaged by unknown motorist.

Erected thirty foot press box on north side of gridiron at estimated cost of $1,500.

Resurfaced and seeded center of gridiron.

Many compliments were received on the fine playing condition of the field.

Waldo Road: Erected one set of swings.

Ethel Wellington. Painted lines for tennis on three courts.

Crosby School: Painted lines for tennis on four courts.

Spy Pond Field: Replaced twenty seat boards and thirty floor boards; repaired archway and rear of grandstand.

Reservoir Field: Repaired ten floodlights on the softball field.

Meadowbrook Park: Graded south area and started to make a roadway parallel to Mill Brook to protect the ice skaters. Some 200 lineal feet has been graded along the brook with excess fill.

Sprayed entire area with C.M.U. chemical to destroy weeds. This process is a saving in labor and money and we feel is well worth the effort.

Summer Street: 290 lineal feet of chain link fence was painted.

Florence Avenue: Painted 900 lineal feet of 6 foot chain link fence.

North Union: Repaired drain in wading pool and roof drains on locker building. Erected a 16′ x 30′ softball backstop.

Reservoir Beach: Replaced two picnic tables.

General maintenance: Welded 1″ x 3/16″ chain links to 20 basketball basket rims, 12 links to a basket, painted each backstop and mounted a steel chain link net to each backstop.

Flower beds were maintained at Menotomy Rocks Park, Medford Street, Warren Street, Chestnut Street, Forest Street, Standpipe and Gray Street.

RECREATION:

Forty days of skating, with police supervision, was enjoyed at Meadowbrook Park, Hills Pond, North Union Street and Ethel Wellington Playground. Hills Pond and Meadowbrook Park were divided, one-half for hockey and the other half for skating. No hockey playing was allowed at North Union and Ethel Wellington. Other areas flooded for skating were Waldo Road, Robbins Farm and Parallel Street.

This department gave assistance to residents of Arlmont Village in preparing an area for skating for small tots living on Standish Road.

The ninth annual golf clinic was held at Junior High East two evenings a week, three one-hour sessions. with John Thoren, golf pro at Myopia Country Club, instructing. 135 registered for the six weeks course.

For the eleventh year, the Town Bowling League had two 8-team leagues that bowled on Tuesday and Thursday evenings at the Arlington Recreation Alleys. The annual banquet was held at the Arlington K of C Hall with 150 in attendance. Prizes, valued at over $800.00, were presented by Town officials to the various teams and individuals. These prizes were purchased with funds contributed by the contestants.

Five teams participated in the Men's Basketball League that competed on Wednesday evenings at the Junior High West. The caliber of basketball in this league has greatly improved over previous years.

The most competitive and popular program the Park Department sponsors is softball for men. Some twenty-two teams registered with a 10-team league comprising Class A, and a 12-team league comprising Class B. Two rounds were played at North Union, Thorndike, Robbins Farm, Florence Avenue and Reservoir Field. A big drawing card was the games at Reservoir Field played every

evening under floodlights. The Forest A. C. defeated the Jokers. . . this is the first time the Class B champions have defeated the Class A champions. The annual banquet was held at Legion Hall with 145 attending. Trophies were presented to the league champions.

A girls' basketball team entered in the Boston Park Department League finished fourth which was exceptionally good for the first year of competition.

A Basketball League for High School Boys was formed with ten teams registering. Games were played on Tuesday and Thursday evenings at the Junior High West. Two rounds of play was scheduled with the first four teams and the second four teams playing elimination series. The winners of each division were awarded trophies.

Archery for junior high boys and girls was conducted at Spy Pond Field on Tuesday and Thursday afternoons. This sport has gained in popularity.

The very popular 5th and 6th grade school activity program for girls held on Saturday mornings again proved very successful. Some 250 youngsters enjoyed skating parties at the M.D.C. Rink, nature study walks through Menotomy Rocks Park, and arts and crafts and low games at the high school, Dallin, Thompson, Peirce, Bishop and Hardy schools.

Ballroom dancing lessons for junior high school boys and girls were held with 40 registering at the Junior High West, and 26 at the Junior High East. The final dance was held in the evening with choice of formal or informal attire. Prizes were awarded to boys and girls and refreshments served.

The Little League program was coordinated by this department and assistance given the league in promoting its annual tournament for this district. There are three leagues. Reservoir Field, Warren A. Peirce Field and Linwood Field were used exclusively by Little League.

This department also assisted the Cub Scouts in its baseball program by making out schedules and assigning fields to the twelve teams participating. Games were played on Tuesday and Thursday evenings during the month of May at Robbins, Brackett, Cemetery Street and Bishop School.

Permits for fields were issued for daily play to eighty organized baseball and softball teams during the spring and summer months.

Tennis instruction for junior high school girls was given on Tuesday and Thursday afternoons at Spy Pond, Ethel Wellington and Crosby School courts during the spring, summer and fall.

Boys and girls from the Junior High West enjoyed horseback riding lessons at Connors Riding School in West Medford.

Due to inclement weather, Reservoir Beach did not open until June 23, 1958. However, because of the daily application of H.T.H. formula swimming conditions were excellent this summer. Average daily attendance was 400 with crowds of 800 to 1,000 on some days. Three lifeguards supervised the beach and gave swimming

lessons daily at 11:00 A.M. and 2:00 P.M. Beach closed September 4, 1958 because of threatening hurricane weather.

Swimming and First Aid class for high school girls was organized with twenty-eight girls registering. Swimming classes were held at Boston Y.W.C.A. pool and First Aid classes held at the high school.

A very successful summer program from June 30 through August 18 was provided for Arlington children on sixteen supervised areas. This year a baseball supervisor was engaged to encourage more 14 and 15 year old boys to play baseball. For the first time we had three leagues operating: Midgets, Juniors and Seniors with some 300 youngsters registered.

Highlights of the season: Annual Weenie Roast at Menotomy Rocks Park where 1,800 bottles of Coca Cola, hot dogs and ice cream bars, were distributed to the children through the sponsorship of the Arlington Boys' Club Associates. In conjunction with this affair, an amateur show was held with the playground children furnishing the talent. 450 boys and girls were the guests of the Boston Red Sox at Fenway Park; 80 youngsters attended the Tufts University Magic Circle Theater to see Cinderella a play all children are familiar with.

Some 5,000 youngsters and grownups witnessed the Final Day program sponsored by the Boston Traveler, under President Eisenhower's Physical Fitness Program, at Warren A. Peirce Field. Activities opened with a parade starting at the Robbins Library with St. Agnes Band leading and the Holy Trinity Band of Boston also marching. All sixteen playgrounds were represented and many beautiful floats made by the children were entered. Prizes were awarded for floats, doll carriages, bicycles, crazy hat and watermelon contests, ping pong, horseshoe, baseball, tennis. archery, track and field champs.

A highly successful and popular program for junior high school boys and girls is the dance held every Friday evening at Robbins Memorial Town Hall. Some 400 youngsters attend these weekly dances. Prizes are awarded during the course of the evening.

The Golden Age Club meets semi-monthly at the Robbins Junior Library. Over one hundred members attend each meeting at which interesting programs and a coffee hour is enjoyed. No dues are charged and any Arlington resident over 65 years of age is welcome. Highlights of the year: attendance at the Ice Follies at Boston Garden sponsored by the Touchdown Club of Arlington; several Red Sox baseball games; and the cinerama "Windjammer" at the Boston Theater.

Mrs. Mary McCarthy, Chairman of the Golden Age Sewing group since its inception, resigned because of ill health. This group continues to meet weekly under the chairmanship of Mrs. Flora J. MacKenzie making many useful articles of clothing which they distribute to charitable organizations and hospitals for children.

For the first time, this department started a Pee Wee Hockey League for boys from 9 to 14 years of age. There are eight teams participating in this program with the boys playing on Saturday

mornings from 7:00 to 9:00 AM at the M.D.C. Rink on Route 2, Belmont. With temperatures at ten above, and some 125 boys attending these sessions, it is hoped that this program will not be curtailed. Next winter this department hopes to have sponsors who will provide uniforms for the boys. This league will be operated in the same manner as Little League.

The Park Commissioners thank the Town Manager, Edward C. Monahan, Town departments and officials for their active cooperation, and the employees of this department for their loyalty and diligence in carrying out their duties.

Edward D. Buckley, Chairman
J. Fred McGann
Frank J. Hughes

Report of The Planning Board

January 13, 1959

Mr. Edward C. Monahan, Town Manager
Arlington, Massachusetts

Dear Mr. Monahan:

In accordance with Section 49 of Chapter 40 of the General Laws, the Planning Board submits its report for the year ending December 31, 1958.

The membership of the Planning Board changed during the year. In April, 1958 Mr. Wallace J. Flynn resigned after two years of valued service to the town. The Town Manager filled this unexpired term which ends August 17, 1959 by the appointment of Mr. Milton H. Anderson. Mr. John B. Byrne, Jr. and Miss Murdena Campbell, whose terms expired, were reappointed by the Town Manager for terms to expire August 17, 1961. The Planning Board elected Miss Campbell as Secretary to fill the vacancy created by Mr. Flynn's resignation.

During the past year the Board held fifteen meetings and participated in eighteen joint meetings with the Board of Selectmen, Development Commission, Metropolitan District Commission, and civic groups, and also in numerous conferences with town officials. The Board was represented at the annual Fall Conference of the Massachusetts Federation of Planning Boards.

In carrying out its work, the Planning Board has a number of major objectives which include the following: To determine the best use of land in accordance with a general plan for the town; to recommend proper zoning to implement this plan and to protect property values; to attempt to guide the development of the community so that maximum value is received for each dollar spent in physical improvements of the town; to create a pattern by which

private and public development can be carried out to create a pleasant and efficient community.

Five public hearings were conducted for requested revisions in the zoning by-laws and recommendations presented at the 1958 Town Meeting.

Article 28. An article to rezone park land on Summer Street to Business A (retail business district). This change was requested by the Arlington Development Commission. While in sympathy with the motives of the Commission, the Planning Board after serious deliberation and consultation felt that this area (recommended in the general plan for public or semi-public use) was not large enough for a worth while retail shopping center, but that the few stores it could contain might siphon off enough business to have an adverse effect on Arlington Center and cause further deterioration there. Construction problems are difficult in this area which has been used for sanitary fill. No definite proposals were submitted by the Commission and the zoning change would permit undesirable business uses in an area adjacent to the proposed parochial high school. By majority vote the Planning Board recommended no action on this article and the recommendation was upheld by the Town Meeting.

Article 30. An article to rezone land used for park purposes on Summer Street to an industrial district. This change was also requested by the Arlington Development Commission. The Planning Board recommended that no action be taken for the following reasons: the area forms a buffer between residential and industrial districts which protects property values; traffic congestion would be increased on Summer Street which is narrow and already heavily traveled; land set aside for park purposes would be withdrawn for other than public use when Arlington is already below the minimum standards recommended for recreational needs. The Town Meeting upheld the recommendation of the Planning Board.

Article 38. An article to rezone park land to Residence C for public housing for the aged citizens of Arlington. Recent changes in the area indicated that the Joint Planning Committee's recommendations would not materialize and the Housing Authority presented evidence that a definite need existed for this housing. The Planning Board took into consideration the open area aspects with the baseball field and beach, proximity to transportation, shopping and churches, and recommended favorable action. The Town Meeting approved the recommendations of the Board that the change be made.

Article 64. An article to alter the Zoning Map to include in the Residence C District an area partly in Business A and partly in Residence B for the building of apartment houses. This proposal was in accordance with the policy of the Planning Board to encourage such construction along Massachusetts Avenue. Favorable action was recommended which was approved by the Town Meeting.

Article 65. An article to rezone land from a Residence B to Residence C District to permit the construction of three garden-type apartment houses. No street layouts or definite locations were presented. Traffic problems would be created in the area. Since it

was felt the proposal was not in accordance with sound zoning principles, the Planning Board recommended that no action be taken. The recommendation was upheld by the Town Meeting.

Since the 1958 Town Meeting six meetings have been held with the Arlington Development Commission. To assist the Commission in its work, the Planning Board prepared for the Commission members an inventory of vacant and public land in Arlington, a list of recommended changes in land use to increase taxable values, and recently published material on exclusive industrial zoning.

The Planning Board was invited by the Board of Selectmen to participate in many joint meetings to discuss proposed improvements in Arlington Center. These included articles presented by the Arlington Development Commission and approved by the 1958 Town Meeting for street changes in the Center and parking on the Russell Common. The Planning Board strongly supports these changes which are in accordance with the Joint Planning Committee's recommendations, and also supports the proposals of the Board of Selectmen (1) to remove the Old Town Hall in order that Mystic Street might be relocated in the most efficient manner, and (2) to provide additional public parking by purchasing and developing the railroad property in the Center.

The report prepared for the Planning Board by the Robert C. Blumenthal Associates on the relocation of Route 3 was submitted in April and after study and approval was forwarded to the Board of Selectmen with the following recommendations: that the Selectmen use their best efforts to have Route 3 extended in the vicinity of the Arlington-Lexington line to the Concord Turnpike (an alternate route proposed by the state); that studies be instituted promply regarding improvements in street layouts in the town to take care of the heavy traffic forecast by the Blumenthal Report; and that efforts be made to have Route 2 extended toward Boston at the earliest possible moment to provide adequate traffic service to the citizens of Arlington.

In order to encourage the building of apartment houses in Arlington, the Planning Board will recommend to the 1959 Town Meeting that certain sections of Massachusetts Avenue be rezoned to give the necessary depth for such construction. Apartments are needed in the metropolitan area and would provide a new source of tax revenue for the town.

To clarify and modernize the present zoning by-laws, the Planning Board will also present for the approval of the Town Meeting, amendments which would make the Business A Districts true modern retail shopping areas, make Business B Districts general commerical areas, and provide increased protection for residential and business property.

Information on urban renewal presented by the Arlington Development Commission led the Planning Board to arrange a conference in December with field representatives of the Federal Housing and Home Finance Agency, town officials and members of town boards to discuss the possibilities of obtaining federal assistance for the improvement of Arlington Center. The Planning Board feels that the federal program for urban renewal offers real possibilities for

the removal of blight in Arlington Center, providing a new tool which has been needed to carry out planning, and that the cost of the "workable program" required would be a profitable investment which would result in a more attractive and prosperous community.

The Planning Board believes that a long range capital budgeting program is of great importance in carrying out planning. Under such a program the capital needs of the town could be brought together and items listed in terms of urgency with needs to be met in a logical order over a period of some years. The present setup in Arlington of a Committee for Advanced Programing and Budgeting has not been effective in recent years. The Planning Board believes that an investigation should be made of the capital budgeting programs now being conducted successfully in other communities.

The Planning Board is encouraged by a growing awareness in the community of the importance of planning for Arlington's future and by the cooperation it has received during the past year. There is also a growing realization that certain problems common to the Boston suburbs, such as transportation and economic development. are metropolitan in nature and call for regional planning. The many studies now being undertaken by state, city and private groups on the need for regional planning offer promise that a regional planning agency will be established in the near future to assist local planning boards in solving present problems and in guiding the future development of their communities.

In its work the Planning Board has had the valuable assistance of Mr. Allen Benjamin as a planning consultant on a part time basis. The Board believes, however, that Arlington, with a population of over 47,000 cannot meet the competition of neighboring communities without a planning staff, since modern methods are as necessary in running a town as in operating a business.

The Board wishes to express its sincere appreciation and thanks to the Town Manager, Mr. Monahan, and to all the boards and department heads who have rendered assistance and cooperation to it during the year.

Respectfully submitted,

John B. Byrne Jr., Chairman
Murdena Campbell
Milton H. Anderson
Fozi M. Cahaly

Report of the Supervisor of Maintenance

January 15, 1959

Mr. Edward C. Monahan
Town Manager
Town of Arlington, Mass.

Dear Mr. Monahan:

I, herewith, submit my report as Supervisor of Maintenance and Custodians for the year ending December 31, 1958.

Specifications for various types of repairs and replacements to various buildings for contract work including fuel, etc. were prepared by this Department and submitted to the Purchasing Agent to obtain competitive bids. After bids were awarded, this Department supervised and inspected all work and materials as the work progressed.

The following consists of some of the various types of projects completed by Contractors and the Building Maintenance Department during the past year:

SENIOR HIGH SCHOOL

Repaired, repointed and waterproofed the east side of the parapet wall on the "A" section of the building.

Wired and installed a new vent fan in the men teachers' room in the "A" section of the building.

Repaired a large vent hood on the roof of the "A" section of the building.

Removed all shelving and cabinets and installed same in newly located athletic supply room. Work done by the Building Maintenance Department.

Made general repairs to the roofs, gutters, skylights and replaced gutters where needed.

Overhauled compensator for large Vent Fan #2 in the main stack room, and installed new bearings on the Fan.

Made general repairs and replacements to the Cupola over the Lowe section of the building and painted the entire Cupola (2) coats of paint.

Installed window shade brackets on windows of all new rooms in the Lowe section of the building. Work done by the Building Maintenance Department.

Installed (2) 8′ light fixtures in the Teachers' Room on the third floor in the "A" section of the building.

Replaced vent fan motor located in the third-floor fan room in the "B" section of the building.

Installed new manhole covers and rings on boilers #1 and #2 in the "A" section of the building.

Replaced (15) window shades.

Replaced relief valves on 1,000-gal. hot water tank in the "B" section of the building.

Replaced loose plaster on ceiling and walls in Room #32, corridor near Room #32, Room #6-13-14, old auditorium and Men Teachers' Room.

Located and repaired trouble in program bells, installed a new circuit for blue print drying machine, relocated (6) stairway lights and installed new fixtures. rewired units in the Cafeteria to comply with local ordinances, and located and repaired short circuit in wiring stairway "A".

Applied asphalt coating over two lower roof decks on the "B" section of the building.

JUNIOR HIGH EAST SCHOOL

Repaired leaks on roof and patched bare spots, repaired flashings, etc.

Replaced boiler tubes in Boiler #1.

Installed new border and side legs on the stage in the Auditorium.

Installed new grate bars and repaired the fire box in Boiler #3.

Installed draw drapes in Room #31 for Visual Education and replaced (15) window shades.

Installed a new master clock in the office for the clock system.

Installed new controls on the condensate pump and made adjustments where needed.

Recovered uptake on Boiler #1, repaired canvas on boiler breeching and covered Hot Water Booster.

Prepared and applied a stone dust coating to the playground surface. Work done by the Public Works Department.

JUNIOR HIGH WEST SCHOOL

Made general repairs to roof areas, including gutters, flashings, gravel strips, etc.

Installed a four-foot chain link fence on the rear playground between the playground and the parking area.

Prepared and applied a Black Top surface on the parking area at the rear of the building. Work done by the Public Works Department.

Installed Acoustical Tile ceilings in classrooms #12-32-33-34.

Installed Asphalt Tile Flooring with underlayment over existing wood floor on the second floor corridors in the "A" section of the building.

Painted the entire exterior of the building.

Installed Fluorescent Light Fixtures in classrooms #12-32-33-34.

Installed a water service with (3) hydrant boxes in the lower playground for watering the grounds. Work done by the Public Works Department.

Replaced (30) window shades throughout the building.

Made corrections to wiring on various units to comply with the local ordinances.

Obtained the services of a consulting engineer to make a study of the heating plant for conversion from coal to oil burners in the "A" section of the building. The report was submitted with recommendations and costs.

JUNIOR HIGH INDUSTRIAL ARTS SCHOOL

Replaced a large section of copper valley on the Academy Street side of the building. Cleaned and repaired gutters on the entire building and replaced missing slate.

Installed (6) Fluorescent Light Fixtures in Room #7.

Replaced sections of main steam return in the Boiler Room and Coal Bin.

Made changes in wiring for various pieces of equipment in the Wood Working Room to comply with the local ordinances.

CROSBY SCHOOL

Installed venetian blinds in the Clinic Room.

Made repairs and replacements to the chain link fence on a section of the playground and around the building.

Installed pipe covering on the cold water supply piping in the basement playroom.

Installed a F. S. Vacuum Cleaning Unit for cleaning the Boilers.

Removed (3) double-hung windows in the basement playroom and installed single sash and filled in light wells. Removed upper sections of grille work around coat rooms and installed bulletin boards. Work done by the Building Maintenance Department.

HARDY SCHOOL

Repaired and painted the entire chain link fence around the playground and the building. Work was done by the Building Maintenance Department.

Prepared and installed Black Topping on the balance of the playground area and installed a catch basin in the same area. Work was done by the Public Works Department.

Installed Fluorescent Light Fixtures in the Principal's Office and outer Office. Wired and installed duplex outlets for equipment at both ends of the first and second floor corridors.

Overhauled and made repairs and replacements to the large Vacuum Cleaning Unit in the Boiler Room.

Replaced worn tile on (47) stair treads and four stair landings.

Converted Music Room in the basement area to a classroom. Work consisted of the installation of a unit heater, ventilator, heat controls, slate blackboards, bulletin boards and painting the areas. Part of the work was done by the Building Maintenance Department.

Installed a complete Centralized Sound System throughout the entire building.

Replaced deteriated plaster and repainted around the windows and glass brick in the new section of the building.

Installed a new wash sink in the Boys' Sanitary in the basement area.

Replaced (30) window shades throughout the building.

THOMPSON SCHOOL

Installed a sump pump near the Generator Room to eleminate a bad water condition that developed in the Generator Room, Transformer Room and the basement playroom.

Installed drainage in the crawl space under the classroom area in the "B" section of the building to eliminate a water condition that developes in the springtime. This work was done by the Public Works Department.

BISHOP SCHOOL

Repaired leaks in the roof gutters and replaced missing slate.

Replaced (17) window shades in the Library.

CUTTER SCHOOL

Cleaned gutters and made repairs to same and replaced missing slate.

Checked wiring in the building for unbalanced circuits and corrected same.

Changed location of first floor corridor radiator and installed a new radiator in the Boys' Sanitary.

Installed Acoustical Tile on ceilings in Rooms #1-3-5-6-7 and 8, entire first floor corridor and two Boys' Sanitaries.

Painted Classrooms #1-2-3-4-5-6-7-8, Boys' Sanitaries and the entire first floor corridors.

Installed Asphalt Tile Flooring over underlayment in Rooms #3-5-6-7 and 8, the entire first floor corridor and entrances.

Remodeled the entire Boys' Sanitary on the first floor. Work included new plumbing fixtures, ventilation, ceramic tile floors and walls and electrical work. Also, constructed a Principal's Toilet Room with entrance from corridor. Part of work done by the Building Maintenance Department.

Replaced loose plaster on Boiler Room and Coal Bin ceilings.

Replaced defective section of Ceramic wall tile in Boys' Sanitary #1.

Reconditioned slate blackboards in all classrooms on the first floor.

Installed (9) Fluorescent Light Fixtures in Room #17 and wired an installed vapor-proof fixtures in the coal bin. Wired and installed new fixtures in the Auditorium and Teachers' Room.

Replaced (40) window shades in the first floor area.

LOCKE SCHOOL

Cleaned all roof gutters, replaced section of gutter on Davis Road side of the building and repaired copper deck over Girls' Entrance, repaired leak around vent flue and replaced missing slate.

Replaced (8) window shades throughout the building.

Prepared and applied a Black Top surface to the small play area on the right side of the Davis Road entrance. This work was done by the Public Works Department.

PEIRCE SCHOOL

Installed flush valves on (4) urinals in the Boys' Sanitary on the second floor.

Painted the entire exterior of the building.

Replaced (29) window shades throughout the building.

Replaced exterior doors on the girls' entrance and Boiler Room and installed new hardware on same. Work done by the Building Maintenance Department.

BRACKETT SCHOOL

Relocated electric outlets from floor to wall in all classrooms on the first and second floor.

Made repairs to the exterior masonry stairs and landings for the Auditorium.

Replaced (43) window shades throughout the builidng.

The following areas were completely painted by the Building Maintenance Department: Classrooms #1-2-3-4-5-6- B-1 - B-2 - 21-22-23-24-27 and 28, Kindergarten, large Playroom, Custodians' Room, basement and first floor corridors and three stairways from basement to second floor.

Installed shelving in coat room areas of (13) classrooms and removed and replaced a large section of the Auditorium floor where buckling occurred. Work done by the Building Maintenance Department.

Installed a new sink and reconditioned room #2. Area to be used for teachers' dining room, etc. Work done by the Building Maintenance Department.

PARMENTER SCHOOL

Removed, refinished and reset the slate blackboards in Rooms #7-8-9 and 10.

ROBBINS TOWN HALL

Replaced the leaking cement 3,400-gal. fuel oil tank with a new 6,600-gal. steel tank and did other related work for the installation of the new tank.

Made general repairs to the roof and gutter areas.

Replaced two pair of Exit doors and transomes and installed new hardware on same.

Replaced sections of the main steam return piping in the old section of the building.

Repaired and recaned (80) Auditorium chairs.

Installed a sump pump in the boiler room to take care of any water conditions that may develop.

Painted the two front stairways, first and second floor corridors, front lobby and two coat rooms. Work done by the Building Maintenance Department.

Cleaned and tested all steam traps in the addition and replaced defective bellows where needed.

Installed automatic closing device on oil tank room door.

Obtained the services of a Heating and Ventilation Engineer to make a survey and study of the heating and ventilation in the building, including the replacement of the two steam boilers which were recommended to be replaced by the Boiler Inspector. These boilers have been in service for 47 years and it has been recommended that the boilers be replaced during the year of 1959 and the revision of the heating and ventilation system be given consideration to be done in the very near future.

Replaced checker brick-work in both boilers and rebuilt right-hand wall in Boiler #2.

Relocating of two metal partitions in the Public Works Department Office are in the process of being done. Work to include changing location of light fixtures, electric outlets and painting.

Repaired and repainted the existing exterior scene on the stage, composed of one drop, six wings and four borders.

ROBBINS COTTAGE

Replaced bulkhead stairs and doors. Work done by the Building Maintenance Department.

ROBBINS LIBRARY

Painted the following interior areas: Main Stack Room, Music Room, Librarian's Office, Gallery Hallway, Young Peoples' Room, Junior Library and Vestibules, rear stairway from basement to third floor, front stairway from basement to third floor, basement Stack Room, Historical Room, Supply Room, Magazine Corridor, Annex and Room, the entire Rotunda and areas around same.

Made extensive repairs to the roof areas and gutters including repairing and waterproofing two chimneys.

Reconditioned the fourteen windows in the Reference Room. Part of the windows were sealed in a fixed position and the balance of the windows were weather stripped. Part of this work was done by the Building Maintenance Department.

Four bookcases were constructed and installed in the basement rooms. The installation and painting of these bookcases was done by the Building Maintenance Department.

The basement work room was treated for a Termite condition that had developed.

The services of a heating engineer were obtained to make a complete study of the heating system and a complete report was submitted with recommendations and estimated costs for improving the heating and ventilating system.

MENOTOMY HALL

Made various types of repairs to the roof areas that were damaged during the January 7, 1958 wind storm. The Town was reimbursed for the greater part of the cost of this damage.

CENTRAL FIRE STATION

Located and repaired a bad leak in a cast iron waste pipe concealed in the cement floor in the shower room on the second floor.

Repointed, waterproofed and made repairs to the brick parapet walls on the Massachusetts Avenue side of the building.

HIGHLAND FIRE STATION

Replaced deteriated sections of galvanized iron water supply pipe with copper.

MISCELLANEOUS WORK, ETC.

All heating boilers, hot water tanks and air compressors in the Town Owned Buildings were inspected by the Insurance Inspectors and all repairs and replacements were made according to their requests. Certificates of approval were issued for each unit in each building for a period of one year.

During the year 978 lights of glass were replaced by the Building Maintenance Department in the windows of various school buildings throughout the Town at a cost of $3,081.76.

In addition to the above work about 2,000 work repair orders were issued to the Maintenance Department and Contractors for various types of work such as plumbing, heating painting, electrical work, roof work, furniture repairs, glass replacement, etc. The cost of these jobs varied between $3.00 and $180.00 each.

I wish to express my appreciation to you and to the officials and employees of this Department and all other Town Departments and Town Officials for their cooperation during the past year.

Respectfully submitted,

George H. Greim
Supervisor of Custodians
& Maintenance

Report of the Cemetery Department

January 14, 1959

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

The Cemetery Commissioners herewith submit their report for the year ending December 31, 1958.

On January 31, 1958, the first interment in the new single grave plot on the westerly side of Mill Brook was made. There are now twenty-three interments in this plot.

The Arlington Police Relief Association was given permission to place a plaque or stone at the corner of Elm and Auburn Avenue to honor their dead.

Most all roads in the cemetery were resurfaced this past year and should be in good condition for many years.

There were 363 interments in Mt. Pleasant Cemetery during the year and none in the Pleasant Street Cemetery.

On December 17, 1958, Mr. John H. Callahan was nominated Chairman of the Board for the ensuing year to succeed Mr. John R. Keefe, whose term expired.

The Board wishes to express its gratitude to Mr. Edward C. Preston, Superintendent, for his help and cooperation.

The following are receipts of the Cemetery Department for the year 1958:

Sale of Lots and Graves	$14,527.00
Annual Care	3,367.90
Foundations	2,053.85
Opening Graves	11,320.00
Miscellaneous	3,330.00
Perpetual Care	19,023.00
Income from Funds	12,184.85

Respectfully submitted,

Board of Cemetery Commissioners
John H. Callahan, Chairman
Arthur L. McAvoy
John R. Keefe

Report of the Arlington Development Commission

Mr. Edward Monahan, Town Manager
Arlington Town Hall
Arlington 74, Massachusetts

Dear Mr. Monahan:

During the past year the Arlington Development Commission has been primarily concerned with the planning of those improvements in Arlington Center which were authorized by the 1958 Annual Town Meeting; namely, the use of the Russell Common for parking and the relocation of Mystic Street.

It has been the feeling of the Commission that these two projects complement each other, the value of one to a great extent depending on the other. Together they will serve to ease the flow of traffic in Arlington Center and provide much needed parking there, which in turn should encourage Arlington people to shop in the Center. Only in this way can we hope to increase the tax revenue from this the most important business district in the town.

The firm of Bruce Campbell & Associates was engaged to prepare engineering plans and cost estimates for the Center project. They made a traffic study and collected other pertinent data before presenting to the town their preliminary report containing their analysis of the problem and three possible traffic patterns. The Board of Selectmen have had the report under study and it is expected to adopt a plan so that it can be presented to the 1959 Annual Town Meeting. After the Board's decision the engineering firm will produce detailed plans and cost estimates so that work can proceed.

The Board of Selectmen and the Planning Board as well as the Development Commission and many town officials participated in the discussions. It has truly been a community project, bringing into play the ideas and experience of many people.

The Development Commission and the Planning Board met jointly several times during the past year. Changes in the Zoning By-Law of the Town proposed by Mr. Allen Benjamin, Planning Consultant, were discussed and generally approved by both Boards. Zoning changes along Massachusetts Avenue to encourage apartment house construction were also considered and recommended. Undoubtedly the Planning Board will report to you more fully on these matters.

A very satisfactory meeting was also held with the Board of Assessors to consider possible methods of increasing tax revenue from non-residential sources. It was agreed that encouragement of apartment house construction as referred to above was one of the best ways of accomplishing this objective.

With regard to disbursements by the Commission, $205.58 was spent for operating expenses during 1958 which when added to the $254.23 expended in 1957 leaves a balance of $540.19 from the original appropriation made at the time of the creation of the Commission. A breakdown of the 1958 disbursements is as follows:

Stenographic work and postage	$ 86.50
Report to the 1958 Annual Town Meeting including printing, postage and mailing	84.08
Post Office Box rental	11.50
Stationery	23.50
	$205.58

The Commission with you as Town Manager has also contracted with Bruce Campbell & Associates to make a traffic and parking analysis of the so-called Mystic Street area and to prepare engineering plans and cost estimates of a plan approved by the Town. The contract price for this work is $5,000 of which $2,000 has been paid as of this date.

As you know, the purpose of the Arlington Development Commission is to stimulate and promote business activity so as to provide some relief for the residential taxpayer. The use of the Russell Common for parking and the relocation of Mystic Street will be the first steps in revitalizing Arlington Center and they should be accomplished as soon as possible. When these tangible steps have been taken Arlington will be on the march.

Respectfully submitted,

Warren Berg

Annual Report of the Arlington Housing Authority

The Arlington Housing Authority submits herewith its Annual Report for the year ending December 31, 1958.

It should be noted that on August 2, 1958, the Arlington Housing Authority completed ten years of activity, having been organized according to law on August 2, 1948.

At the Annual Town Election in March, Mr. Edward J. Doherty was elected for a term of five years, replacing Mr. Cornelius J. Brosnan, whose term expired.

Subsequently the Authority organized for the year at its Annual Meeting held on March 11, 1958, at which time Mr. James A. Coffey was elected Chairman, Mr. John P. Kedian, Vice-Chairman, Mr. Joseph S. Vahey, Treasurer and Mr. Myron D. Chace, Assistant Treasurer, all terms for one year.

At the Annual Town Meeting in March, the Housing Authority submitted an Article requesting the Town convey a certain parcel of land in the Reservoir section, for the construction of specially designed apartments for elderly persons. This Article was unanimously passed. Consequently the Authority retained as architect Mr. Harold C. Knight, well known Arlington resident, for the design of such a project. The Authority has been working vigorously to expedite this construction and as the year closes, expects that actual ground breaking will take place in the spring.

The Authority met regularly throughout the year to set policies for the management of the presently existing properties, which it owns.

The Authority wishes to express its appreciation to all officials, Boards and town departments for their cooperation throughout the year.

Respectfully submitted,
Arlington Housing Authority
James A. Coffey
John P. Kedian
Joseph S. Vahey
Myron D. Chace
Edward J. Doherty

Report of the Sealer of Weights and Measures

January 14, 1959

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I respectfully submit the Annual Report of the Sealer of Weights and Measures for the year ending December 31, 1958.

This Department has turned into the Town Treasurer the sum of Three Hundred Ninety-nine Dollars and Ninety-Five Cents ($399.95) which was collected as sealing fees.

Respectfully submitted,

James J. Dolan
Sealer of Weights & Measures

Report of the Tree Warden and Superintendent of the Moth and Town House Grounds Departments

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I herewith submit my report as Tree Warden and Superintendent of the Moth and Town House Grounds Departments for the year ending December 31, 1958.

TREE DEPARTMENT

In the Spring of the year 275 trees were planted on new streets constructed by the Public Works Department and private contractors, also in various sections of the Town when requested by private individuals.

Three public hearings were held for the removal of trees and as there were no objections the trees were removed at the expense of the petitioners.

Five trees were cut down and removed for the reconstruction of Park Street. Four trees were cut down and removed for the reconstruction of Beacon Street. Five trees were cut down and removed for the construction of Nourse Road. Five trees were cut down and removed for the construction of Reservoir Road.

Twenty four trees were removed by contractor for the construction of Washington Street. Six trees were removed by contractor for the construction of Brattle Terrace. Six trees were removed by contractor for the construction of West Street.

Trees were removed for sidewalk construction at 94 Oakland Avenue and 214 Overlook Road.

Trees were removed at 1026 Massachusetts Avenue and 35 Academy Street because of dangerous condition.

We still receive many requests at the office during the year for trimming trees that are growing close to houses and overhanging roofs. A continuation of our program of raising up and trimming of trees to alleviate obstruction from high delivery trucks and buses traveling along our highways was continued.

Trees were pruned and removed by the Department for the Park, Cemetery, School, Police and Public Works Departments at the request of the respective department heads.

Trimmed tree on Newcomb Street to make clearance for moving of a house from 14 Marion Road to the corner of Elmhurst Road and Newcomb Street.

Christmas trees in all sections of the town were disposed of by this Department with a Brush Chipper, thereby saving a considerable amount of money in extra truck hire.

All trees in the rear of the High School were removed due to the construction of the new addition.

The personnel of the Department assisted the Park Department clearing skating areas when requested and also assisted the Public Works Department plowing streets and the removal of snow.

A new 2½ ton Dodge truck was purchased during the year to replace a 1952 Dodge truck.

Paul Shanahan, working foreman, resigned May 23, 1958, to enter private employment.

MOTH DEPARTMENT

The regular spraying schedule of this Department was carried on as usual, including a dormant spray given to the Elm trees to combat the Scolytus Beetle which is the carrier of the Dutch Elm Disease. During the year Dutch Elm Disease samples were taken from 14 private trees and when laboratory tests were made known, the property owners were notified of the results.

All dead Elm trees on Town property adjacent to the playground on Cemetery Street were cut down and burned. Forty one dead Elm trees were removed from Public Ways. Five dead Elm trees were removed from the grounds of the Locke School. As there is no known cure for the disease once it gets into a tree, all we could do was to take them down and burn them.

Due to the severe drouth of 1957 the Japanese Beetle was not so prevalent this year, but due to the heavy rains of 1958 I anticipate a recurrence of the troubles we have had in the past in 1959, and as this Beetle originates in the turf I would advise all property owners to treat their lawns with either D.D.T. or Chlordane.

There was a very heavy infestation of Tent Caterpillars this year in the newly developed section of Morningside especially in the Lantern Lane section. There was also a heavy infestation in a section of Kelwyn Manor.

There was an increase in the amount of European Earwigs this year in practically all sections of the Town.

All of our main streets and many of the side streets had to be sprayed in the early morning hours due to heavy traffic conditions during the middle of the day.

There were 949 private estates sprayed at the request of property owners, who in turn made a remittance to the Town for the cost of the work. Both Housing projects were sprayed for Japanese Beetles.

Menotomy Rocks Park was sprayed by Helicopter this year and very favorable results obtained from it.

There were thirteen complaints received in regards to Poison Ivy. All locations were treated to the satisfaction of the complainants.

Both the Turnpike and Summer Street Dumps were sprayed with D.D.T. and a disinfectant for the control of insects, also Town owned property on Cemetery Street.

TOWN HOUSE GROUNDS DEPARTMENT

As has been the custom in past years, the personnel of the Tree and Moth Department maintain the grounds bordering the Town Hall and Robbins House. These men also take care of the lawn and hedges at the Police Station and the grass area adjoining the parking lot on Mystic Street.

The pool located on the Town House Grounds was given two coats of waterproof Iroquois Blue Silasheene Paint during the summer.

The wall surrounding the Town House Grounds and the base of the flagpole were repaired this year by employees of the Public Works Department.

The Patriot's Day celebration again attracted large crowds of adults and children which necessitated the men of the Department to rope off the entrance to the Town Hall and police the grounds.

A watchman was employed during the summer months to patrol the grounds every evening as well as all day Saturdays, Sundays and Holidays. He also checked the Robbins Library doors and windows on week ends.

The regular maintenance of the grounds was attended to as usual. The lawns were all top dressed, seeded and fertilized.

One Hawthorne tree died and was removed. One Elm tree died of Dutch Elm Disease and had to be removed. Three Elm trees died on the Robbins House lawn and had to be removed.

The hedge at Police Headquarters was cut down to about 20″ from the ground at the request of the Police Chief.

Snow removal from the front platform of the Town Hall, the walks through the grounds, also the parking area in the rear of the building and at the rear of the Robbins House was taken care of as usual.

In conclusion, I wish to gratefully acknowledge the co-operation given me by you and your staff, the personnel of this Department and all other Departments of the Town.

Respectfully submitted,

George M. Dolan
Tree Warden and Superintendent
of Moth and Town House Grounds
Departments

Report of the Wire Department

January 14, 1959

Mr. Edward C. Monahan
Town Manager

* $5,741.58 due from State.

32 Families were aided under this category of relief including 89 persons, 58 children under 16 years of age, and 8 children between 16 and 18 years of age and attending school.

DISABILITY ASSISTANCE.

Total Expenditures		$62,860.49
Less Reimbursements and Grants:		
Federal Grants	$21,311.88	
State	25,874.86	
Individuals and Estates	709.20	47,895.94
Net Expenditures		$14,964.55

DISABILITY ASSISTANCE was granted to 62 persons.

An analysis of gross and net expenditures for 1958 in comparison with 1957 reveals the following situation:

The 1958 gross for the four categories of aid amounted to $717,254. (cents omitted) as against $706,563. in 1957. This was an increase of $10,691. or approximately 1½%. The 1958 net was $96,725. as against $127,064. in 1957, a decrease of $30,339., or nearly 24%.

Factors contributing to increased gross expenditures were as follows: (1) increase in costs of hospitalization amounting to about 10%; (2) increased rates to nursing homes; (3) 5.7% increase in cost-of-living index plus a basic increase in fuel allowance, all effective in September and October, 1957. These increases were continued through 1958 and were felt for first time for a full year; and likewise the effect of the increased exemptions granted to legally liable relatives with respect to their required contributions. Welfare Aid was down $6,000.00 on a slightly increased case load and Old Age Assistance was down $3,000.00 on a decline of 15 cases. Aid to Dependent Children jumped sharply $13.000.00 on an average increase of 6 cases. Disability Assistance was up $6,000.00 on an average increase of 3 cases from 43 to 46.

Net expenditures decreased by 24% by reason of gains in reimbursements. The entire decrease in net expenditures was due to gains in the category of Old Age Assistance. Federal Grants in this category showed a gain of $2,390., State reimbursement was $10,443. higher and recoveries were $24,525. over 1957. These three amounts total $37,358. which was offset by losses in the other three (3) categories of approximately $7,000.

In July of 1958 the Federal Government again changed its formula for reimbursements to the Commonwealth of Massachusetts. These grants are allotted monthly to the cities and towns. Instead of varying amounts based on the recipient's grant, reimbursement will be made across the board on a flat rate. Cities and Towns will receive $41.50 per month per case in the categories of Old Age Assistance and Disability Assistance, and $20.50 per month for each participant in Aid To Dependent Children families. At this point it appears that Cities and Towns will receive increased benefits of approximately 5% to 10%.

We are still operating in an area of declining case loads and rising costs. Increases have been granted to general hospitals, chronic hospitals, public medical institutions, and nursing homes. We estimate these increases will run from 5% to 13%.

On the favorable side the Federal Government has increased Social Security Benefits by approximately 7% effective January, 1959. 159 Old Age Assistance recipients and 5 Disability Assistance recipients will begin to receive these additional grants about February 4, 1959 covering the month of January, 1959. These benefits constitute a resource which must be deducted from the grants now being paid by the Town of Arlington. The estimated savings will be about $7,000.00 annually.

The Board of Public Welfare meets monthly with the Agent and the two Social Work Supervisors in the Robbins House. These meetings are devoted to the consideration of new cases in all categories and taking action on same. Changes in status and adjustment of grants are also reviewed with necessary action taken and recorded. The Agent presents the monthly agenda to the Board and acts as its secretary. The local administration is supervised by Field Representatives of the State Department of Public Welfare who conduct reviews periodically to see if policies, procedures and practices are in conformity with the Standards of Administration. These standards are set up by the State Department of Public Welfare. Federal and State Auditors conduct audits at regular intervals to insure conformity since these levels of Government are financial participants in the three way program of Federal, State and Local.

At the request of Mr. Edward C. Monahan, Town Manager, the Board voted to hold additional meetings which began in June, 1956. It is an important matter that Boards of Public Welfare and Bureaus of Old Age Assistance keep in close touch with the overall matters of Administration such as Billings to other Cities and Towns, claims for State Reimbursement, Preparation and Processing Liens for Recovery, Monthly Statistical Reports, and Quarterly Claims for Federal Reimbursement for Administrative Expenses. From the money received for Administrative Expenses we are able to pay salaries to our employees for approximately five months from August through December of each calendar year. The Board is now concerned with working conditions with respect to office space, use of equipment, Administrative Expenditures Control, Personnel Practices, Vacation Leave, Sick Leave, Compensatory Time-Off and Overtime.

As a result of the resignation of Mrs. Bertha F. Murphy (Robert W.), after fourteen (14) years of continuous service as a mem-

ber of the Bureau of Old Age Assistance and four (4) years as a member of the Board of Public Welfare (Board of Public Welfare not created until 1954), Mr. Edward C. Monahan, Town Manager, appointed Mr. Walter T. Kenney on April 21, 1958 to fill the vacancy of Mrs. Murphy's unexpired term running to March 9, 1959. The term of Mr. Cornelius F. Collins which expired March 9, 1958 was filled by his reappointment to the Board by the Town Manager for a period of three (3) years ending March 9, 1961. At a regular meeting of the Board on May 20, 1958 the Board organized as follows:

MR. WALTER T. KENNEY, Chairman

MR. WILLIAM J. McKEEVER
MR. CORNELIUS F. COLLINS } Members

MR. GEORGE V. MORSE, Agent and Secretary

Your Agent and Secretary desires at this time to record his thanks to you, to the members of the Board of Public Welfare and Bureau of Old Age Assistance, and to all officials, department heads and employees of the town who have so courteously assisted him and members of his staff throughout the year. Specifically does he wish to recognize the faithful service rendered by his own staff which is continually beset by radical changes, rules and regulations imposed by Federal and State levels of Government. He further wishes to acknowledge the many helpful services rendered by private social agencies, church and civic groups and individuals. The State Department of Public Welfare through its field representatives and supervisory staff of the Greater Boston District has rendered valuable services in the interpretation of our programs. The money payments and services we render to needy recipients is naturally a large part of our operation but the ever growing need for increased services which this agency is called upon to meet from year to year is undoubtedly the key to increased health and happiness to our less fortunate clients.

Respectfully submitted,

GEORGE V. MORSE
Agent.

Report of the Inspector of Buildings

January 12, 1959

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

Report of Engineering Department

January 6, 1959

Mr. Edward C. Monahan
Town Manager
Town Hall
Arlington, Mass.

Dear Sir:

Inspection and supervision of construction projects together with the design and layout of others, with preliminary and final surveys, plans, estimated costs, etc., comprised the major part of the work of this Department. A partial list of these projects is as follows:

48 Private installations of driveways and sidewalks
6 Parking and playground areas surfaced
12 Developer-built streets constructed
6 Streets reconstructed
3 Chap. 90 surfacing and widening projects
Reservoir sluiceway and control gate
12 New streets constructed
75 Sidewalk and/or curb installations
45 Sewer, water or drain installations

Study plans, estimates, recommendations and other assistance have been furnished the various Boards, Commissions and Departments with Traffic Engineering continuing to be an important part of the work.

Annexed to this report is a list of public and private streets with other statistics as of January 1, 1959.

My sincere thanks are extended to the employees of the Department and to all Town Officials for their cooperation and assistance.

Respectfully submitted,

W. H. Roby
Town Engineer

GENERAL STATISTICS

Arlington is situated six miles northeast of Boston, in latitude 42 deg., 25 min. north; longitude 71 deg., 09 min. west, at an elevation above mean tide of from 4 to 377 feet.

Massachusetts Avenue at Cambridge line, elevation 10 feet.
Massachusetts Avenue at Pleasant Street, elevation 48 feet.
Massachusetts Avenue at Park Avenue, elevation 155 feet.
Park Circle at Eastern Avenue (base of standpipe), elevation 377 feet.
Cresent Hill Avenue at Park Place, elevation 281 feet.

The Town and a part of what is now Belmont were set off from Cambridge and incorporated as West Cambridge in 1807. The name was changed from West Cambridge to Arlington in 1867.

Area of Town, including that covered by water, 3,517½ acres 5½ square miles; area covered by water, 286.2 acres.

Parks: Town 147.51 acres; Metropolitan 52.25 acres.

Total cemetery areas, 51.20 acres.

Public streets and Town ways; Macadam, 21.40 miles, Macasphalt, 0.27 miles; Colprovia, 0.29 miles; Kyrock, 0.47 miles; oiled gravel, 22.01 miles; concrete, 0.24 miles; bituminous concrete, 34.27 miles; total 78.95 miles.

State Highways and parkways, 5.87 miles.
Private streets open for travel, 36.28 miles.
Length of proposed private street, 5.53 miles.

Permanent sidewalks; Tar concrete, 26.59 miles; brick, 3.08 miles; cement, 58.55 miles.
Edgestones, 59.26 miles.
Sewer System, 107.69 miles.
Water system, 118.74 miles.
Storm drain system, 62.64 miles.
Catch basins, 2525.

Report of the Boards of Appeals

January 15, 1959

To the Honorable Board of Selectmen
Town Hall
Arlington 74, Massachusetts

Gentlemen:

Submitted herewith is the Annual Report of the Boards of Appeals for the calendar year ending December 31, 1958.

The Zoning Board of Appeals heard a total of forty-five cases during this period, the disposition of which was as follows:

Variances granted	32
Variances denied	9
Variances denied without prejudice	4
Total	45

During this period a total of twelve appeals was heard by the Building Board of Appeals, of which ten were granted and two denied.

Respectfully submitted,

Robert W. Blaisdell
Daniel A. Healy, Jr.
Philip D. O'Neill
Philibert L. Pellegrini
Ralph H. Seabury

Annual Report of the Department of Veterans' Services

The Honorable Town Manager
Robbins Town Hall
Arlington 74, Massachusetts

Dear Sir:

Submitted herewith is the fourteenth annual report of the Department of Veterans' Services covering the calendar year 1958. Massachusetts laws make it mandatory that financial aid be furnished to needy veterans and their dependents who qualify for such aid and that there be made available to all veterans and their kin such advice, information and assistance as may be necessary to enable them to procure the benefits to which they are or may be entitled relative to employment, vocational or other opportunities, hospitalization, medical care, pensions, compensation, insurance and other benefits and must keep on hand current booklets and other printed matter pertaining to the statutory rights and privileges of war veterans provided by Federal and State laws. The first section of this report deals with the services provided and the second part with the financial aid disbursed to needy veterans and their dependents.

VETERANS' SERVICES

Photostatic copies made	3,752
Documents notarized	71
Discharges recorded in the Town archives	64
Contacts made in furnishing counsel, information and assistance in prosecuting claims of veterans and their survivors and dependents and processing applications for all types of benefits	1,614
Visits to hospitals, homes and other places	805
Letters, history entries and records	2,056
Veterans Administration forms completed	167
Veterans Administration claims handled as agent for claimants	74
Total for the year 1958	8,603
Total of cash benefits, accruing to Arlington claimants, from the Veterans Administration through the efforts of this department	$15,019.54
Estimated total of money saved the Town by reason of successful prosecution at the Veterans Administration of claims of persons who had applied for financial aid	8,901.00

VETERANS' BENEFITS, WAR ALLOWANCE AND BURIAL AID

A tabulation of the administrative work connected with the disbursement of financial aid to needy veterans and their dependents follows:

Contacts (Visits, interviews, etc.)	3,378
Applications copied, history entries, records and letters	2,256
Cases on rolls	
(a) Settled in Arlington	174
(b) Settled in another community	1
(c) State settled	0
Applications and re-applications for aid received	112
Applications and re-applications for aid accepted	70
Applications and re-applications for aid rejected	33
Application referred to other communities	9
Applications pending	1
Refund cases	11

A tabulation of actual disbursements made to needy applicants for aid during the year 1958 follows:

VETERANS' BENEFITS

State participation 50% of all authorized payments	$50,434.63

WAR ALLOWANCE

The War Allowance Act expired on January 1, 1957,	0.00

BURIAL AID

Chapter 115, General Laws of Mass. (Needy cases) State participation 50% in all Arlington settled cases and 100% in all others	0.00
Chapter 573, Acts of 1946 as amended (Reimbursement of recognized organizations of veterans for expenses incurred in providing military honors at funerals of veterans who died overseas in World War Two and Korean Wars) State participation 100%	0.00
	$50,434.63

REIMBURSEMENTS AND REFUNDS

Reimbursement by the State is usually ten months in arrears. The Town Collector and Treasurer received from the State Treasurer in 1958 amounts due for the months of April through December, 1957 and, also, the amount due for the month of January, 1958 ..... $18,890.20

Received from other municipalities	10.00	
Refunds received from beneficiaries and returned checks	1,442.44	
Total returned to the Town Treasury		$20,342.64
Net Town expenditure for aid to needy veterans and their dependents		$30,091.99

NOTE: Reimbursements are running far behind and the $30,091.99 does not present a true picture.

Despite the business recession and labor disturbances during the past year there were very few calls for aid from able bodied persons. However, the illness and hospitalization of family breadwinners and the rapidly increasing cost of medical and hospital care together with the high cost of living have presented quite a problem and has caused the cost of aid to double in the past ten years. As in past years applicants for aid are required to apply for benefits, to which they may be entitled, at other governmental agencies both State and Federal, as well as private charitable bodies. As this department receives no direct aid from the Federal Government any benefits received by persons on the aid rolls saves the Town a fairly sizable amount of money.

In conclusion we wish to gratefully acknowledge the help and cooperation given us by the Town Manager and his staff, the members of the Board of Selectmen and the Personnel Board and their staffs and the fine work of the department employees.

Respectfully submitted,

Charles R. Armour
Director

Report of the Finance Committee

The Committee is presently constituted as follows:

Kermit C. Streng, Chairman
T. Richard Guinan, Vice Chairman
Percival E. Richardson, Secretary

William F. Farrow
Executive Secretary
198 Highland Ave.

Precinct		
1.	Edwin A. Barnard	61 Cleveland St.
2.	William H. Dunn	10 Varnum St.
3.	Daniel M. Hooley	268 Broadway
4.	Frederick S. Holway	17 Cheswick Rd
5.	Philip D. Ahern	17 Beacon St.
6.	George K. Rugg	16 Spring St.
7.	Joseph A. Keefe	6 Mystic Lake Drive
8.	T. Richard Guinan	15 Wildwood Ave.
9.	John L. Murphy	11 Upland Rd.
10.	Robert G. Sisson	39 Highland Ave.
11.	Donald O. Johnston	8 Candia St.
12.	Russell T. Eckel	23 Hawthorne Ave.
13.	Percival E. Richardson	137 Newland Rd.
14.	Kermit C. Streng	67 Claremont Ave.
	Member at large.	
	J. Howard Hayes	115 Claremont Ave.

There were two new members appointed this year;
Precinct 4. Frederick S. Holway
Precinct 6. George K. Rugg

The Committee organized and elected the officers as listed above.

Chairman appointed sub-committees as follows.

Sub Committee A. Budgets 1, 2, 3, 4, 7, 10, 11, 14, 18, 19, 20, 21, 22, 23, 25, 30, 35, 42, 43, 44, 45, 46, and 47.

William H. Dunn, Chairman
Joseph A. Keefe
T. Richard Guinan

Sub Committee B. Budgets 6, 8, 9, 13, 15, 16, 24, 26, 27, 28, 29, 34, 39, 40, 41, 50, and 51.

John L. Murphy, Chairman
Frederick S. Holway
Percival E. Richardson

12/22 to Budget 33		
Snow and ice Maintenance	3,000.00	
12/22 to Budget 33		
Snow and ice removal to Jan. 1	10,000.00	
12/31 to Budget 36		
Welfare. Aid to dependent children	350.00	
12/31 to Budget 43		
Non contributary Pensions	1,635.35	
Total transfers	47,652.35	47,652.35
Returned to Free cash		37,347.65

Respectfully submitted

PERCIVAL E. RICHARDSON
Secretary.

Report of the Fire Department

January 1, 1959

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

As Chief of the Arlington Fire Department, I submit my Fourth Annual Report of its activities and condition for the year ending December 31, 1958.

PERSONNEL

The uniformed force consists of 100 men: the chief of department, 5 deputy chiefs, 7 captains, 14 lieutenants, 72 fire fighters, and an assistant superintendent of the fire and police signal system. The department has a master mechanic, Doward L. Barter, a physician, Dr. Edward W. Feeley, and a clerk, Anna B. Hurley.

RETIREMENT

Nov. 1, 1958, Deputy Chief Charles J. Flynn was retired on disability pension. Deputy Flynn was appointed a substitute callman May 1, 1923, a permanent fire fighter May 31, 1925, drill master April 30, 1927, lieutenant January 1, 1930, captain December 5, 1933, and deputy chief March 28, 1948. He gave his best efforts to the fire service through the years, being a willing worker and a loyal fire fighter.

PROMOTIONS

November 16, Captain Irving L. Proctor was appointed deputy chief, having been acting deputy chief since October 5, 1958.

Advanced to the rank of lieutenant, were the following fire fighters:

June 15, Charles J. McCue
June 22, Robert C. Blomquist
September 7, John J. Carey, Jr.
September 14, James J. Kelly, Jr.
December 28, Edward A. Lennon
December 29, Walter M. Siker

APPOINTMENT

December 21, Lewis J. Paragona, 147 Thorndike Street, appointed permanent fire fighter; replacement.

ASSIGNMENTS

Lieutenant Francis R. Donahue was detailed to the Water Survey Project, April 14 to May 26, and from October 20 to December 19, 1958.

DEPARTMENT CHAPLAINS

Reverend Father Charles A. McCarthy, curate of St. James Church; and Dr. Francis W. Thompson, Pastor of First Baptist Church, serve as department chaplains. (August 1, 1958, Dr. Thompson resigned to accept new duties in California.)

APPARATUS AT HEADQUARTERS

Engine 1 (1954-Mack), 1000-gallon pumping unit

Engine 4 (1954-Mack), 1000-gallon pumping unit

Ladder 1 (1937-Seagrave), 85-foot aerial ladder truck. Because of its poor mechanical and operating condition, replacement of Ladder 1 should be considered in 1960.

Rescue 1 (1958-Mack), the body of the old special service unit was mounted on new chassis, October 17, 1958, and renamed Rescue 1. It is equipped for emergency calls, is usable as ambulance or floodlighting unit.

Life Boat, 14-foot metal boat with outboard motor and life-saving equipment, purchased in 1952.

Chief's Car (1957-Pontiac), Deputy's car (1956-Ford), and one 1½-ton utility pick-up truck (1952-Chevrolet) are in use for departmental duties.

AT HIGHLAND STATION

Engine 2 (1952-Seagrave), 1000-gallon pumping unit

Ladder 2 (1952-Seagrave), 65-foot aerial ladder truck

Two 500-gallon auxiliary fire pumps (1941-Buffalo), numbered engine No. 15 and Engine No. 16. On April 1, 1958, Engine 4 (Seagrave) stationed at Highland Station was renumbered Engine 2 and Engine 2 (Mack) at Headquarters was renumbered Engine 4, to coincide with fire alarm running cards.

AT PARK CIRCLE STATION

Aerial Ladder 3 (1949-Seagrave), a quintuplet unit comprising 750-gallon centrifugal pumper, 65-foot Metal aerial ladder, booster pump with attachment, carrier for 1000 feet of 2½-inch hose and 500 feet of 1½-inch hose, and a complement of ground ladders.

IN ACTIVE RESERVE

Engine 5 (1929-Seagrave), a 750-gallon pumper, is ready to aid disabled pumping units for a limited time.

RESPONSE

The Department responded to 844 calls of which 225 were box alarms, 561 still alarms and 58 mutual aid (out-of-town) calls, of the 624 telephone calls received, 115 were box alarms and 509 were still alarms.

In 1957 there was a total of 1241 calls.

A summary of alarms revealed that the greatest number of such calls occurred in the month of April; that more occurred on Monday than any other day of the week, and also that of these calls the largest number were between the hours of 11:00 A.M. and noon and between 4:00 and 5:00 P.M.

Fifty-four false alarms were sounded as compared with 93 in 1957.

The rescue unit responded to 74 first aid emergency calls where the resuscitator and inhalator were requested for the Administration of oxygen.

Received 4 calls for use of department life boat.

Causes of Alarms in 1958

Accidents	11	Locked out	70
Airplane crash	1	Malicious mischief	2
Automobiles	62	Manhole explosion	1
Blow torch	1	Miscellaneous	37
Careless smoking	25	Needless	21
Children and matches	13	Oil burners	45
Chimneys	7	Oil tank leaks	29
Dump	5	Out-of-town	58
False alarms	54	Paint remover	2
First aid	74	Refrigerators	9
Gas leaks	7	Rubbish	43
Gasoline	8	Sprinkler system	2
Grass	109	Televisions	12
Grease	12	Unknown	1
Heaters	8	Water department detail	19
Incinerators	3	Water leaks	16
Investigating	4	Wiring	68
Lightning	5		

General Summary of Equipment Used at Fires

2650	feet of ladders raised
41000	feet of hose used
17000	gallons of water from booster tanks
240	pumping operations for 40 hours
3300	miles travelled
2294	hours of service time

MULTIPLE ALARM

December 25, General Alarm sounded, Box 532, at 4:45 P.M. for fire in Plastic Plant, 71 Dudley Street.

FATALITIES

January 23, at 11:38 A.M., Fire Alarm Box 771 sounded for U.S.A.F. airplane which crash landed at 243 Lowell Street (rear). killing the pilot, Lieutenant Joseph Izzea of West Falmouth, and the observer, 2d Lieutenant John Horan of Falmouth. The airplane was completely destroyed.

February 24, Mrs. Elizabeth Morris died as the result of fire in her apartment at 135 Pleasant Street.

April 5, Mr. Albert G. Freeman died when fire occurred in his home at 17 Cheviot Road.

JANUARY THAW

During the month of January, the Fire Department was deluged with telephone calls for assistance to remove water from flooded cellars. Fire fighters with portable pumps and the necessary hose worked continuously until those homes were alleviated of this condition. Fullest cooperation was received from the Public Works Department in connection with this emergency.

INVESTIGATIONS OF EXPLOSIVE CONDITIONS

July 14, the Fire Department investigated the cause of gas leak at 473 Summer Street. The leak was found in underground gasoline storage tank at 483 Summer Street. Extensive corrective measures were made to remedy the situation.

October 10, the Department responded to the Concord Turnpike sanitary fill area where an explosion had occurred in manhole containing sewer pumps. Many tests for the presence of explosive gases were taken and after consultations with chemical engineer, it was discovered that the gas from landfilled area was emanating from chemical reaction of foreign substances buried there. To help prevent recurrence, gravel-filled trenches were constructed to allow dissipation of gas to the atmosphere.

FIRE LOSSES

Seventy-one losses occurred, 15 of which accounted for $144,930 of the entire loss.

The total assessed value of property endangered, insurance thereon, loss sustained, and the amount of insurance paid are as follows:

	Assessed Value	Insurance	Damage and Insurance Paid
Buildings	$537,250.	$ 970,200.	$ 68,504.
Contents	233,900.	233,900.	91,669.
	$771,150.	$1,204,100.	$160,173.

FIRES WHICH CAUSED LOSS OF MORE THAN $1000

January 5	Mary Coughlin, 289 Lake Street	$ 1428
March 1	Robert Davis, 76 Spy Pond Parkway	1788
March 30	Angus MacGillivary, 356 Park Avenue	2000
April 5	Nicholas Paulas, 1282 Massachusetts Avenue	1175
July 19	Fred Ricca, 68 Crosby Street	4261
July 23	George Galvin, 21 Valley Road	1700
August 7	Helen Desmond, 20-22 Adams Street	1083
August 19	Howard Robertson, 12 Intervale Road	1501
September 4	Michael Marcellino, 11 Gray Street	1820
October 23	Albert Leavitt, 11 Kensington Park	2531
November 1	Abbie Small, 11-13 Palmer Street	1853
November 21	Harry Hull, 15 Cutter Hill Road	1700
December 1	Kevin O'Neil, 186 Lowell Street	10706
December 14	Joseph Donahue, 6 Sheraton Park	1500
December 25	Trimount Plastic Co., 71 Dudley Street	109,884

APPROPRIATION

1958 Appropriation	$553,398.
Expended	551,375.
Balance	$ 2,023.

CREDITS

Fees for 43 permits to blast	$21.50
Fees for 14 permits for flammable fluids	7.00
Fees for 9 permits for use of tar kettle	4.50
Fee for 1 permit to display fireworks	.50
	$33.50

REPORT OF DEPARTMENT PHYSICIAN

Dr. Edward W. Feeley, department physician, rendered the following services in 1958: office calls 34, house calls 6, station calls 2, physical examination 1.

In addition, Dr. Feeley responded to many emergency calls and box alarms. Several conferences were held with the Chief of Department on Medical Matters pertaining to the members of the Department.

FIRE PREVENTION

Places of business, public buildings, schools, hospitals, convalescent homes, and places of public assembly were inspected periodically by fire fighters. A record was made of existing conditions with the date when corrections were made.

Recharged 185 fire extinguishers in these buildings.

The "clean-up fix-up, paint-up" program for the year 1958 began April 14 and continued through May 10 with great success. Received many requests to pick up accumulated debris and rubbish, a factor which definitely eliminated fire hazards in the homes. The

Public Works Department gave their utmost cooperation during the campaign.

In October, for the third year, at the request of the Catholic Archbishop of Boston, the Fire Department inspected all Catholic Churches, convents, schools, and other church property in Arlington and noted conditions found. These reports with recommendations were forwarded to the Chancellery.

During 1958, Lieutenant Daniel J. Mahoney, inspector of oil burning installations and flammables, inspected and approved a total of 700 oil burners and other flammable installations for which permits were issued. It was necessary to reinspect 150 such installtions because of faulty equipment and the failure of installers to meet all rules and regulations pertaining to oil burners and the storage of flammables. A constant check has been made by Lieutenant Mahoney pertaining to this important division of fire prevention work.

DWELLING INSPECTIONS

For the second year, conducted the "in-service inspection" of dwellings whereby approximately 10,000 homes were inspected by fire fighters with apparatus. Steady contact with Fire Department Headquarters was maintained through two-way radio. Many weeks were required for the inspection of dwellings — a most vital phase of fire prevention for the reduction of hazards in the home.

FIRE DRILLS IN SCHOOLS

The Annual Fire Drill under the supervision of the officers of the Fire Department was conducted in public, parochial and private schools.

A record was made of the number of classrooms, pupils, exits used and the time required to vacate each building, a copy of which was sent to the School Department.

For the fourth year, fire fighters with apparatus went to the schools for the holding of fire drills and at the same time remained in service for fire duty in the event of alarm of fire.

HYDRANT INSPECTIONS

For the fourth year, the Arlington Fire Department assisted the Public Works Department with the cleaning of water mains under the volume and pressure program. The "in-service inspection" of hydrants was continued by fire fighters who inspected a total of 1240 hydrants throughout the town.

In winter months, each hydrant was checked for water or ice in the barrel. When found frozen, the Fire Department immediately thawed the hydrant and pumped out the water from the barrel. A report of frozen hydrants was forwarded to the Public Works Department.

During summer months, water flow tests of each hydrant were made daily after 10:00 P.M. records were kept of the static and residual pressures and faulty operations were reported to the Public Works Department for correction. The fullest cooperation was received in restoring these hydrants to service.

TRAINING OF FIRE FIGHTERS

Because of our lack of proper facilities, our training program was limited. However, fire fighters participated in routine drills. Held pumping and drafting practice at Spy Pond and at Heights Reservoir. Conducted periodic life boat drills at Spy Pond and at reservoir.

Company drills were conducted monthly in quarters where fire fighters were instructed in the proper methods and use of Fire Department equipment.

Engine 2 company with members of the Department responded to the Boston Fire Department Drill School for practice in using "foam" in extinguishing flammable fluid fires.

During January, both Deputy Chief Bartholomew J. McGreevy and Lieutenant Daniel J. Mahoney attended oil burner school which was sponsored by the Oil Burner Institute.

AUXILIARY FIRE FIGHTERS

Auxiliary members of the Fire Department received instruction in the evolutions of fire fighting by Deputy Chief Irving L. Proctor, Fire Department coordinator with Civil Defense. The auxiliary fire fighters covered in daily at all stations during the year — A standby service of the greatest value. They responded and assisted at the general alarm fire, December 25.

May 6, 1958, air raid alert sounded at 11:15 a.m.

DETAILS

Since 1949, fire fighters at Park Circle Station have been assigned during school hours for traffic duty in that section to protect school children.

On many occasions as precautionary measure to safeguard building, fire fighters were assigned to standby duty while repairs involving use of blow torch or welding operations were being made in schools or public buildings.

Engine 1 participated in parade, April 19 and May 30.

Chief's car and Engine 1 detailed to Lexington parade, April 19.

June 19, deputy's car participated in Salem Anniversary Parade.

During winter months, assisted the Park Department with the flooding of playgrounds throughout the town for use as skating rinks.

BUILDING MAINTENANCE

At headquarters, continued work of repointing and waterproofing sidewalls of building. Much repairing remains to be done in 1959 with the Tower presenting a major project.

At Highland Station, partial repairs were made to slate roof and some plumbing installations were renewed. Fire fighters painted and waterproofed the exterior walls; also installed celotex ceilings, ceramic tile and electric fixtures. There is still much renovating to be undertaken in 1959. The driveway and rear yard of station was blacktopped with the Engineering Department and the Public Works Department assisting with lay-out. This was necessary for safety of voters using Highland Station at time of elections in preventing people from falling because of defects in roadway and yard. The new blacktopped surface will also give the Fire Department an added area wherein to conduct limited drilling of men with evolutions involving the use of water, and further will provide sufficient grounds for the testing of hose and the holding of pump drills.

At Park Circle Station, fire fighters redecorated the interior and painted exterior of building; also started the waterproofing of exterior walls. A new 1000-gallon fuel oil tank was installed outside for which fire fighters prepared the base construction. This tank replaced two 275-gallon tanks installed in 1933 in basement. It is an improvement to the station in addition to being a safety factor.

Fire fighters at all stations deserve considerable praise for their work and efforts in maintaining so well the fire department buildings, a tremendous task which has resulted in great financial saving to the town.

OUT-OF-STATE TRAVEL

The chief of department attend the conference of the International Association of Fire Chiefs, September 14, where talks, discussions and panels were given by leading and prominent men from various divisions of the fire service which were most informative, instructive and interesting. Many fire chiefs from Greater Boston also were present.

RECOMMENDATIONS

For the year 1959 recommend that $551,048 be appropriated.

CONCLUSION

I express my deep and sincerest thanks to the Honorable Board of Selectmen, and to Town Manager, Edward C. Monahan, for close cooperation with the Fire Department. I am most grateful to the Superintendent of Public Works, Francis N. O'Hara, to Police Chief, Albert E. Ryan, and Town Engineer, Wilbur S. Roby, and to other departments for special interest and assistance with Fire Department activities.

To my own officers and men for faithful performance of duty, my appreciation.

Respectfully submitted,

Thomas H. Egan
Chief of Department

Report of the Fire and Police Signal System

January 1, 1959

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

As Superintendent of the Fire and Police Signal System, I submit my fourth annual report for the year ending December 31, 1958.

The system is maintained by Assistant Superintendent Lester W. Cameron together with Signal Maintainers Nicholas J. Bucciero and Frederick J. Manning.

FIRE ALARM AND POLICE SIGNALS

Experienced many difficulties as the result of temporary breakdown in aerial and underground lines. Storms, winds, rain, snow and lightning inflicted severe damage and circuits were grounded. Trees blowing against lines caused interruption of service. When found out of order, circuits were restored to immediate service.

Made routine repairs, wound and tested fire alarm boxes, police signal boxes, police signal desk and signal registers; also checked air whistle and master clock. Painted all signal boxes throughout the Town, and on fire alarm boxes, placed decal "fire".

Fire box 286, opposite 440 Concord Turnpike, damaged twice when struck by vehicles.

Fire box 424, Gray Street-Pleasant Street, knocked over by automobile.

Fire box 51, Massachusetts Avenue - Pleasant Street, slightly damaged when struck by unknown vehicle.

Combination fire box 8651, and police box 417, at St. Camillus Church, 1156 Concord Turnpike, damaged by skidding automobile.

INSTALLED NEW POLICE SIGNAL BOXES:

Box 362 Summer Street - Washington Street
Box 472 Concord Turnpike - Newport Street
Box 55 Installed at 1083 Massachusetts Avenue, Public Works Department, in building 2, garage
Police box 31, Massachusetts Avenue - Central Street, relocated and moved back four feet to new curb line.

INSTALLED NEW FIRE ALARM BOXES:

Box 1741 Park Street, opposite No. 49
Box 24 Massachusetts Avenue - Franklin Street (placed in combination box with police box 143)

Box 396 Country Club Drive - Lantern Lane
Box 42 Swan Street - Swan Place
Box 534 Highland Fire Station, 1007 Massachusetts Avenue
Box 6852 Fisher Road - Bellington Street
Box 8621 Wollaston Avenue - Rublee Street
Box 8454 State Department of Public Works Building, 519 Appleton Street

The following fire alarm boxes were changed from Outmoded Gardner Type to Peerless Succession Signal Box:

Box 151 Broadway - Cleveland Street
Box 191 North Union Street - Norcross Street
Box 264 Milton Street - Herbert Road
Box 353 Water Street - Russell Street
Box 422 Pleasant Street - Addison Street
Box 425 Pleasant Street - Gould Road
Box 426 Pleasant Street - Brunswick Road
Box 464 Brantwood Road - Kensington Park
Box 487 Highland Avenue - High Haith Road
Box 532 Grove Street - Dudley Street
Box 71 Summer Street - Grove Street
Box 792 Westmoreland Avenue - Westminster Avenue
Box 824 Park Avenue - Oakland Avenue
Box 864 Hillside Avenue - Florence Avenue
Fire box 351, Mystic Street - Russell Street, Relocated to new street line.
Fire box 353, Mystic Street - Mystic Valley Parkway, moved to new curb line.
Fire box 512, Massachusetts Avenue - Mill Street moved back twelve feet because of street construction.

CABLE CONSTRUCTION

Installed 6-conductor underground cable on:

Pleasant Street - Swan Street
Jason Street from box 512, Massachusetts Avenue
Mill Street to Massachusetts Avenue
Massachusetts Avenue - Central Street, police box 31 to test terminal in Police headquarters

Installed 2-conductor aerial cable on:

Concord Turnpike - Lake Street
Dodge Street - Forest Street
Russell Street - Mystic Street to Water Street
Exeter Street - River Street - Park Street
Rawson Road to Mystic Valley Parkway
Amherst Street - River Street
Massachusetts Avenue - Teel Street
Mystic Street - Chestnut Street
Summer Street - Forest Street to Ronald Road
Hillside Avenue - Wachusett Avenue to George Street
Wollaston Avenue - Tanager Street
Swan Street - Swan Place

Installed 6-conductor aerial cable on:

Quincy Street

Pond Lane
Summer Street - Brattle Street to Washington Street
Made 50 transfers of lines to new poles, and rebuilt lines.

Throughout the Fire and Police Signal System, removed and trimmed trees and branches from aerial lines and installed wood mold where wires came in contact with trees.

AIR RAID SIGNALS

Tested sirens on the first and third Friday of each month.

May 6, 1958, air raid alert sounded at 11:15 A.M. Routine inspection was made of the following air raid sirens throughout the Town:

Massachusetts Avenue - Teel Street
Massachusetts Avenue - Winter Street
Massachusetts Avenue - Tufts Street
Massachusetts Avenue - Mill Street
Massachusetts Avenue - Brattle Street
Massachusetts Avenue - Forest Street
Massachusetts Avenue - Park Avenue
Florence Avenue - George Street
Summer Street - Mill Street
Summer Street - Park Avenue Extension
Broadway - Everett Street
Lake Street - Margaret Street
Highland Avenue - Ottawa Road
Mystic Street - College Avenue
Medford Street - Sherborn Street
Pleasant Street - Gould Road
Lowell Street - Park Avenue Extension
Trowbridge Street - Waldo Road

DETAILS

Set up the public address system on many occasions for various departments.

Rendered assistance to other departments when they requested the use of winch and derrick on fire alarm truck.

The town clock in Church Steeple, Massachusetts Avenue - Pleasant Street, wound weekly on Fridays.

Arranged Christmas lighting and decorations at the Town Hall, Library, Police Headquarters, on tree and crib at Monument Park, at Fire Department Headquarters and at the Highland Fire Station.

APPROPRIATION

1958 Appropriation	$18,315.
Expended	17,971.
Balance	$ 344.

RECOMMENDATIONS

For the year 1959 recommend that $22,105.00 be appropriated.

CONCLUSION

To the Board of Selectmen, to Town Manager, Edward C. Monahan, to the Police Department, and other departments cooperating with the signal system, my sincerest gratitude.

To Lester W. Cameron, Assistant Superintendent of the Fire and Police Signal System, and to the signal maintainers, for untiring efforts for the continuous operation of the system, my deepest appreciation.

Respectfully submitted,

Thomas H. Egan
Superintendent,
Fire and Police Signal System

Report of the Purchasing Department

January 27, 1959

Mr. Edward C. Monahan
Town Manager
Arlington 74, Massachusetts

Dear Mr. Monahan:

I herewith submit my report as Assistant Purchasing Agent for the year ending December 31, 1958.

The amount of service rendered by the Purchasing Department during the past year is indicated by the following table:

Purchase Requistions received	5148
Purchase Orders processed	6640
Total dollar value of invoices	$1,082,140.71

The provisions of Article 7A, Contracts and Purchases, of the By-Laws of the Town are strictly adhered to. Not only is the letter of the law observed, but the spirit of the law is strictly enforced. Wherever possible, purchases are combined so that formal bids are requested from prospective bidders. In addition, the spirit of competition is carried over into our day to day purchasing operations and telephone quotations are received from at least three bidders whenever possible and practical.

Specifications for formal bids are carefully prepared so that prospective bidders have available all information necessary to prepare an intelligent and competitive bid. All bids are carefully analyzed prior to their award. Thorough investigation is made of the physical and financial responsibility of bidders unfamiliar to the Town of Arlington so that we may determine their competency to provide the material or services bid upon. Where deemed necessary, insurance certificates and performance bonds are obtained. This provision protects the Town of Arlington against loss from suits or the deficiencies of inadequate performance.

Term Contracts are obtained on items such as Fuel Oil, Tires, Gasoline, Oil, Grease, Diesel Fuel, Storage Batteries, Incandescent and Fluorescent Lamps, Coal, etc. and in this manner considerable savings are realized by combining the needs of all town departments over a period of time.

During the year 1958, much stress was placed on increasing competition for town requirements and this has resulted in further savings to the Town.

I wish to take this opportunity to express my sincere appreciation to the Town Manager, Board of Selectmen, various Boards, Commissions, Trustees, Town Officials, Committees, Department Heads and my staff for their cooperation throughout the year.

Respectfully submitted,

James L. Sullivan
Assistant Purchasing Agent

Annual Report of the Personnel Board

January 16, 1959

To the Citizens of Arlington:

The Personnel Board herewith respectfully submits its annual report for the year ending December 31, 1958.

The membership of the Board remains the same as reported last year. William J. Frost and William J. Fallon were appointed to March 12, 1959, Paul E. Widder was reappointed to March 12, 1961, John J. Kelliher, an employee representative, appointed to April 13, 1960, and Warren E. O'Leary, an employee nominee, was reappointed to March 12, 1961. William J. Frost was re-elected Chairman for the coming year.

The Board attended the second annual conference of the Massachusetts Municipal Personnel Boards Association at the University of Massachusetts in Amherst and William J. Frost was moderator of a panel discussion on "Effecting a Working Relationship Between School Administration and Local Personnel Boards". Lee Morris spoke at the Association's November conference in Framingham on salary trends and classification problems. Personnel administration in municipalities continues to grow with seventy-five personnel boards or directors in the State at the present time.

The Board has held 12 meetings during the year and considered 31 requests of individuals, committees, boards and appointing authorities. The Police and Fire request for a $500.00 increase in the PF Salary Schedule and the request of Local 680 for $260.00 for all employees are included in the considerations. The Leave Regulations have been in effect since March of 1957 and we find that amendments are necessary to clarify ambiguities and new sections are needed to cover situations that have arisen since the regulations were adopted. In addition to the meetings, we have had frequent contact with the Executive Secretary on various personnel matters that have arisen between meetings. The Executive Secretary has had numerous conferences with the Town Manager, department heads, employees and the Division of Civil Service on matters pertaining to Civil Service procedure and the operation of the Classification and Pay Plan. The following are some of the routine personnel procedures handled by this department during the year:

Emergency appointments	73
Appointments - temporary, provisional, renewals	176
Permanent appointments	24
Promotions - permanent and temporary renewals	48
Termination of temporary and permanent employment	188
Permanent transfers	3
Group insurance	15
Loyalty Oaths	75

In order that employees or appointing authorities shall have reasonable opportunity to be heard, as required by Article 7C of the By-Laws, we urge that all requests be brought to the Board before November of each year. It is impossible to give proper consideration

to last minute requests received just prior to the closing of the Warrant.

There are at present 541 permanent full-time, 19 permanent part-time, 19 temporary full-time, 36 temporary part-time, and 25 seasonal part-time classified employees in the service of the Town. These figures do not include personnel under the direction of the School Committee.

The Board appreciates the cooperation and assistance given by the Town Manager, Finance Committee, officials, boards, Town Counsel and employees in our effort to fairly administer the duties and responsibilities involved. We also wish to express our sincere appreciation for the capable services of our Executive Secretary and for the clerical work performed by Mrs. Helen McCluskey.

Respectfully submitted,

William J. Fallon
John J. Kelliher
Paul E. Widder
Warren E. O'Leary
William J. Frost, Chairman

Report of the Town Counsel

December 31, 1958

Mr. Edward C. Monahan
Town Manager
Arlington 74, Massachusetts

Dear Sir:

I herewith submit my report for the year 1958 in accordance with Section 3 of Article 3 of the By-Laws of the Town of Arlington.

There have been thirty-one accident claims against the Town this year. Twelve of them have been settled as authorized by the Town Manager and the Board of Selectmen. Nine have brought suit and ten are in abeyance. Of the previous year's claims and suits, eleven were abandoned without suit, two were abandoned at the time they were reached for trial, four were settled as authorized by the Town Manager and the Board of Selectmen, and there were verdicts for the Town in three cases. There were no verdicts against the Town.

A number of land damage claims arising from storm drain installations and street widenings were compromised also as authorized by the Town Manager and the Board of Selectmen.

At the Adjourned Session of the 1957 Annual Town Meeting held on March 20, 1957, a quorum being present, the Town Meeting members, under Article 27 of the Warrant for said Town Meeting, voted 106 in the affirmative and 91 in the negative on a motion to amend the Classification Plan — Schedule A and the Pay Plan — Schedule B by increasing the figures contained therein relating to Grades PF-2, PF-3, PF-4, PF-5, and PF-6. The aforesaid grades relate to and include all the ranks of the uniformed personnel of the Police and Fire Departments. The motion was declared lost because it was lacking a majority of the entire membership of the Representative Town Meeting ruled necessary to amend a Town By-Law under Robert's Rules of Order. At the time of said Adjourned Session on March 20, 1957, there were 251 duly qualified Town Meeting Members.

Nine members of the uniformed personnel of the Police and Fire Departments acting in their individual capacities have brought a Petition for a Declaratory Judgment or Decree in the Middlesex Superior Court under the provisions of Chapter 231A of the General Laws of Massachusetts (Ter.Ed.) as a test case to determine whether the aforesaid vote under said Article 27 was legally effective to amend the Classification and Pay Plans and further to determine if they, as members of the Police and Fire Departments, are legally entitled to be compensated at the maximum salaries for their respective grades which they contend were increased by the aforesaid vote.

A Final Decree in favor of the Town stating that the vote under Article 27 of the Warrant for the 1957 Annual Town Meeting was not a valid vote so as to effectively strike out and insert in the

Pay Plan — Schedule B the words and figures referred to in said vote and to increase the minimum, step rate one, and the maximum salaries for gardes PF2, PF3, PF4, PF5, and PF6 in the Pay Plan — Schedule B as provided in said vote, was handed down by the Justice of the Superior Court.

The petitioners appealed from this decree to the Supreme Judicial Court. The case was argued by the Town Counsel and Counsel for the Petitioners at the December, 1958, Sitting of the Supreme Judicial Court and a decision is anticipated in the near future.

A Bill in Equity brought by the Building Inspector of the Town to enforce the Zoning By-Laws and to obtain an injunction against their violation by reason of the conduct of a business in a certain residential area of the Town resulted in a Final Decree in the Superior Court in favor of the Town and permanently enjoining the said business operation in the area in question.

A Bill in Equity appealing from a decision of the Building Board of Appeals resulted in a Final Decree in the Superior Court in favor of the Town and upholding the decision of the Board of Appeals.

Three other Bills in Equity were brought against the Town. One was abandoned at the time of trial. The other two resulted in Final decrees in the Superior Court in favor of the Town and, dismissing the bills.

Substantial amounts of money for aid rendered by the Board of Health and the Symmes Arlington Hospital have been collected and turned over to the Town Collector.

Substantial amounts of money for aid rendered by the Bureau of Old Age Assistance have been recovered and turned over to the Town Collector also.

The Town Counsel has been available at regular and special meetings of the Board of Selectmen, has worked in close co-operation with the Town Manager, has rendered opinions as requested by the Town Manager, various Boards, Departments, Committees and Officers, has attended meetings at State Boards and Commissions, and has been vigilant in all matters affecting the interest of the Town.

For the kind consideration and co-operation extended to me by all the officials of the Town during the past year, and especially to the Board of Selectmen and Town Manager, I desire to record my sincere appreciation.

Very truly yours,

Joseph A. Purcell
Town Counsel

Annual Report of the Police Department

Mr. Edward C. Monahan
Town Manager
Town Hall
Arlington, Mass.

Dear Mr. Monahan:

I herewith submit my fifth Annual Report for the year ending December 31, 1958:

(e) Miscellaneous	7,131.45	1,322.49
TOTAL	$44,440.32	$25,866.49

TRAFFIC SIGNAL DEPARTMENT
1958

The Traffic Signal Department is responsible for the proper installation and maintenance of all aids to the regulation and control of automobile traffic on the public ways throughout the Town for the safety of the general public, such as the planning, erection and maintenance of all traffic signals, the erection and maintenance of all traffic signs of every description and the painting of all traffic lanes, curb markings, street markings, parking stalls, crosswalks, etc.

During 1958 additional measures were adopted for the safety and convenience of the public.

Appleton Place was made "One Way" on Sundays, between Mass. Avenue and Quincy Street, to expedite the flow of traffic. Parking was prohibited on the southerly side, between Burton Street and Quincy Street.

To assist the residents on Swan Place, one hour parallel parking was installed on the easterly side and no parking on the westerly side.

The intersection of Summer and Mystic Streets was channelized and a new traffic signal system installed, which facilitates the flow of motor vehicles, but affords additional protection for pedestrians.

Glass replaced	24
Parking meters installed	2
Two hour meters	12
Parking meters in operation	260
Meters removed for driveway	2

AUXILIARY POLICE

A voluntary group of citizens who continue to contribute unselfishly of their time assisting the regular department in the handling of church traffic, protection of school property, assisting at other public assemblies, etc. The Town of Arlington is extremely fortunate to have such a fine group and are only too happy to join with the regular police department in extending our sincere appreciation to them.

CONCLUSION

I wish to evpress my sincere appreciation to the Honorable Board of Selectmen, our esteemed Town Manager, members of the Police Department, Auxiliary Police, Federal, State, Town agencies, and all of the citizens of Arlington for their continued cooperation and assistance, which has been of inestimable value in making Arlington a better place in which to live.

Respectfully submitted,

ALBERT E. RYAN
Chief of Police

LIST OF JURORS

Revised and Approved by the Board of Selectmen, January 5, 1959

NAME	RESIDENCE	PRESENT (LAST) OCCUPATION AND NAME AND ADDRESS OF PRESENT (LAST) EMPLOYER. IF MARRIED WOMAN, HUSBAND'S BUSINESS OR OCCUPATION AND NAME AND ADDRESS OF HIS EMPLOYER.
*Achilles, William	260 Broadway	Musician, Boston Music Co., 116 Boylston Street, Boston

Report of the Board of Health

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Mr. Monahan:

We respectfully submit the following summary of the activities of the Board of Health for the year 1958, which reports the services rendered by the Department, together with the reports on vital statisics.

Respectfully submitted,

Paul F. Burke, D.M.D., Chairman
Carl E. Barstow, M.D.
Ralph L. LaValle
Arlington Board of Health

Personnel of Department:

J. Philip Bower, Agent and Clerk
Margaret H. Wheatley, Principal Clerk
Mary G. Stone, Public Health Nurse
Justin E. Comeau, Milk and Sanitation Inspector
Lawrence S. Fagan, Dentist
Catherine E. Yates, Dental Assistant
L. Curtis Foye, M.D., Bacteriologist and Physician
Samuel Femia, Dog Officer

1958

SERVICES RENDERED BY THE PUBLIC HEALTH NURSE

Assisted in the physical examinations at the parochial schools, also assisted in dental examinations. Weighed and measured all pupils in both parochial schools, and conducted hearing and vision tests. Gave professional advice and rendered first aid assistance as needed.

Regular visits were made to the private and nursery schools operated in the Town.

Made visits, as required, to the homes of people with histories of reportable disease.

Attended lectures as part of In-service Education, which were conducted under the auspices of the State Department of Public Health, and a conference of Tuberculosis Workers. Also attended at Simmons College a "Work Conference" and a course on "Fundamentals of Public Health Nursing".

Statistics on these examinations and services are reported in monthly reports to the Board of Health.

REPORT OF SLAUGHTERING INSPECTOR

No inspections were made in the Town of Arlington during the year ending December 31, 1958.

REPORT OF THE TRUSTEES OF THE ROBBINS LIBRARY

To: Town Manager Edward C. Monahan

Dear Mr. Monahan:

We submit herewith the report of the trustees of the Robbins Library for 1958:

The Board of Trustees served under the able Chairmanship of Mr. Robert Brosnan until September when the undersigned was elected.

The concerted effort of all the Trustees toward the achievement of certain goals led to the fulfilment of some and progress toward attainment of others.

The painting of the interior of the entire library with the exception of the gallery proceeded and was completed in the spring. Draperies for the Children's Room and shades for the Young People's Room and stack area were purchased from Trust Funds. The Garden Club in appreciation for the courtesies extended to it graciously presented the library with draperies for the Auditorium. The windows in the Reference Room were repaired.

In March, National Library Week was observed. Many organizations were invited to Open House and shown the many facilities of the library. Exhibits were arranged, special historical collections were on view, paintings were hung in the corridor. Many took advantage of the invitations and great interest in and appreciation of the services were evidenced.

The School Library Program continued. Teachers realize the broader scope their educational programs can achieve with the use of the libraries. A greater interest in books has been aroused in the children. The Crosby and Bishop Schools now have libraries. The Dallin and Thompson Schools continue to share the services of one librarian, the Bishop, Hardy and Crosby Schools have a librarian only one day a week.

Personnel continues to be a problem. At the present time there are three vacancies on the staff.

After forty-one years of devoted service, Miss Ruth Sampson, Assistant Librarian retired. The gratitude of the Trustees was in a small measure expressed to her at a dinner given in her honor at the Wayside Inn to which Trustees and staff members, past and present, subscribed. A tangible evidence of their appreciation was a Paul Revere Bowl which was presented to her at that time.

Of primary interest is the survey made of the Library by Mr. Philip McNiff and Mr. John Humphry, experts in library problems.

Because space in the library has been at a premium for many years and because the turnover in staff has been a continuing problem, Mr. Philip McNiff and Mr. John Humphry were hired to make a survey of the library. The survey indicated many changes that could be made in the existing building and with the staff to

expedite the efficiency of work. They have suggested that all work areas be confined to the basement so that flow of work be smooth and continuous, that the Young People's room be moved to the present catalog room, that an elevator be installed so that present unused gallery can be converted into a Music and Art Room. They also suggested removing the partition from the present music room and extending the flooring to the second floor stack. They predicted that with the ever increasing use of the library even with the above changes and the added space, an addition to the present main building would be needed in approximately ten years. They felt that the present staff was adequate to satisfy minimum library requirements, but that until the salaries of the professional help are raised, the Robbins Library will serve as a training ground for other libraries with better salary schedules.

With these objectives in mind the Trustees have set their sights for the ensuing years so that the good service now rendered to the public can be made even better.

This is a fitting time to extend the thanks of the Trustees to Miss Stromdahl and the Staff for carrying out their work so efficiently, so effectively and so graciously.

Respectfully submitted,

Mrs. Alfred Yood

Chairman

Board of Library Trustees

Report of the Librarian for the Year 1958

WAKE UP AND READ

The slogan of the National Library Week observance of March 1958 aptly points up the need for a "better-read, better-informed" America. The printed word, the very basis of education, has taken on new significance. The existence and vitality of a free society, built, as it is, on the opinions and decisions of the many rather than the few, depends upon the extent to which all the people have formed the habit of finding out, of intelligently weighing alternatives, of reading to be informed. Limited horizons are dangerous. Books offer an opportunity to explore; new ideas and viewpoints result; horizons are enlarged. Good libraries prepare the people for what the future might hold.

According to the recent survey submitted by the library experts, Messrs. Humphry and McNiff. "the Robbins Library is an outstanding example of the American institution known as the Public Library....It is obvious that the town has been convinced ....that adequate support of its public library is essential in a progressive community".

WAKE UP . . . .

The people of Arlington apparently are awake and alert, for during the year, 3,159 new borrowers registered at the main library and its two branches; 1,742 of this number were adults, 244 young people, and 1,173 boys and girls. As of December 31, 1958, 20,428 residents possessed library cards, or in other words, about 43% of the total population were library users. During the year 167 cards were surrendered for various reasons such as removal from Town, death, etc., and records for 2,881 borrowers whose cards had expired and had not been renewed, were removed from the files.

. . . . AND READ

Citizens of Arlington did read during the past year. A total of 395,063 books, pamphlets, and periodicals were borrowed from the main library and its branches during 1958. This is a net gain in circulation of 20,431 volumes over the preceding year, as the following figures will show.

COMPARISONS:	1958	1957	GAIN	LOSS
Main Library				
Adult Department	144469	136711	7758	
YP Department	33456	30255	3201	
Junior Library	57797	57423	374	
Dallin Branch	56758	52540	4218	
East Branch	80468	80303	165	
Classroom Deposits	19448	14821	4627	
Hospital	2667	2579	88	
TOTALS	395063	374632	20431	

The above table does not include the circulation figures for the School Libraries of which there are now five in partial operation. A total of 19,043 books were circulated from these five libaries, 7,611 more than in 1957. Following are the figures:

	1958		1957		
Bishop	1777	(Sept - Dec)	2181		
Crosby	717	(Oct - Dec)	——		
Dallin	6157		2042	(Sept - Dec)	
Hardy	2755	(Sept - Dec)	4598		
Thompson	7637		2611	(Sept - Dec)	
TOTALS	19043		11432		GAIN - 7611

. . . . AND LISTEN

Arlington residents also made use of the Music Department during the past year, for, according to the records, 15,421 phono-record albums were borrowed for home use, study and listening purposes, 2,012 more than during the previous year.

. . . . AND BECOME INFORMED

People of all ages and all types used the reference and readers' advisory services of the library, seeking answers to, and information on a great variety of questions. Young people asked for material on radioactive isotopes, the Workmen's Compensation Act, progressive education, narcotics, customs during the reign of Queen Anne, the Romanov dynasty, travel in medieval France, the Zenger trial, colonial books, newspapers and almanacs, literary comparisons of Poe and Galsworthy, the Christopher Movement, ladies' fashions in the 1920's, New England rainfall, modern processing of food, erosion in America, etc., etc.; the adults wanted such information as a list of the Mayflower passengers, material on the Swiss Guards, elementary education in France, the circle and the point in philosophy, results of Nixon's visit to South America, background of Ondine Legend, voting record of Edith Nourse Rogers, number of miles a housewife walks daily, care and feeding of Salamanders, dwarfing of trees, history of the potato chip business, traffic controls in the 48 states, sail making, a chart of the various religions of the world together with their relative development, decoration of church altars, how to mend an electric toaster, procedure for making a community survey, etc. etc.

. . . . AND KEEP ABREAST

The library program is broad and reaches many individuals and groups through avenues of various kinds. Following is a brief summation of some of the activities of 1958.

Regular deposits of books were sent to each of the three fire stations in Arlington. These collections were changed for new ones upon request of the firemen.

Ninety semiweekly visits were made by a staff member to the Symmes Hospital. On each visit, pushing a book truck filled with books, the library assistant visited all the wards, charging books to any who wished to make use of this service. 2,667 books were borrowed by the patients and staff of the hospital.

With Mr. Leslie Hurwitz, Director of the Keyboard and Theory Department of the Arlington Academy of Music, as Lecturer, five evenings of music were sponsored by the Music Department during the year. Mr. Hurwitz's subjects included "A compartive dissertation on Brahms and Rachmaninoff", "Vocal music from the 15th to the 20th century", "Giants of the Keyboard", "A 'live' Music Lecture," and " An evening of Christmas Music".

Once again, during the fall months, the Young People's Librarian gave instruction in the use of the library to the sophomores of the Vocational High School, the sophomore class of girls at Marycliff Academy and eleven seventh grade classes at Junior High West. At least three and sometimes four class periods were devoted to each group.

Sixteen classes from Hardy, Crosby and Thompson Schools visited the East Branch Library and eleven classes visited the Dallin Branch for book talks and stories during Book Week. The Junior Library had groups from the Parmenter and Junior High Industrial Arts.

In May the Young People's Librarian visited the two Junior High Schools and the St. Agnes Parochial School to acquaint the eighth grade students with the Young People's room and its book collection, and the additional privileges that awaited them upon transfer from the Junior Library at the close of the school year.

The Saturday morning programs for children, presented at the main library and both branches every week during the winter months, offered the children a variety of entertainment and culture through story hours, film showings, and recorded concerts. These programs attracted 3,051 children; 1,040 attended the story hours, 480 the concerts and 1,531 the movies.

605 boys and girls participated in the "Space" Reading Clubs carried on during the summer months; 199 members participated at the East Branch, 172 at Dallin Branch and 234 at the Junior Library.

722 reading certificates were issued to boys and girls who took part in the reading project which is carried on throughout the year by the Robbins Library and the Arlington Schools. Each of 693 certificates represented five books read; 29 honor certificates certified the reader had earned four 5 book awards.

During the year, the Read, View & Talk Club, composed of High School students with the Young People's Librarian and the High School Librarian as counselors, held sixteen meetings. Films, book reviews and panel discussions comprised the programs.

A series of Open Houses was held during National Library Week in March, to which the Public, Teachers, League of Women Voters, Clergy and Rotarians were invited. This effort resulted in much good will and many an enlightened citizen.

Upon request, book and library talks were given by members of the staff to various groups including the P.T.A.'s, teachers, church and civic organizations.

205 films were furnished for program use to clubs, church groups, boy scout groups, nursing homes and other associations.

The Junior Library hall was made available for 364 meetings of various organizations and groups, and the community hall at Dallin Branch was used on 86 occasions.

. . . . AND BECOME AWARE

That there is much "behind the scenes" activity in a library is generally overlooked. New books must be evaluated, purchased, and processed; old and wornout volumes must be discarded; inventory of book stock must be taken; books must be repaired, overdue notices sent and reserves filled. Exhibits must be planned, bibliographies compiled, pamphlet and picture files kept up to date, publicity prepared. Included here are a few figures to give some idea of this "back of the scenes" activity.

9,639	books were cataloged and processed for circulation
5,586	volumes were discarded
399	books were found to be missing in inventory
329	phonorecord albums were purchased and processed
20,789	overdue notices were made out and mailed
5,382	book reserves were filled
197	books were borrowed for special study through the Inter-library-loan
195	volumes were loaned to other libraries

. . . . AND LOOK FORWARD

As the recent Humphry-McNiff Survey showed, the present library building is now inadequate to serve the community; it is hoped that it will be possible in 1959 to carry out some of the recommendations made in the report to make the library more inviting to the public and to increase efficiency of operation.

. . . . AND GIVE THANKS

To the many friends who have given books, periodicals, flowers, and other gifts to the library during the year, to those who have loaned exhibits and displays, to the newspapers for their generous publicity and to the Staff, Custodians, Board of Library Trustees and the Town Manager for generous cooperation, loyal support and continued interest, the Librarian herewith expresses her warm appreciation.

A special word of appreciation is extended to Miss Ruth Sampson, Assistant Librarian, for devoted and gracious service to the people of Arlington throughout her forty-one years as a member of the Staff. Miss Sampson's retirement became effective in August 1958.

WAKE UP AND READ

1958 was the busiest, most active year in the history of the Robbins Library. There are still many citizens, however, who are not taking advantage of their library facilities. These people are invited to avail themselves of the treasures which are theirs and are at hand for the taking. It is well to remember that each enlightened citizen, through his own knowledge and action, helps to guide the direction of the nation.

Respectfully submitted,

Judith E. Stromdahl

Librarian

ANNUAL REPORT OF THE PUBLIC SCHOOLS

REPORT OF THE SCHOOL COMMITTEE FOR THE YEAR 1958

To the Citizens of Arlington:

Dr. James Bryant Conant, in a recent address before the Massachusetts Association of School Committees, emphasized that the first requisite for a good public school system is a good school committee, and a good school committee is formulated by wise decisions by electorates, which Dr. Conant points out, depend to a considerable degree on the traditions of the community.

Therefore, the quality of education disseminated to the children of our Town may be placed squarely upon the shoulders of the School Committee and the voters of Arlington.

If we are losing our place among the leading educational communities of the State, as has been plainly evidenced in the cases of some cities, then the electorate and the community leaders have only themselves to censure in that they did not feel it their responsibility to either become a candidate for election to the School Committee or to encourage able citizens to present their candidacies. These factors should be given careful consideration, especially by parents who expect their children to be educated in our schools and by those citizens who realize that a community is judged by the calibre of its schools.

Apparently there are only a few groups of citizens in Arlington willing to encourage and support able candidates for the School Committee. Unless this apathy is challenged by a group of community leaders, the traditions which were built up and perpetuated by a previous citizenry will crumble and the fall will be heard soundly in the business, economic and real estate values of our Town.

In October, 1958, the School Committee requested the School Citizens Committee to sponsor a public meeting in which new plans and programs were to be discussed with the bald statement that "we want your ideas, suggestions and criticisms." About thirty-five school personnel and fifty parents attended. The School Committee could assume that all who did not attend, including the parents of 7,000 children, felt that we had an excellent school system. Is it such, or is it apathy? If it is the latter, we have reason to be concerned. We urge the citizens of our Town to give this question their utmost consideration.

Last year, through diligent and exacting research by the administrative staff, and the cooperation of parents, Arlington qualified as an impact area caused by certain government workers living in our Town and became the recipient of $43,421.31 in federal funds to alleviate the educational costs induced by federal installations near the Town. For some years the Committee has considered expanding and enriching the school program. However, our mounting budget had deterred these innovations.

The coincidence of Sputnik 1 and the federal grant gave impetus to our ideas for new programs for the academically-talented and the broadening of programs in science, mathematics and the humanities. Vocational education was strengthened by the acquisition of new machines to teach new phases of the trades. Improvements at the Warren A. Peirce Field were consumated by the use of these funds. The federal funds are allocated to the School Committee for its use under P. L 874, the enabling Act being Chapter 413 of the Acts of 1956.

The School Committee desires to call to your attention the need for a new elementary school in the Pheasant Avenue Area. A plot of land of about 3½ acres is owned by the Town and has been designated for school purposes. The State Building Assistance Commission has approved the plot which means that the State would return a portion of the cost to the Town. The School Committee has notified the School Survey Committee of the over-crowded conditions in the Bishop and Peirce Schools which would appear to necessitate relief in this area. Were this school to be constructed, it would appear to be the completion of new school construction in Arlington. Failure to build a parochial school in the Heights area may necessitate an addition to the Dallin School at a later date.

The long-range planning program of 1950 lists the Pheasant Avenue Elementary School as the last school building in the post-war school building plans of the School Committee and the year selected for obtaining plans and specifications was 1959. The High School Addition should be ready for occupancy in September of 1959, alleviating the pressure on the junior highs by the change to a 6-2-4 system.

The new National Defense Education Act, P.L. 864-85, and the State enabling Act, being Chapter 664 of the Acts of 1958, possibly may assist the Town in the fields of science, foreign languages and psychological testing; but for this year it would appear that most of the federal monies will be spent for supervision on the State level.

This type of supervision is of negligible value to towns like Arlington, Brookline, Belmont, Lexington, and Winchester because these towns keep their salary schedules at a higher level than the State and can attract a better supervisory and administrative staff than the State. Hence, allotments of federal funds in this manner will benefit smaller towns and cities unable or unwilling to attempt to attract the best.

Public Law 864 should not be confused with P. L. 874. It is from the latter that we obtain federal funds presently.

A brief word about our budget. The only relief for the local property taxpayer is for the legislature to broaden the tax base Salaries comprise nearly eighty percent of our budget. We are in competition with neighboring communities for the best teachers available, hence our salary schedule must be comparable to theirs in order to keep and attract good teachers. Furthermore, teachers cannot be expected to subsidize the education of our children. Educational T V will supplement some teaching, but will not replace teachers. The remaining increases in our budget may be attributed to increased costs and increased pupils. It is as simple as that.

The Committee mentions with sadness the sudden passing of Lawrence J. Mantyla, principal of the Dallin and Locke Schools, on April 12. Mr. Mantyla came to Arlington as a teacher from Sherborn in 1942. He became principal of the Locke School in 1945 and of the Brackett School in addition to the Locke in 1946. When the Dallin School was completed in 1956, Mr. Mantyla became principal of both Locke and Dallin. Mr. Mantyla contributed a great deal to our schools and his loss was felt most keenly by the entire school system.

Mrs. Esther Boyce Schmidt, teacher of special class at the Cutter School, passed away on October 11. Mrs. Schmidt came to Arlington in 1927 and served faithfully in continuous service until her death. She was one of our most outstanding teachers and thus far it has been impossible to find anyone who can begin to replace her.

The following retired from the system during the year: Miss Ethel Ober, teacher at the Junior High School West, after 46 years of service; George R. S. vonKapff, teacher at the High School, after 32 years of service; Mrs. Mary Prestwood, teacher of industrial arts class at the High School, after 31 years of service; Miss Helen Knowles, teacher at the Crosby and Thompson Schools, after 34 years of service; and Mrs. Marion A. Kirschbaum, teacher at the Junior High School West, after four years of service.

In the personnel of the School Committee, Charles R. Kent replaced David Ashton. Mr. Ashton ably served one term on the Committee and was elected Chairman during his third year.

The Committee thanks the entire staff for its continued devotion to duty and all the Town Boards and Officials for their cooperation with the Public Schools.

Respectfully submitted,

(Signed) John P. Morine

Chairman

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

FOR THE YEAR 1958

To the School Committee of Arlington:

Ladies and Gentlemen:

It is my privilege to submit for your consideration the following report of the schools for the year 1958. This calendar year in our schools was heralded by the implementation in our elementary and secondary schools of our program for academically-talented children, the T V program in the first six grades, and the receipt by the School Committee of $43,421.31 under Public Law 874. This grant will enable a reduction in the 1959 real estate tax of approximately 50 cents per thousand because the items for which the expenditures are and will be made of this federal money will not be included in the 1959 School Budget. Expenditures have already been made from these funds for television sets for the High School; for an 11th grade humanities course; natural science instruction for all the 5th grades conducted by the Audubon Society; instructional apparatus for the Vocational School; science equipment for one of the elementary schools and for the part-time services of a psychiatrist for consultation purposes.

OUR ELEMENTARY SCHOOLS

During the past few years several of our schools have instituted departmental teaching whereby teachers who are specialists in a particular area may exchange classes. For example; in one of our schools music, social studies and language are interchanged among the fifth and sixth grade teachers. By the use of this method talent and special interests of individual teachers can best be utilized. This gives each teacher a better opportunity to specialize in the subject matter being taught. At another school, homogeneous groups in reading and arithmetic are taught by alternating teachers on the same grade level. In this way, each group is provided an opportunity to advance at its own rate of learning and each group benefits from better teaching preparation. Departmentalized teaching is dependent wholely upon the special abilities of individual teachers and cannot be made uniform throughout our system. However, in the schools in which the personnel has been available, it has proved to be successful and wherever possible this will be standard operating procedure in our elementary schools.

The report cards used in the elementary schools have been revised and will be issued for the first time during the school year 1959-1960. This revision was necessary because both parents and teachers felt that the card in its current form could be improved. This study of the report card was undertaken during the current calendar year and was included as part of the Wednesday afternoon In-Service Training Program. An extensive survey was made of report cards used in other communities and they were discussed in teachers' meetings. In these meetings, teachers of each grade

throughout the Town met separately with a principal as chairman and composed a report card for that particular grade level. Following these grade level meetings there were two general meetings of teachers, one for grades one through three and the other for grades four through six in which the six suggested report cards were discussed. At these meetings the teachers' opinions were freely expressed and they became the guide for the smaller committees chosen later to draft one report card for the primary grades and one for the intermediate grades. Both parents and teachers who have reviewed the new report card feel that it is a decided improvement over our existing cards.

Art workshops have been held for teachers at all grade levels from kindergarten through grade 6, which has resulted in a stimulating and vigorous creative art program with all of our children. In addition to the workshops, monthly art bulletins are distributed to all teachers giving suggestions for creative art lessons. Among these were seasonal art, new art techniques such as crayon etching, using folded paper for three-dimensional stand-outs, design, illustration, posters, modeling, etching and murals. It is our feeling that more than ever before our children are developing in self-expression, observation, recognition of likes and differences, imagination, organization and interpretation of ideas through many varied media. In the opinion of the elementary school principals our art program is now progressing on a very sound basis under the direction of Miss Eleanor Young.

A most successful and new educational experience was made available to our elementary school with the adoption of a course in natural science and conservation for fifth grade pupils, presented by the Massachusetts Audubon Society. Thirteen one-hour lessons are scheduled, bi-weekly, culminating in a two-hour field trip in the spring. This course emphasizes appreciation and awareness of a person's surroundings and appreciation of inter-relationships of all living things, and accurate observation and interpretation of what was observed. The fifth grade pupils seem most receptive and enthusiastic toward this instruction.

In one of our elementary schools an experimental program in language was initiated last September in grades four through six. Its purpose is to improve the pupil's knowledge of story-telling and his art of writing stories, essays and compositions. Attempts at accomplishing these aims are undertaken in various ways. The pupil is being taught the assimilation of ideas through the five senses. Much practice in writing phrases and similes increases the child's vocabulary and descriptive powers. It is expected that the pupil's conversation and spelling should improve with the practice of clear and accurate speech that is carried on daily in this program. Growth in vocabulary is brought about by the use of specific words which the child has looked up in the dictionary, newspapers or books after he has been given a generic word. By writing a letter each day, the child becomes acquainted with the form of a letter. The parts of speech and simple diagramming are learned to give the child a sound background in grammar.

The T V program presented by the Eastern Massachusetts Council for School Television through Channel 2 on the whole has proved to be successful and worthy of the time and expense that it in-

volves. Although it is still in an experimental stage and programs do vary in their degree of suitablity, the effectiveness of T V teaching is bound to increase as time goes on. We do not expect to see T V replace teachers, but we do expect it to become an important teaching aid. The program for the present school year includes physical science for grade six, natural science for grade five, social studies for grade four, literature for grade three and music for grade two. Before the series of T V programs began, each teacher was given a teaching guide for her grade level. These guides, encompassing all of this series of telecasts, indicated the subject content of each program and suggested activities to be carried out prior to the television presentation and the follow-up activities to enrich and clarify the televised teaching.

The elementary school library program is progressing on schedule with five libraries now in operation. It is hoped that two more schools will be equipped with school libraries in 1959. Efforts are now being made to work out a uniform course of study to be used by librarians from kindergarten through grade six.

With the continued and enthusiastic activity of a sixth grade science club in one of our schools and with an experimental sixth grade science program being undertaken in another of our schools, we feel that in another year we shall be able to initiate a uniform and stronger science program in the upper grades of all of our elementary schools.

JUNIOR HIGH SCHOOLS

During this year a procedure was studied and plans formulated whereby ability-grouping would be done by individual subjects rather than by divisions. In major subjects there would be three divisions (academically-talented, normal and remedial) and each pupil would be assigned on the basis of his past performance and potential ability. Attempts will be made to program subjects so that pupils could be transferred during the year from the normal to the talented, or from the normal to the remedial class or vice-versa. It will be the duty of the counselors, under the supervision of the principals, to study and effect assignments and changes when necessary.

The field of social studies has been examined very carefully this year and some important changes have been made. It had been found that where geography and history had been integrated in any given year the area of geography seemed to suffer. It was therefore decided that geography would be the course content in social studies for grade seven and United States History would be the entire course content for grade eight.

In the past, intensive aptitude and achievement testing had been done with all ninth grade pupils. Beginning with the present school year, this same type of testing will be done with the eighth grade pupils and should be of considerable assistance in course selection for grade nine. The tests administered to the eighth grade pupils are similar in scope to those administered in the past to the ninth grade pupils. It is also intended that in the spring of 1959 meetings of parents of eighth grade pupils in each of the junior

highs will be held and the tests will be explained, while each parent present will have a copy of the test results of his child. This would be the same procedure that had been used previously with the parents of ninth grade pupils.

The action of the School Committee in requiring certain dress regulations for boys, including neckties and doing away with "ducktail" haircuts, cowboy boots and pegged trousers, has resulted in a considerable change in behavior and attitude among certain types of pupils which is being favorably commented upon repeatedly by teachers, principals and parents.

The Junior High Industrial Arts has expanded its visual aids program considerably this year with resultant enrichment in science, social studies, community relationships and current events. In addition, a book loan arrangement with Robbins Library has been most effective in motivating these pupils to read and to become more interested in books. The overall academic program over the past year has been strengthened considerably and is being reflected in the achievement of the pupils.

SENIOR HIGH SCHOOL

International events in the political and scientific fields have projected the American public high school into the national spotlight as an academic system that is not meeting the challenge of the times. We are cognizant of the criticisms and are evaluating constantly our high school program in terms of sound recommendations which are being made by educational leaders. The Conant Study of the American high schools is of considerable interest to us and when the final report is published during the coming year, we shall attempt to implement as many of the recommendations as possible.

It is hoped that the building renovation and addition program will be completed in time for the admission next September of four classes; the ninth grade making its first appearance in the high school since the adoption of the junior high school system nearly forty years ago. The new plant will present excellent opportunities for greater expansion of work in all fields. New facilities as well as more numerous teaching areas in art, music, home economics, shop and physical education will give outlets for those who elect these subjects. It will be necessary in the near future to modernize the chemistry laboratory and plans for that area will present a combined laboratory and classroom. The Vocational School will have a new shop area as well as related work classrooms in a central location, thereby creating a more unified and efficient school.

In order to keep the subject offerings in the high school as flexible as possible a procedure has been devised whereby curricula designations as such will be eliminated from the program of studies and from the list of high school subjects each pupil's program will be tailored to meet his individual needs. This proposal will operate in the following manner: Each year a counselor will meet with each pupil and on the basis of the pupil's past performance, apti-

tude and achievement test scores, and the pupil's interest, a program of subjects for that year will be proposed. This list will be taken home by the pupil for parental approval. If parents have any questions about the program they will be encouraged to meet with the counselor and adjustments will be made in accordance with the now existing regulations and pre-requisites for admission to certain courses. For example; a pupil studying stenography who has an interest and aptitude in algebra and higher mathematics will be able to elect these subjects along with the major business subjects. In the same way, a pupil who has a flare for foreign languages, but is poor in other college preparatory subjects, will be able to elect the foreign languages along with non-college preparatory subjects. The counselors will encourage the pupils to take as difficult subjects as they are capable of handling. However, within the existing regulations and pre-requisites, the parents' wishes in course selection will be met. Wherever feasible, in both junior and senior high schools, there will be three levels of instruction in major subjects; for academically-talented, for average and for remedial pupils with possibilities of inter-change of pupils within these groups at any time. For example; it may be found that a pupil in an average English division seems capable of moving faster than the class is progressing, so he might be shifted to the academically-talented class. Or, a pupil in the academically-talented class who could not keep up with the class might be shifted to the average group. It is expected that with the elimination of the designation "general course", which has a definite stigma, pupils would be prone to take subjects in this area without the violent objections which they and their parents now present.

The Thompson Scholarship Fund which approximates about $11,000. is most valuable in providing financial aid to those who are going on to higher education and who are forced to meet higher and higher tuition costs. This year 69 students received financial aid which helped defray a part of their tuition fees. We are most grateful to the Arlington Women's Club and to the Arlington Parent-Teacher Council who have provided scholarships totaling almost $1,000. In addition, scholarships to the amount of $38,500. were awarded to members of the graduating class from Harvard, Colgate, Simmons, University of Pennsylvania, Wheaton of Massachusetts, Wheaton of Illinois, Northeastern and others.

The fifteenth annual survey of the Guidance Department indicates that nearly 57% of last year's graduating class at Arlington High School has gone on for further full-time education. This is significant in view of the national average which is about 20%. About one-third of the class is in four year, degree-granting institutions with the remainder in business schools, junior colleges, nursing schools, technical schools, etc. Nearly 37% of the class is employed; about 5% is in the Armed Forces; and 1% is ill or at home. As would be expected under present economic conditions and tuition costs, a large proportion of this class is attending colleges in the Greater Boston area with 21 at Northeastern, 16 at Boston University, 9 at Tufts, 9 at Boston College, 7 at Boston State Teachers' College, 5 each at Framingham Teachers', Massachusetts School of Art and Simmons, 4 at Harvard and 1 at Massachusetts Institute of Technology. Other well-known colleges which have enrolled members of the class of 1958 are Bates, Brown, University of Maine,

University of Massachusetts. Babson, Bowdoin, Colgate, Connecticut, Dartmouth, Stanford, Trinity, Michigan, Pennsylvania, Wellesley, Wheaton of Illinois, Wheaton of Massachusetts and Worcester Technology. It is most gratifying to us to report that in view of the present teacher shortage throughout the nation, 25 members of this class are attending Teachers' colleges with about 10 more attending schools of education in other colleges.

It is interesting to note that of those who took college preparatory courses, over 92% of the class has gone on to further study, and of those who took business preparation courses, nearly 71% of the class is employed in office work, with another 24% attending business schools or colleges.

The ability of those who take college preparation work in order to enter the college of their own choosing, as well as the success in meeting the demands of college work, is a testimony of the fine work done by the faculty, as well as a tribute to the policy of our insisting upon high standards. It is pertinent, at this point, to emphasize the excellent guidance work which has played a key part in the direction of the educational paths of these students from their experience in grades, through junior high level and finally to the senior high school. The splendid liaison between the high school guidance counselors and the college admissions officers facilitated the admissions of hundereds of graduates from our High School to colleges of their first choice. This is likewise true of those who have entered the business world directly from High School. It is most gratifying to have representatives from many large business houses visit the high school annually in search of capable young people to enter the mercantile world. Arlington graduates have established fine reputations as a result of the business training courses offered and the standard of instruction given.

PUPIL PERSONNEL SERVICES

This year, in addition to the survey of the graduating class already reported a general study of the college record of our graduates from 1953 through 1957 was undertaken. Although complete data has not yet been received, it can be reported that at least 10% of these pupils have been included on the Dean's or President's honor lists. 12% were granted college scholarships because of their high academic standing; 5% were listed as class officers, or officers of college organizations and 4% graduated magna cum laude or were elected to Phi Beta Kappa, or its equivalent. The colleges represented in the above summary included Amherst, Bates, Boston College, Bowdoin, Brown, Framingham State Teachers' College, Harvard, University of Illinois, Massachusetts Institute of Technology, University of Michigan, Mout Holyoke, Northeastern, Simmons, Smith, Tufts, Wheaton and Williams. Although the Arlington Public Schools do not attempt to take credit for the notable performance of these graduates, nevertheless we feel that it may be safe to assume that our educational program was not remiss in preparing these pupils for college.

It is of interest to note that about 28% of our high school population is employed gainfully in part-time jobs. These pupils average about 18 hours a week and their total weekly earnings represent about $7,300. Among the graduates of the class of 1958, 81 of the 90 girls who went into full-time employment were placed by the Guidance Department. Part-time employment was provided for 303 pupils by the Guidance Department.

From time to time, guidance classes from Tufts University, Harvard Graduate School of Education and Northeastern University have visited the Guidance Office at the High School in order to observe the actual operation of a guidance department and to receive instruction from the Director of Guidance and the counseling staff.

Under the supervision of the Department of Pupil Personnel Services, and as has been reported in the Annual Report of the previous year, an academically-talented class of 6th grade pupils was initiated in the Crosby School and one for 9th grade pupils was begun at the High School. Although these classes had been underway for three months at the time this report was being prepared, it is our feeling that this experiment will prove to be very successful in terms of motivation and academic achievement of these pupils. As has been explained elsewhere in this report, beginning next September academically-talented pupils in our secondary schools will be grouped by subjects rather than by divisions as exist with our present 9th grade.

The 6th grade academically-talented class is following an enrichment program in which the basic subject matter, as outlined in the courses of study for grade 6 is taught, but enriched by a more intensive analysis of underlying concepts and more intensive study in correlated areas. The growth of individual potentiality of any of these pupils which may appear in any field of intellectual endeavor is promoted. Enrichment is particularly provided in areas including language arts in which talents in creative writing and in oral expression are stimulated and developed; conversational French and science, in which elementary experiments are being conducted above and beyond what is normally found in the usual 6th grade class.

Observing demonstrations by speech correctionists, listening to reports from leaders in the field, and comparing notes with counterparts from all over the nation at the American Speech and Hearing Association Convention recently; our speech consultant was convinced that the program in the Arlington Public Schools compares favorably with what is offered in other large school systems around the country. Since each pupil with a speech difficulty, referred by teachers, is included in scheduling our speech classes, the total case load is many times more than one therapist ordinarily considers reasonable. In our 1959 Budget we shall request additional assistance for our speech therapist.

A great deal of our time and energy is expended with individual pupils who are disturbed, unstable, or fail to make a satisfactory adjustment in school. When referred to us by parents or teachers the adjustment counselors usually undertake:

1. Diagnostic study of the individual child by means of:
   a. An evaluation of his current functioning according to the teacher's description.
   b. Evaluation of previous school functioning from kindergarten to the present.
   c. Appraisal for readiness for learning and of motivational factors which is based on observation and conversation with the child.
   d. Appraisal of the child's difficulty in the areas of intelligence testing and projective techniques.
   e. Understanding of environmental factors with the help of parental interviews and occasionally of home visits.
   f. Consultation with other school personnel such as the Reading Consultant, the Speech Therapist, the Attendance Officer, or the Nurse, to obtain additional information of diagnostic significance.

2. Use of findings:
   a. Interpretation of findings to teachers, principals and parents.
   b. Consultation and planning with the family to try to alleviate the difficulty.
   c. When indicated, counseling of the child so he will gain a better understanding of his difficulties by means of informal talks and play interviews.
   d. Referral of the child and his family for counseling and mental health treatment and the fullest possible use of outside recreational facilities, scout groups and church groups, boys' clubs, etc.
   e. Follow-up service in situations where immediate help cannot be achieved in spite of the above mentioned steps. The counseling staff retains a continuing interest in the child and the family.

With the growing acceptance in our community of the various services of the Department of Pupil Personnel Services, the staff finds it increasingly difficult to fulfill promptly all the requests for help. This increased demand is an agreeable, but pressing, problem and there is hope that we shall be able soon to expand our staff.

The balanced approach which the Department of Pupil Personnel Services has developed of both casework and clinical psychology has been found useful, as it represents a many-faceted orientation to the diversified problems of children. Casework techniques have been found most helpful in situations where manipulation of environment and the helping relationship with the family are of prime importance. In other situations individual intelligence testing and personality appraising by projective techniques have been found necessary for diagnostic purposes and for future planning. Frequently a combined approach has proved most effective.

The Department of Pupil Personnel Services has been augmented by the part-time assistance of a psychiatrist who consults with the staff on more complex situations. He is also helpful as a consultant to the overall guidance staff in detailed discussions aimed at increasing the awareness of the interaction between academic and emotional factors. This has been a most necessary addition to our program and we have lagged behind several of our neighboring communities in obtaining this service.

SAFETY PROGRAM

This year the National Safety Council, which closely examines the school safety program in each community, reported to us that, "your town is commended for its safety education program in the public schools". We require an accurate and detailed report of every accident that takes place on school property. These reports are carefully examined to determine if any pattern exists that necessitates corrective measures, and if so, immediate action is taken. Seasonal safety literature is sent to every school for emphasis by teachers in the classroom. Without the active cooperation of the various Town Departments our safety program could not function. Our accident rate of .0036% is testimony of the efficiency of our police-school safety program.

ADULT EDUCATION

Interest in the adult education program seems to continue and this year there was a total enrollment of 1300 students. There is a total of 58 different classes and an instructional staff of 44 teachers. The average attendance in these classes is about 82%. The Americanization classes included students from Italy, Greece, France, Germany, Austria, Armenia, Hungary, the Scandinavian countries, Holland, Latin America, Canada, Puerto Rico and Japan. There is no question that the adult education program we are presenting meets a definite need in the community.

CONCLUSION

In conclusion, may I express to the School Committee, to all my fellow workers in the Arlington Public Schools and to other Officials my appreciation for your kind help and support.

Respectfully submitted,

(Signed) Clifford R. Hall

Superintendent of Schools

Annual Report of the Department of Public Works

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Mr. Monahan:

I herewith submit the Annual Report of the Department of Public Works for the year ending December 31, 1958.

Under the provisions of Chapter 718 of the Acts of 1956 as amended by Chapter 18 of the Acts of 1957, a portion of North Union Street and the entire length of Beacon Street and Park Street was reconstructed by the Department of Public Works. A portion of Pond Lane, Decatur Street and the entire length of Lewis Avenue was reconstructed by private contract. It is anticipated that this program will continue in 1959 taking advantage of this Act whereby the Commonwealth of Massachusetts pays the entire cost.

In conjunction with Article 44 — "Maintenance of Public Sidewalks" of the Warrant of 1958, we were able to reconstruct concrete and bituminous concrete sidewalks on accepted Public Streets which had become deteriorated or damaged since their original installation. This program should be continued until all of our permanent sidewalks are in safe condition.

The new sidewalk and edgestone program for 1958 was once again completed within the year of money appropriated.

During 1958 the Department constructed Quinn Road, Reservoir Road, and Nourse Street. Crawford Street, Gorham Street, Washington Street, Brattle Terrace, Sunset Road, West Street, Joyce Road, Ivy Circle and Appleton Place were constructed by private contract.

Storm Drains were installed in Thomas Street and Brattle Place to the B & M Railroad Tracks. An 8″ and 36″ Storm Drain was relocated at the Senior High School. A 60″ Storm Drain was installed at the Senior High School all in conjunction with new addition.

On July 11, 1958, we were subjected to a flash flood during which we received one and one-half (1½) inches of rainfall in less than twenty-five (25) minutes. This flash flood caused considerable damage to roads and private homes.

Our public roadways and sidewalks were constantly maintained and in conjunction with this, thirty-seven (37) streets received a seal coat treatment which not only prolongs the life of the road, but produces a much smoother riding surface. I believe everyone realizes the wisdom of continuing this program.

The program of keeping our streets clean was continued, and it is my humble opinion that this Town is second to none in the Commonwealth in this respect.

Regular maintenance was performed on our Water System. On our Sewerage System, the entire section from Pleasant Street to

the Alewife Brook was cleaned and flushed. With our new "Sewer-oder" this program has been speeded up tremendously. Some mains had not been cleaned previously for seven years. It is reasonable now that we will be able to do the entire Town approximately every three years. Our Storm Drain System was maintained and all Catch Basins were cleaned out at least once and in the hilly sections of the Town they were cleaned twice.

Sewer Mains, Water Mains and Storm Drain Mains with all appurtenances were installed in various locations throughout the Town. On installations by private developers, we provided at their expense inspection of all underground installations. This is most important inasmuch as these mains become the Town's responsibility to maintain from date of installation.

Rubbish was collected from all dwellings and certain places of business throughout the Town. This is performed on a weekly basis and once again the volume collected has increased. We are still using the Sanitary Fill method of disposal whereby rubbish is compressed by tractor or other heavy equipment and then covered by cheap fill immediately. The purchase of two new trucks with Gar Wood Packer Bodys has enabled us to perform this service most efficiently.

Under the provisions of Article 42 of the Warrant of 1958 "Improvement of Volumes and Pressures-Water System" we continued our program of cleaning Water Mains, replacing and repairing hydrants, installing new gates where necessary, and in 1958 constructed five (5) new Calgon Chambers. In connection with this, I am submitting a full report for your approval of progress made in this program from 1955 to 1958 inclusive.

WATER MAINS CLEANED — 1955

Brattle St. from Summer St. to End — 6″ main	— 1,100′
Medford St. from Mass. Ave. to Mystic Valley Pky—6″ main	— 465′
Lowell St. from Park Ave. to Lexington Line—6″ main	— 2,500′
Hospital Rd.—6″ main	— 885′
6″ Main cleaned	— 4,950′
Medford St. from Mass. Ave. to Mystic Valley Pky—8″ main	— 1585′
Mystic St. from Summer St. to Falmouth Rd.—10″ main	— 4,200′
Brattle St. from Mass. Ave. to Summer St.—10″ main	— 1,800′
10″ Main cleaned	— 6,000′
Mass. Ave. from Park Ave. to Mirak's—12″ main	—10,200′
Summer St. from Mill St. to Mystic St.—12″ main	— 1,500′
Summer St. from Brattle St. to Mill St.—12″ main	— 2,400′
12″ Main cleaned	—14,100′
Total Mains cleaned in 1955	—26,635′

Replacing and Repairing of Hydrants — 1955

Replace Hydrants —
Install 11 Gate Boxes —
Install 10″ main — Oxford St.
Change services from old 6″ main to 10″ main — #376-400
Appleton Street

WATER MAINS CLEANED — 1956

Webster St. from Warren St. to Parkway—6″ main	— 1,555′
Norfolk Rd. from Kensington Pk. to Pleasant St.—6″ main	— 875′
Brantwood Rd. from Jason St. to Kensington Pk.—6″ main	— 1,377′
Hibbert St. from Arnold St. to 106 Hibbert St.—6″ main	— 752′
Boundary Rd. from Hibbert St. to Sylvia St.—6″ main	— 165′
Sylvia St. from Boundary Rd. to End—6″ main	— 850′
Tanager St. from Wollaston Ave. to End—6″ main	— 1,350′
Aberdeen Rd. from Tanager to Sutherland Rd.—6″ main	— 400′
Inverness Rd. from Aberdeen Rd. to End—6″ main	— 450′
Palmer St. from Warren St. to Mystic Valley Pky—6″ main	— 1,540′
Kilsythe Rd. from Inverness to 41 Kilsythe Rd.—6″ main	— 610′
Lanark Rd. from Kilsythe Rd. to 24 Lanark Rd.—6″ main	— 360′
Old Mystic St. from Hutchinson Rd. to Mystic St.—6″ main	— 1,100′
Davis Ave. from Mystic St. to End—6″ main	— 800′
Kimball Rd. from Mystic St. to End—6″ main	— 640′
Glen Ave. from Mystic St. to End—6″ main	— 475′
Rangeley Rd. from Mystic St. to Glen Ave.—6″ main	— 615′
Maynard St. from Medford St. to Mystic Valley Pky—6″ main	— 1,025′
Hayes St. from Medford St. to Mystic Valley Pky—6″ main	— 530′
Mystic Valley Drive from Webcowet to Mystic Valley Pky—6″ main	— 625′
6″ Main cleaned	—16,094′
Hibbert St. from 106 Hibbert to End—8″ main	— 200′
Wollaston Ave. from Park Ave. to West St.—8″ main	— 1,500′
Old Mystic St. from Falmouth Rd. to Hutchinson Rd.—8″ main	— 975′
Fairview Ave. from Mystic St. to Mystic Bank—8″ main	— 725′
Mystic Bank from Fairview Ave. to Draper Ave.—8″ main	— 234′
Draper Ave. from Mystic St. to Mystic Bank—8″ main	— 762′
8″ Main cleaned	— 4,396′
Gray St. from Valley Rd. to Jason St.—10″ main	— 1,248′
Hemlock St. from Governor Rd. to Summer St.—10″ main	— 1,025′
10″ Main cleaned	— 2,273′
Gray St. from Highland Ave. to Valley Rd.—12″ main	— 878′
Total of Mains cleaned — 1956	—23,641′

Replacing and Repairing of Hydrants — 1956

Replace Hydrant — 89 Newland Rd.
326 Mass. Ave.
Ridge & Stowecroft
Mystic & Columbia
81 Alpine St.
100 Brantwood Rd.
76 Brantwood Rd.
4 Brantwood Rd.
23 Marathon St.
89 Mass. Ave.
245 Mass. Ave.
15 Colonial Drive
Dow Ave.
Lower Gates at Palmer St.

WATER MAINS CLEANED — 1957

Kensington Pk. from Brantwood Rd. to Kensington Rd.—6″ main	— 494′
Kensington Rd. from Norfolk Rd. to Pleasant St.—6″ main	— 802′
Bow St. from Forest St. to Lowell St.—6″ main	— 1,900′
Jason St. from Mass. Ave. to Gray St.—6″ main	— 350′
Mystic St. from Old Mystic St. to End—6″ main	— 2,300′
Robin Hood Rd. from Mystic St. to End—6″ main	— 1,000′
Lake Shore Dr. entire length—6″ main	— 450′
Cheviot Rd. entire length—6″ main	— 375′
Boulevard Rd. entire length—6″ main	— 500′
Lafayette St. entire length—6″ main	— 1,000′
Chandler St. entire length—6″ main	— 1,100′
Freeman St. entire length—6″ main	— 1,000′
Orvis Rd. entire length—6″ main	— 920′
Linwood St. entire length—6″ main	— 100′
Lakehill Ave. entire length—6″ main	— 600′
Alfred Rd. entire length—6″ main	— 675′
Pondview Rd. entire length—6″ main	— 675′
Spy Pond Pky. from Alfred Rd. to Pondview Rd.—6″ main	— 260′
Palmer St. from Mass. Ave. to Warren St.—6″ main	— 600′
Webster St. from Broadway to Warren St.—6″ main	— 600′
6″ Main cleaned	—15,701′
Broadway from No. Union St. to Sunnyside Ave.—8″ main	— 1,585′
Jason St. from Mass. Ave. to Gray St.—8″ main	— 1,480′
8″ Main cleaned	— 3,065′
Broadway from Mass. Ave. to No. Union St.—10″ main	— 3,520′
Total of Mains cleaned — 1957	—22,286′

Replacing and Repairing Hydrants — 1957

Repairing Hydrants —

Increase of Water Main from 6″ to 12″ from Rhinecliff St. to west of Ortona St. (Appleton St.)

Extension of Water Main, Emerson Rd. & Mystic Bank from Glen Ave. to Draper Ave.

Installing pressure regulating valve on Hutchinson Rd. Water Main.

Installing 2 Gates at Hillside & Oakland Ave.

WATER MAINS CLEANED — 1958

Reservoir Rd. from Nourse St. to End—6″ main	— 209′
Nourse St. from Lowell St. to End—6″ main	— 252′
Cresent Hill Ave. from Westmoreland Ave. to End—6″ main	— 464′
Rawson Rd. from Warren St. to Parkway—6″ main	— 1,785′
Amherst St. from River St. to Rawson Rd.—6″ main	— 555′
Bowdoin St. from River St. to Rawson Rd.—6″ main	— 500′

Cornell St. from River St. to Rawson Rd.—6" main	—	500'
Dartmouth St. from River St. to Rawson Rd.—6" main	—	500'
Exeter St. from River St. to Rawson Rd.—6" main	—	775'
Fordham St. from River St. to Rawson Rd.—6" main	—	500'
Marion Rd. from Mass. Ave. to Belknap St.—6" main	—	300'
Belknap St. from Marion Rd. to Linwood St.—6" main	—	675'
Lansdowne Rd. from Hemlock to End—6" main	—	700'
Grove St. from Mass. Ave. to Summer St.—6" main	—	1,525'
Dudley St. from Brattle St. to Grove St.—6" main	—	1,275'
Overlook Rd. from Dickson Ave. to Ronald Rd.—6" main	—	1,425'
Ronald Rd. from Washington St. to Overlook Rd.—6" main	—	892'
Water St. from Mass. Ave. to Russell St.—6" main	—	608'
Russell St. from Water St. to Mystic St.—6" main	—	790'
Winslow St. from Mystic St. to Russell Terrace—6" main	—	498'
Russell Ter. from Russell St. to Winslow St.—6" main	—	372'
Prescott St. from Winslow St. to Russell St.—6" main	—	542'
6" Main cleaned		—15,642'
River St. from Warren St. to Parkway—10" main	—	1,370'
Total of Mains cleaned — 1958		—17,012'

Replace and Repairing Hydrants — 1958

Replace Hydrant — 201 Pleasant St.
7 Cemetery St.
36 Cutter Hill Rd.

Repair Hydrant — 7 Cemetery St.
Prescott St.

Reduce Valve — Beverly & Mystic St.

Calgon Chamber — Eastern & Highland Ave.
Palmer & Broadway
Aerial & Forest
Park Ave. & Paul Revere Rd.
Park Ave. & Park Circle

Install 10" Gate on Water Main — Broadway near Palmer St.

Install 10" Gate on Water Main — Broadway near Webster St.

Install approximately 300' of 8" Water Main in Beck Rd. from old end near Ryder St. to Forest St.

During the Winter season of 1958, the program of keeping our streets passable and safe at all times was continued; this included snow plowing, snow removal, and the salting and sanding of our highways. Every effort has been expended to make this program an efficient one. During 1958 we acquired for a very nominal sum three (3) additional used Walter's Snow Fighters. These vehicles should aid tremendously in our program which is to give the residents of Arlington the service which they have been accustomed to and undoubtedly expect.

During 1958 we prepared and maintained many additional skating areas to those previously in use. The constant use of these areas and the general approval expressed by many residents was encouraging.

In addition to its many functions, this Department also performed many services to other Town Departments as follows:

School Dept: Installation of the bituminous concrete in parking area — rear of Junior High West; installation of bituminous concrete Storm Drain and Catch Basin at Hardy School; installation of bituminous concrete area at the Locke School; the renewing of bituminous concrete walk at Crosby School; the preparation and application of stone dust on playground at Junior High East; the installation of water service to Junior High West Girls' playground and the installation of bituminous concrete in front of Auto Shop — Senior High School.

Board of Selectmen: The delivering and maintaining of all voting equipment in the various precincts throughout the Town. The constant maintenance of all Precinct Boxes.

Town Hall: The enclosing of new fuel oil tanks with brick partitions.

Committee on Swimming Conditions — Arlington Heights Reservoir: The Department of Public Works treated the Arlington Heights Reservoir with HT-H (Chlorine) during the month of July and part of August 1958 in order that the conditions of the water be maintained satisfactorily for swimming.

Fire Department: The construction of a bituminous concrete parking area at the rear of the Highland Fire Station; the construction of housing for outdoor fuel oil tank at Park Circle Fire Station.

We maintained and serviced all town-owned vehicles with the exception of the Fire and Police Departments. Once again, we allowed these departments to draw upon our stock taking advantage of our quantity purchasing practices.

The following are the net expenditures made by the Department of Public Works:

General Administration	$ 72,296.74
Highway, Maintenance and General, including Snow and Ice	394,368.15
Capital Outlay	58,419.33
Maintenance of Public Sidewalks	7,166.12
Construction of Ways (1958)	201,217.50
Construction of Ways (1957)	22,570.85
Reconstruction of Certain Streets (1958)	43,556.39
Reconstruction of Certain Streets (1957)	71,149.80
Storm Drains	21,269.69
Surface Drain, Thomas Street between Forest Street and Wright Street	2,554.08
Surface Drain, Private Lands Northeast of Wheaton Road between No. Union Street and Everett Street	2,793.83
Surface Drain between Brattle Place and the Railroad Tracks	2,842.35
Sanitation Division	173,925.22
Sewer Extensions	20,932.81
Sewer Maintenance	25,493.78
Water Maintenance	138,754.75

Water-House Connections	17,648.42
Water Maintenance, Capital Outlay	21,694.44
Water Extensions	26,807.36
Improvement of Volume and Pressure Water System	39,389.15
Construction of Ways (1956)	1,812.52
Construction of Ways (1955)	203.22
Sidewalks and Edgestones	25,565.04
	$1,392,431.54

ARLINGTON WATER WORKS

Arlington, Middlesex County, Massachusetts

Population by census of 1955, 47,148.
Date of construction low service, 1872; high service, 1894.
By whom owned, Town of Arlington.
Source of supply — Metropolitan Water System.

Consumption

1. Estimated total population at date, 50,000.
2. Estimated population on lines of pipe, 50,000.
3. Estimated population supplied, 50,000.
4. Total consumption for the year, 1,669,108,500.
5. Percentage of consumption metered, 100%.
6. Average daily consumption, 4,572,900.
7. Gallons per day per capita, 94.

Distribution

(including auxiliary supply from old Reservoir)

Mains

Five thousand six hundred (5600) feet of new water mains were laid during the year and one thousand ninety — six (1,096) feet of mains were re-laid during the year and connected with the Metropolitan System. Details of regular water main construction will be found in Table VIII.

1. Kind of pipe; cast-iron, cement and transite.
2. Sizes, from 4 inch to 16 inch.
3. Extended feet during year, 5600.
4. Number of feet renewed during year, 1096.
5. Discontinued during year, 1096.
6. Total now in use, 117.98 miles.
7. Cost of repairs per mile, $86.94.
8. Length of pipe less than 4 inches in diameter, 0.
9. Number of hydrants added during year, 19.
10. Number of hydrants now in use, 1,263.
11. Number of stop gates added during year, 42.
12. Number of stop gates now in use, 2942.
13. Average pressure on mains at center of Town, 110 high system, 80 low system.

Services

One hundred and eighty-two (182) new services have been added during the year and two (2) abandoned. There are for all purposes, 4254 on the low, 7085 on the high and 5 on the old Reservoir system. On the Metropolitan water supply there are eighty-five (85) services for municipal purposes, 40 sprinkler services and 47 for sewer flushing purposes included in the above. On January 1, 1958, two hundred and thirty-one (231) services were temporarily out of use.

1. Kind of pipe: copper, cement-lined, black wrought iron and lead, 3 inch to 6 inch, cast iron.
2. Sizes, 1 inch to 6 inch.
3. Number of service taps added during year, 182.
4. Number of services abandoned during year, 2.
5. Number of services now in use, 11,344.
6. Percentage of services, metered, 100%

Meters

One hundred and eighty-two (182) meters were set during 1958 on services installed in 1957-1958. The total number of meters in use January 1, 1959, 11,344.

Report of the Board of Selectmen

Your Selectmen are pleased to present the following report of their functions and actions during the current year.

The Board of Selectmen, which also serves as a Board of Survey and a Board of Public Works, by virtue of the provisions contained in the Town Manager Act, conducted weekly meetings concurrently in the above capacities with the Town Manager, the Town Counsel and the Town Engineer in attendance. The policy of conducting open meetings with the public and the press invited was continued throughout the year. The policy of holding bi-weekly meetings during the months of July and August was again adhered to and no hearings were conducted during this period, since such procedure would deprive interested citizens away on vacations the right to be heard.

At the Annual Election in March Messrs. Arthur D. Saul, Jr. and Daniel J. Buckley, Jr. were elected to office for terms of three years. The Board organized at its first regular meeting held thereafter with Mr. Joseph P. Greeley being elected as Chairman and Mr. Arthur D. Saul, Jr. as Vice Chairman.

In our numerous routine duties as Selectmen we granted various licenses, floated bond issues for school and street construction loans as authorized by Town Meeting, filled appointments to various Board and Commissions, appointed Jurors and Election Officers, authorized the sale of tax title land, settled legal claims, awarded contracts for Medical and Hospital Insurance for Town employees, held hearings when required, heard and settled complaints, regulated traffic, designated polling places for elections, called Town Meetings and performed a myriad of other functions connected with the office.

One problem, which is becoming steadily worse each year, involves increasing traffic congestion and the resulting traffic hazards which accompany such conditions. On one hand super highways are being constructed with higher and higher speed limits being permitted and motor vehicle manufacturers are constantly keeping apace with these demands by building more powerful vehicles which are capable of tremendous acceleration and speed. On the other hand people residing in residential communities become more and more apprehensive because of the increased volume of traffic and of the potential hazards to the lives and safety of their loved ones. The Board has given a great deal of thought and consideration to this matter in an effort to find an equitable solution. We have come to the conclusion that speed must be held to safe and reasonable standards and hope through a cooperative attitude of the public and proper police enforcement to make the streets of Arlington as safe as it is humanely possible in this day and age.

Metropolitan Transit Authority transportation service for the Town has also claimed a great deal of our time. In an effort to improve existing service and to provide adequate terminal facilities in Harvard Square, negotiations are currently in progress with

the Cambridge City Council for the erection of a bus shelter in Harvard Square and we hope to realize this objective before the end of another year.

Another major item which claimed our attention involved a decree by the Federal Communications Commission which originally required that all radio broadcasting and receiving apparatus be changed to conform wth a new narrow band width during 1959, principally to accommodate private interests. We immediately contacted all Federal Congressmen and Senators in Massachusetts and requested them to intercede with the Commission for an extension of time for such conversion, since it entailed a sizable capital outlay. We were successful in having these installations deferred until 1963. This will permit time for the appointment of a committee to investigate and make recommendations for the proper conversion of this very vital communication system in use by the Town's protective departments.

Conferences were held with the Arlington Housing Authority early in the year to discuss a suitable site for housing for aged, persons which resulted in Warrant articles at the 1958 Annual Town Meeting and subsequently legislative action to permit the use of Town-owned land at Reservoir Field for this purpose. After passage of permissive legislation the Board conveyed this land to the Housing Authority as authorized and is pleased to announce that this project is progressing satisfactorily and will ultimately be an asset to the Town.

In our capacity as a Board of Survey, the relocation of Mystic Street and the conversion of the Russell Common to an off-street parking area, was probably the most important issue to confront us during the year. Proposals originally submitted by the Town Engineer were discussed and re-discussed. Conferences were held with the Planning Board, the Arlington Development Commission and the Chamber of Commerce to develop suggestions and ideas for the most feasible and practical means of developing Arlington Center as a profitable business area in conjunction with these improvements. Ultimately the consulting firm of Bruce Campbell and Associates was retained to develop a plan for this area, incorporating suggestions contained in the Benjamin Report and containing practical proposals of their own to utilize all the physical aspects to the best advantage as economically as possible. Further consultations and discussion with the engineering consultants and the abovementioned groups resulted in a proposal which was mutually agreed upon for presentation at the 1959 Annual Town Meeting. Ways and means for absorbing the cost of this project was discussed and conferences held with State Officials and Federal representatives of the Urban Renewal Program. The time element, however, was deemed to be of utmost importance, consequently, it was determined to relocate Mystic Street, under the provisions of Chapter 90 of the General Laws with participation by the State and County in allotting funds for this work.

The usual street construction program was developed for 1959 with its attendant hearings and other ramifications. In addition

to the above program which requires construction before streets are finally accepted as public ways, we embarked upon a program of accepting streets which had been built by developers of housing projects, in accordance with Town specifications. This is an accepted practice in all communities and represents a monetary saying to the Town. As a Board of Survey, we also developed a sidewalk construction project, levied betterment assessments, granted abatements where such action was justified, ordered trees to be removed, appointed qualified contractors as licensed contractors in the Town, granted locations for utility poles and conduits, granted locations for gas mains and performed many lesser functions of the office.

In our capacity as a Board of Public Works, we considered the installation of sanitary sewers, water mains, storm drains and problems entailing public ways. We made takings when required, assessed betterments, appointed licensed drain layers, discussed refuse disposal and performed many routine functions as they arose. A serious condition involving the health and safety of the inhabitants of the Town was brought to our attention during the year. This resulted from increased sewerage which was channeled into the Metropolitan sewer running through Arlington, from Lexington and Winchester, which seriously over-taxed the system causing it to over-flow into Mill Brook and Mystic Lake. Immediate steps were taken with the Metropolitan District Commission and Legislators representing the Town and after many conferences we were successful in convincing these State Authorities that the construction of a relief sewer was imperative. As a result funds will be appropriated in the 1959 Legislature for this improvement and this distressing condition will be eliminated.

In conclusion, we would like to extend our appreciation to all Boards, Commissions and Officials who assisted us during the year, to our Town Manager for his recommendations and cooperation and to our Executive Secretary and the office staff for their able and efficient service.

Joseph P. Greeley

Board of Selectmen

Report of the Town Manager

February 24, 1959

Honorable Board of Selectmen
Town Hall
Arlington 74, Massachusetts

Gentlemen:

Soaring School Department costs continued to be the major factor in the Town's Tax Rate in 1958. As the full impact of the borrowing for the High School Addition and Reconstruction will be felt in 1959, there promises to be no relief, tax-rate-wise, in 1959. On the contrary, as this report is written, the impact of climbing school costs, including debt and interest payments on school construction borrowings, on the 1959 Tax Rate will be roughly equivalent to approximately $4.75 on the Tax Rate for 1959, in contrast to all other Town departmental appropriations which altogether will affect the 1959 Tax Rate about twenty-five cents ($.25) only. Furthermore, preliminary surveys already made indicate the need of another elementary school in the Pheasant Avenue area where in recent years there have been may new houses erected.

Again and again during the past four or more years, the residents of the Town have indicated the determination to provide adequate school facilities for the school children of the Town with the full realization of the construction, operation and maintenance costs that have such an adverse effect on the Town's Tax Rates. In this connection, they have faced up to the hard facts very realistically as compared with some growth communities that have "begged" the question of rising costs only to have to assume them inevitably and under higher cost conditions pursuant to the inflationary nature of our national economy resulting in higher labor and materials costs.

Another major factor in our Tax Rate situation in the past year has been the extraordinary increase in State charges to the Town accompanied by a smaller State distribution of income and corporaction taxes to the Town. Both of these adverse factors had an impact roughly equivalent to an increase of approximately $3.25 on the 1958 Tax Rate.

That the increase in the 1958 Tax Rate was held to only $1.20 was attributable to the excellent financial condition of the Town's Surplus Account which permitted the use of in excess of $400,000. to offset the adverse factors previously noted. Then again, the increased valuations of approximately $2,000,000. due principally to new construction played an important part in holding the 1958 Tax Rate increase within reasonable bounds.

At this point, it is important to once again emphasize the absolute need of increased Town revenues via the limited sales tax that was defeated in the Legislature in 1958 and a withholding tax

which also was voted down by the 1958 Legislature even though Governor Furcolo advocated both forms of relief for Cities and Towns. It is to be sincerely hoped that the 1959 Legislature will take favorable action on these vital tax measures, a substantial portion of the proceeds of both of which will be distributed to Cities and Towns in the Commonwealth to alleviate the constantly rising tax burden on residences, business properties, etc.

Good progress was made in 1958 in the plans for improvements in the Arlington Center shopping area which, when implemented by favorable action by the 1959 Annual Town Meeting, will eventually improve the tax base of the Town. The Board of Selectmen, the Development Commission, the Planning Board, and many other town officials and civic-minded citizens have spent many long hours pondering this complex problem and have evolved a final plan in which they are in common agreement to improve the Center Shopping Area. Coincidentally, real solid plans are in the making by the business men themselves for the modernization of several stores and the construction of new shopping facilities. It is to be seriously hoped that the 1959 Annual Town Meeting will take favorable action on the Warrant Articles which would represent real achievement in the Town's progress in the improvement of the Town's tax base.

The current year witnessed a continuance of efforts to maintain public service to the residents at the lowest possible cost. Economies have been made where possible; new equipment has been bought and new methods have been inaugurated to improve efficiency in the Public Works Department whose departmental report contained elsewhere herein should be read to appreciate the complex and diversified work of this department. In closing, may I point out that the services rendered to the public by all town departments are, in my opinion, the equal if not the superior of the services rendered by the employees of any city or town in Massachusetts, bar none!

There follows below a summary of the annual reports of the various Town Departments under the Town Manager's supervision, also other important happenings for the year ended December 31, 1958.

ARLINGTON DEVELOPMENT COMMISION — Primarily concerned during the year with the planning of improvements in the Arlington Center Shopping Area. Many of its recommendations were approved by the 1958 Annual Town Meeting and it is anticipated that still greater improvements will be approved by the 1959 Annual Town Meeting. The Commission members are to be sincerely thanked for their very capable, intelligent and unselfish contributions to the Town's economy in future years.

BUILDING DEPARTMENT — Downward trend in building permits temporarily halted during the year but the available building lots will become fewer each year, and in the not too distant future, the construction of new dwelling houses will have little effect on Arlington's economy. We should continue to renew our efforts to encourage to a maximum degree the construction of apartment houses, especially along our main traffic arteries.

CEMETERY DEPARTMENT — Improvements in the Mount Pleasant Cemetery continued in a normal manner. The people of the Town are very proud of their Town Cemetery.

CIVIL DEFENSE — Training and planning continued at a reasonably high level. A great deal of surplus property was acquired under matching funds. Although the construction of underground shelters appears to be the present policy of the Federal Government, the failure of the latter to implement such policy with adequate funds for their construction resulted in little or no activity during the year in this very vital defense against the effects of atomic or nuclear warfare. The old Police ambulance was reconditioned and made available for rescue work.

DRAINAGE — Improvements continued — larger Town expenditures for drainage throughout the Town would appear to be very necessary in future years.

ENGINEERING DEPARTMENT — This department had an extremely heavy workload during the year. Over and above the normal requirements of Town departments, considerable time and effort was given to various Town Committees, including the Arlington Development Commission.

FIRE DEPARTMENT — Reorganization of department continues. Replacement of 85 foot aerial ladder bought in 1937 should be considered in 1960. Fire prevention and In-Service Training continued. Fire drills in schools, dwelling inspections, hydrant inspections, company drills intensified. Firefighters made tremendous personal contributions to building maintenance for which the Town should be very grateful. Building interiors of the three fire stations are in excellent condition with limited costs to the Town. Fire & Police Signal System maintained; new police boxes and new fire alarm boxes installed; many outmoded signal boxes replaced. System in excellent condition.

FUNDS, VARIOUS — Legal stumbling blocks, as yet unresolved, prevent the Trust Fund Commission from compliance with its full duties and responsibilities as specified in the Town Manager Act as amended. It is hoped that such legal impediments will be clarified soon. In the meantime, I extend my thanks and appreciation to all trustees of the various funds who continue to function in the town's best interests.

HEALTH, BOARD OF — All public health functions of the department performed in usual way, such as Communicable Diseases, licensing, tuberculosis, clinics, milk inspections, physical examinations of puplis at parochial and other private schools, dog vaccinations, etc. A study is being made of the need of Board of Health doctors in parochial and private schools.

LEGAL DEPARTMENT — During the year, there were no verdicts against the Town. A Superior Court decree ruled in favor of

the Town in the case of policemen and firemen versus the Town pursuant to action by the 1957 Annual Town Meeting on Article 27 of the Warrant for said meeting. The petitioners appealed to the Supreme Judicial Court where the case was argued in December; a decision is anticipated in the near future. Various Bills in Equity resulted in favorable decrees in favor of the Town by the Superior Court. Substantial amounts of money for aid by the Board of Health and by the Welfare Department were recovered. Legal opinions were given to practically all Town departments and agencies.

LIBRARY — 1958 was the busiest, most active year in the history of the Robbins Library. According to expert consultants engaged during the year — "The Robbins Library is an outstanding example" of good public libraries. These library experts recommend that certain changes be made in the physical plant to improve efficiency with fewer personnel.

MAINTENANCE DEPARTMENT — All required maintenance and repairs to school and other buildings were done. For details of the tremendous work accomplished reference is made to the departmental report appearing elsewhere in this Annual Town Report. Thanks to the work of the maintenance men and of the custodians, the schools on opening day were a credit to the townspeople.

PARK AND RECREATION — All play areas maintained and several improvements made. There was a fine recreation program for all ages, including skating, golf, bowling, basketball, softball, baseball, archery, arts and crafts, dancing, tennis, swimming, first aid, Golden Age Club, etc. It is important to mention the tremendous success of the Friday evening dances at the Town Hall for the Junior Teen-agers. These dances have been very well attended and youngsters themselves have conducted themselves in a praise-worthy manner. The mothers and fathers of these youngsters are cordially invited to come to the Town Hall on Friday evening and observe these happy youngsters expending their energies and otherwise having a very fine time under very careful supervision.

PLANNING BOARD — Busy year. Studies were made of land use, zoning, etc. Many meetings were held with Selectmen, Development Commission, and various interested groups. Made many recommendations to the 1958 Annual Town Meeting, which were approved by the Town Meeting Members. Studying ways and means to encourage the building of apartment houses. Studies made of urban renewal, conferences with Federal Officials. Studies made also of regional planning. Recommend a permanent planning staff for best results in future.

POLICE DEPARTMENT — Based on belief that as crime is on wheels if you control the wheels you will keep serious crime to a minimum, continuous enforcement of motor vehicle violations was continued. Through the voluntary cooperation of storekeepers, the campaign to reduce the number of indecent books, pamphlets, etc. was reduced considerably. Juvenile situations, although higher than previous year, were still relatively low in number.

PUBLIC WORKS DEPARTMENT — This department continued to render public service of the highest degree to the residents. Only by reading the detailed report of this department elsewhere in this Annual Report can it possibly be appreciated how varied and multiple are the work assignments of this very busy town department. The Public Works Department appears to have the full confidence of the citizens and justifiably so, in my opinion, because over and above its stated responsibilities, it has willingly and energetically tackled every emergency situation within its physical and personal capacities and stayed with it until fully restored.

PURCHASING DEPARTMENT — The spirit as well as the letter of the town by-law has been complied with, in that competitive bidding has been enforced in practically all town purchases whether or not it is required by said by-law. Obtaining bids on our annual requirements for materials to be delivered as needed throughout the entire year has resulted in substantial savings in view of the rising price tendency throughout the year in practically all materials needed by the Town. The policy of soliciting in the interest of local vendors in the Town's purchase requirements continues where price and quality are comparable, local merchants are favored.

SEWER AND WATER INSTALLATIONS — Policy continues of having house developers assume major part of such costs. The relatively small costs in both types of installations which the Town occasionally assumes, are passed on to the benefited properties by Betterment Assessments.

SNOW REMOVAL — Economies approved by the vast majority of taxpayers continued to be put into effect in the removal of snow; for example, the traditional practice of removing snow from the sidewalks of business areas has been abandoned; also, snow removal was accomplished during regular working hours instead of the former practice of continuing the operation on an overtime basis until the entire removal job was achieved. Sanding operations continue to be a major factor of cost, especially in our hilly sections where street surfaces are usually glazed alomst every night during the winter. Because of the necessity of keeping roadways open, plowing and re-plowing must be done with an eye to the weather forecast. If, for example, a current snow storm is to be followed by another snow storm or freeze, the roadways must be plowed almost meticulously. On the other hand, if warmer weather is in prospect after a snow storm, it is not necessary, for obvious reasons, to follow the same procedure in plowing. Unfortunately, when re-plowing operations are engaged in, some unpleasantness arises because driveway openings that have been cleared by thrifty householders become filled in again by the plow necessitating additional work on their driveways by householders. The great patience of householders, previously extended to the Public Works Department in connection with such necessary personal inconveniences caused by such re-plowing operations to assure safe roadway conditions, is again solicited.

STREET LIGHTING — Better lighting program was continued and is proposed for the future. It is recommended that in the ensuing year, the street lighting system along Mass. Avenue, from

Arlington Center to the Camb. Line, be modernized so as to become a more improved device for pedestrian safety. As every authority on the subject will testify, where street lighting throws a reasonable amount of foot candles on road surfaces, there are few serious accidents on such roadways.

TREE DEPARTMENT — Number of trees affected by Dutch Elm Disease is on the increase. Regular spraying schedule was continued including 931 private estates who reimburse Town for costs of same. Grounds of Town Hall and Robbins House were maintained as is customary.

VETERANS' SERVICES—Increased costs of medical and hospital care reflected in increased Town costs. Every possible service was rendered to veterans and their families.

WATER SYSTEM — Improvements continued. Within the next two years, all of the improvements originally planned subsequent to the Crosby School fire in May, 1954, should be accomplished, after which it will no longer be necessary to spend $25,000. to $40,000. a year on the improvements of our volumes and pressures. Regular maintenance, however, in the future will include periodical cleaning of the water mains and the continued introduction into the system of calgon so as to prevent the building up of bacteriological growth inside of the water pipes thus assuring that the water mains of the Town will have a real capacity consistent with their theoretical capacity.

WELFARE DEPARTMENT — Machine accounting was installed during the year. It is too soon yet to appraise the results. Courteous and sympathetic consideration was extended to all persons requesting aid. As so many outside factors affect the various kinds of aid, such as Federal Grants, State Reimbursements, aid rendered by other cities and towns to Arlington "settled" cases, and aid rendered by Arlington to "settled" cases of other cities and towns, all involving claims and counter claims, it is my recommendation that the Commonwealth of Massachusetts take over all functions of the Welfare Departments of the cities and towns of the State. When it is considered that practically all rules and regulations are established by the State and/or Federal Government, also, that the State Legislature controls many of the benefits extended to welfare recipients, there is even more reason why the Commonwealth should take over the entire welfare program. From an administrative standpoint, tremendous duplication would be eliminated with corresponding reduction in administrative costs. The total number of cases have declined but the case-load cost has increased due principally to increased costs of general hospitals, chronic hospitals, public medical institutions and nursing homes. Please refer to the Annual Report of the Welfare Department, elsewhere in this Town Report for detailed information.

CONCLUSION — In concluding this, my sixth annual report, may I respectfully point out that the attainment of all of the objectives of businesslike management under the Town Manager form

of local government will be accomplished only by continuing efforts. In my opinion, businesslike municipal government reflects arduous efforts rather than genius — the Town Manager must apply himself constantly to the task and in this respect he must elicit the full co-operation of the employees who work under his supervision and direction as well as all other associated employees and officials of the Town. It is my humble observation that the Town Manager form of government has already shown satisfactory results. I feel very strongly that a maximum of value has been furnished the citizens for every tax dollar spent; I sincerely believe that the records will substantiate my conclusions in this respect.

For their cooperation during the year, I wish to thank the Honorable Board of Selectmen, the Finance Committee, the Personnel Board, the School Committee, the Board of Assessors, and all town departments, boards and commissions.

My thanks are extended to the employees of all departments under my supervision and control who are especially deserving of my gratitude for their fine team-work during the year. Considering the number of complaints and the enormity of the task, faults have apparently been relatively few in the rendering of public service to the citizens of the Town.

The Town of Arlington is indeed fortunate in the number of outstanding citizens, including Town Meeting members and members of school building committees, who give of their time and effort with no compensation to the various unpaid boards and commissions of the town government. Sincere thanks is expressed to them for their truly tremendous services to the town during the year just closed.

To the citizens of the town, my sincere thanks are extended for their continued cooperation, confidence and encouragement which makes worthwhile every effort expended in their behalf by their town employees, including the Town Manager.

Reference is made to other sections of this annual report for information, statistics and data of the various Town Departments for the year ending December 31, 1958.

Respectfully submitted,

Edward C. Monahan

Town Manager
